INTRODUCTION.

Certain essential improvements long overdue to which I referred in my Report of the previous year were made possible during the year under review by the increase of 2 per cent in the Property Tax. I would mention especially the purchase of four heavy lorries for conservancy purposes which were badly needed to reinforce the existing fleet. The increase also made it possible to obtain from Government a loan of Rs. 5 lakhs for general purposes, and several beneficial schemes are being financed from this source, such as the installation of Flush-out latrines in private houses. The necessity for a further increase of the tax is, I think, generally recognised if the Corporation is to fulfil its obligations to the public but the chances will be improved if the amendment of the Act proposed by the Amendment Committee to permit a graded scale of tax, thereby protecting the small property owner, is passed into law.

There was a regrettable fall in the percentage of collection during the past year which in the case of Property Tax was 88.4 as compared with 91.4 in the preceding year. This fall was due partly to the general trade depression, and resulting financial stringency, and to some extent to difficulty in collecting the enhanced rate of tax which many assessees mistook for an enhancement in the valuation of buildings in spite of the clear statement inserted in the demand notices.

From the point of view of Public Health which is dealt with in the Report of the Health Officer, we can report some progress. The marked fall in the death rate as compared with the previous year from 50.5 to 42.4 is to some extent misleading, since in the preceding year the City was afflicted with an epidemic which resulted in excessive mortality. But the strenuous efforts which are now being made to improve the health of the City are beginning to have some effect, and there is every reason to hope that the schemes for improvement of housing conditions and reform of cheries, antimalarial operations, and better conservancy will bring their reward in due course. The

reduction of mortality from malaria to which reference is made in the Report of the Health Officer is an encouraging sign. But when all is said and done, the removal of the chief obstacle from the path of progress in health matters must remain the duty of the citizens themselves. No amount of municipal activity can eradicate insanitary habits and so long as the people of Madras continue to use their streets as a public latrine and as long as there are flies to spread infection, so long will disease flourish. It is noteworthy that people are coming to realise more and more the evils of this habit of fouling the public streets, and yet are apparently unable to create that public opinion among themselves which alone could check the practice of which they complain. They write petitions and when that is done, they are apt to consider that the matter has now passed satisfactorily out of their hands. Divisional Civil Associations such as that recently started in Triplicane may do much to remove the prevalent evil by teaching cleanly habits and fostering the public opinion necessary to enforce obedience to sanitary laws.

Steps have been taken to initiate a scheme for installing Flush-out latrines in private houses under a system of advances recoverable, and it is hoped by this means, in course of time, to bring the whole City on to the water borne system, thereby remedying the present position in which the Corporation, while saddled with the payment of interest charges in connection with the loans for the underground drainage system, have also to bear heavy annual charges for the maintenance of a conservancy staff deputed for the hand removal of filth.

Government sanctioned during the year under review a grant to the Corporation for the Bogipalayam Housing Scheme which is designed to eradicate one of the worst plague spots in the City and steps are being taken to erect model houses in and around the area in question.

There is still much misapprehension as regards the Madras Water Supply and some people still believe that the Corporation is supplying a mixture of filtered and unfiltered water. Ignorant critics from time to time air in the Press their opinions on this subject and one writer recently even went so

far as to state that malaria and typhus (!) which he apparently regarded as water-borne diseases were rife in Madras owing to a defective water supply. It must be admitted that the unpleasent taste and smell of the Madras water lend support to these unfounded rumours and the water supply is one of the most pressing problems confronting the municipal authorities in this City. All water supplied is filtered and adequately chlorinated, and analytical tests show that the water is bacteriologically not impure. But the existence of excess of vegetable matter which putrifies in the filters, and lack of aeration are responsible for the bad taste and smell, and the task immediately confronting us is the elimination of the cause of these defects. The Corporation have approved the scheme recommended by the Government Committee for the installation of Percolating filters and it is hoped that plans and estimates for their erection will be ready shortly. It will also be necessary to replace, or clean, some of the old water mains which were laid before the present distribution scheme was brought into existence.

Various measures for increasing the storage capacity at Red Hills have also been approved and are being carried out at the moment.

It has not been possible during the year to curtail the number of prosecutions instituted for non-compliance with the terms of notices served by the Corporation under the Act, nor will it be possible to do so until the citizens of Madras learn that their co-operation is essential for the good of the community as a whole. A visitor from abroad could not fail to be struck by the light-hearted disregard with which Corporation notices are treated. The applicant for a licence for machinery commonly instals his machine first and thereafter applies for a licence in the confident hope that he will not be ordered to remove machinery once erected, and the owners of condemned cattle yards fail to carry out the sanitary improvements ordered until a prosecution is imminent. The same disregard for authority is shown by the owners of condiment mills who habitually work their mills beyond the prescribed hours. It has to be remembered in these matters that the good of the community is of more importance than the interest of an individual member thereof.

It was possible materially to increase the mileage of roads reformed and tarred. Over 50 miles of roads were reformed and over 15 miles were tarred for the first time, as well as 11 miles retarred. These figures compare favourably with those of the preceding year when the mileage was 38 for reform and 7½ and 7 for tarring and retarring. There are now 80 miles of tarred and bitumened roads in the City.

Further improvements were made in the lighting of Madras more especially in the Mambalam area, and little criticism can now be levelled at this aspect of Municipal administration. Arrangements were made to start the Municipal Broadcasting scheme, and this is now in full swing and attracting large crowds to the Marina daily.

A beginning has been made in tackling the problem of housing our elementary schools and a loan has been taken from Government to meet the cost of erecting school buildings. The ordinary private house available in Madras is totally unsuited for school purposes and the scheme of elementary education cannot be said to be working satisfactorily until suitable accommodation is provided.

I have pleasure in acknowledging once again the loyal support of the Corporation executive during the past year.

I would also refer to the cordial relationship which has continued to subsist between the President and Council on the one hand and the permanent staff on the other, and tender my thanks to all the members of the Council for the consideration which they have always accorded me.

Corporation of Madras.
30th September 1930.

E. CONRAN SMITH,
Commissioner.

CORPORATION OF MADRAS.

Report of the Commissioner from 1-4-29 to 31-3-30.

Election.

The following Councillors constituted the Corporation on 31st March 1930.

Elected at Divisional Elections.

Mrs. M. Hannen Angelo

The Hon'ble Dewan Bahadur A. Ramaswami Mudaliar who was elected President by the Council at its meeting of 15th November 1928 continued to hold the office of the President till 12th November 1929 when he was re-elected President by the Council. He continued to hold the office of the President during the year under report.

(2) At the ordinary elections held in 1929, nine out of the ten seats were contested.

The Councillors newly elected are (1) M.R.Ry. M. Sundaram Naidu Garu (Division 9), (2) Dr. Syed Niamathullah Sahib (Division 27) and (3) M. R. Ry. G. Janakiram Chetty Garu (Division 28), in the places of Dr. A. C. Asirvada Nadar, M.R.Ry. S. G. Rangaramanujam Mudaliar Avargal, and the Hon'ble Dewan Bahadur G. Narayanaswamy Chetty Garu, C.I.E., respectively. The Hon'ble Dewan Bahadur G. Narayanaswamy Chetty Garu, C. I. E., who represented Division 28 contested the election for Division 29, and was elected in place of M.R.Ry. Rao Bahadur O. A. O. K. Lakshmana Chetty Avargal, who did not seek re-election. The Councillors for Divisions 3, 4, 5, 25 and 26 were re-elected. M.R.Ry. Rao Bahadur P. Ranganathan Chetty Garu was returned unopposed for Division 22.

The number of votes recorded at the nine contested elections viz., 3, 4, 5, 9, 25, 26, 27, 28 and 29 was 6155 out of a total electorate of 7703. The percentage of voters who exercised the franchise at the elections was 79.8.

(3) On the annual revision of electoral rolls, it was found that the percentage of voters qualified to vote was 5.1 of the total population as against 4.9 during 1928—1929.

(4) *Representatives of the Chamber of Commerce:—*

Mr. A. S. Rose who was elected Councillor on 8—11—27 continued to be a Councillor during the year under report. Mr. D. M. Reid who was elected Councillor on 25—10—27 continued to be a Councillor till 18—4—29 when he resigned his seat on the

Council and Mr. F.E. James was elected Councillor in his place with effect from 4—6—29 and he continued to be a Councillor during the year under report. Mr. A. J. Powell who was elected Councillor on 1—5—28 continued to be a Councillor till 12th February 1930 when he resigned his seat on the Council and Mr. D. M. Reid was elected Councillor in his place with effect from 4—3—30 and he continued to be a Councillor during the year under report.

(5) *Representatives of the Trades Association*:—

Mr. Binstead and Mr. Hayles who were elected Councillors on 21—8—28 and 5—7—27 respectively continued to be Councillors during the year under report. Mr. W.H. Nurse who was elected Councillor on 28—9—26 continued to be a Councillor till 28—9—29 when he ceased to be a Councillor by efflux of time and Mr. Chapman was elected Councillor in his place with effect from 22—10—29 and he continued to be a Councillor during the year under report.

(6) *Representatives of the South Indian Chamber of Commerce*:—

Rao Sahib T. S. Kachapakesa Mudaliar and Mr. M.J. Md. Ibrahim Sahib Bahadur who were elected Councillors on 7th May 1929 continued to be Councillors during the year under report.

(7) *Representative of the Harbour Trust Board*:—

Dewan Bahadur Govindoss Chathurbujadoss who was elected Councillor on 17—5—27 continued to be a Councillor during the year under report.

(8) *Representative of the Anglo-Indian Association*:—

Mr. S. Fernandez who was elected Councillor on 19—7—27 continued to be a Councillor during the year under report.

(9) *Representative of the University of Madras*:—

M.R.Ry. B. Satyanarayana Garu who was elected Councillor on 9—10—28 continued to be a Councillor during the year under report.

(10) *Councillors appointed by the Governor-in-Council*:—

Mrs. Paul Appaswami, Mr. M.R. Rajagopal Naidu, Mr. H.M. Jagannatham, Mr. M.A. Muthia Chetty and Pandit Mr. S. S. Anandam who were appointed Councillors on 28—5—29,

25—10—27, 28—5—29, 26—2—29 and 28—5—29 respectively continued to be Councillors during the year under report.

Mr. R. Dann who was appointed Councillor on 14—6—27 resigned his seat on the Council and Khan Sahib Md. Abdulla Sahib Bahadur who was appointed Councillor in his place with effect from 6—8—29 continued to be a Councillor during the year under report.

Rao Sahib M.C.Madurai Pillai who was appointed Councillor on 6—4—26 ceased to be a Councillor by effiux of time and Mr. V. G. Vasudeva Pillai was appointed Councillor in his place with effect from 28—5—29 and he continued to be a Councillor during the year under report. Mr. S.S. Elliot who was appointed Councillor on 21—2—28 resigned his seat on the Council with effect from 1—4—29 and Major R. H. Stallard was appointed Councillor in his place with effect from 7—5—29. The latter continued to be a Councillor till 13—11—29 when he resigned his seat on the Council and Mr. N. Grayson was appointed Councillor in his place with effect from 3—12—29 and he continued to be a Councillor during the year under report. Mr. T. S. Natarajam Pillai who was appointed Councillor on 26—10—26 ceased to be a Councillor on 26—10—29 by efflux of time and Mr. R. Dann was appointed Councillor in his place with effect from 29—10—29, and he continued to be a Councillor during the year under report.

REINSTATEMENT.

2. Under Section 53 of the Madras City Municipal Act 1919, the following Councillors lost their seats in the Council by failure to attend the meetings of the Council for three consecutive months. They were reinstated under sub-section 4 of the same section:—

Name.	Date of loss of seat.	Date of re-instatment.
M.R.Ry. S. G. Rangaramanujam	1—6—29	4—6—29
Rao Bahadur O.A.O.K. Lakshmanam Chettiar	1—8—29	20—8—29
Mr. R. Dann	1—5—29	21—5—29

EXECUTIVE OFFICERS.

3. I held the office of the Commissioner during the year under report. Khan Sahib Md. Zindah Sahib Mohazir Bahadur continued

to hold the office of the Revenue Officer during the year except during the period from 15—7—29 to 14—8—29 when he was on leave on average salary and M. R. Ry. P. Sivabhushanam Mudaliar Avargal., acted as Revenue Officer during the period. Mr. J. E. Hensman, Dr. C. S. Govinda Pillai, M. R. Ry. Rao Bahadur C.V. Krishnaswami Chetty Garu continued to hold the office of the Engineer, the Health Officer and the Electrical Engineer respectively during the year under report. M. R. Ry. T. R. Srinivasachariar Avergal, continued to hold the office of the Special Engineer during the year under report.

MEETINGS.

4. During the year, the Council held 12 General meetings, 11 adjourned General meetings, 3 Special meetings, 17 ordinary meetings and one meeting which proved abortive for want of quorum. The average number of Councillors including the President present at each meeting of the Council was 34.0 against 29.9 in the previous year. The percentage of attendance to the sanctioned strength was 63.2 among elected divisional councillors, 46.1 among institutional Councillors and 52.0 among Councillors appointed by Government as against 69.3, 41.6 and 50.5 respectively in the previous year.

The Standing Committees dealing respectively with (1) (Taxation & Finance), (2) Works, (3) Health and (4) Education met 50, 37, 26, & 16 times respectively.

COMMITTEES AND SUB-COMMITTEES.

5. *Committee to settle the disputes between the Tramway Co and the Corporation:—*

A Committee consisting of Dewan Bahadur G. Narayanaswamy Chetty, Mr. S. Venkatachallam Chetty, Mr. S. Satyamurthi, Mr. S. T. Binstead, Mr. V. Chakkarai Chetty, Mr. R. Madanagopal Naidu, Major Stallard and the President was appointed by the Council at its meeting of 21st May 1929 to negotiate with the representatives of the Tramway Co., and settle the disputes between them and the Corporation of Madras, except those referred to the High Court, without prejudice to the rights of the Corporation. The report of the committee is awaited.

(2) *Committee to consider the question of payment of compensation to managers of aided schools:—*

A committee consisting of Mr. Hayles, Mr. S. Satyamurthi, Mr. Basheer Ahmed Sayeed, Mr. B. Sathyanarayana, Mr. S. Venkatachallam Chetty, Rao Sahib P. Ranganatham Chetty, Mrs. Hannen Angelo and the President was appointed by the Council at its meeting of 4th June 1929 to go into the question of compensation to Managers of aided schools with reference to the resolution of the Council dated 16th February 1928. The final report of the committee is awaited. The committee submitted an interim report and the same was considered by the Council at its meeting of 16th July 1929 when the following resolution was passed on the distinct understanding that, while no further increase in the strength would be considered in giving compensation, the Corporation was entitled to refuse compensation in case of a fall in the strength.—

"This Council resolves that compensation to Managers of Aided Schools be paid for the current school year beginning with 1st July 1929 and ending with 30th June 1930 on the basis of the average strength in the schools during the previous school year i.e., from 1st July 1928 to 30th June 1929 and that very early steps be taken to find out the average strength and to make the payment to Managers concerned".

(3) *House Committee:—*

A committee consisting of four Councillors to be nominated by the President was appointed by the Council at its meeting of 27—8—29 to control the buffet arrangements in the Council Chamber of the Ripon Buildings with powers analogous to those of the house committee in the Legislative Council. The Councillors nominated were Mr. K. Venkataswamy Naidu, Mr. K. Sreeramulu Naidu, Mr. F. E. James and Mrs. M. Hannen Angelo. The committee resolved that the Standing Committee Chairman room be used for buffet that the eastern verandah be set apart for members and officers and the southern verandah for guests and that crested glassware be ordered for service.

(4) *Address of Welcome:—*

A committee consisting of the President, Mr. V. Chakkarai Chetty, Mr. S. Venkatachallam Chetty, Rao Bahadur Dr. C. Natesa

Mudaliar, Mr. V.G. Vasudeva Pillai, Mr. Basheer Ahmed Sayeed Mr. F. E. James and Mr. S. Satyamurthi was appointed by the Council at its meeting of 27th August 1929 to draft a civic address of welcome which the Corporation proposed to present to Mr. Vallabhai Patel at the Council Chamber of the Ripon Buildings. The address as drafted by the committee and approved by the Council was presented to Mr. V. Patel on 3—9—29 in a casket prepared for the purpose.

(5) *Tramway Improvement committee:—*

A committee consisting of Dr. A.C. Asirvada Nadar, the President, Rao Bahadur P.T. Kumarasamy Chetty, Mrs M.Hannen Angelo, Mr. G. Rangiah Naidu, Mr. K. Sreeramulu Naidu, the Commissioner, the Commissioner of Police, the Engineer and Mr. A.J. Powell was appointed by the Council at its meeting held on 27—8—29 to inspect the trams in the Broadway—Washermanpet lines and to submit a report on the feasibility of extending the existing double lines at about 8 places. The report of the Committee is awaited.

(6) *The Madras City Hand Book Committee:—*

The Council at its meeting held on 27th August 1929 passed the following resolution:—

"That a hand-book of the City of Madras be prepared and published embodynig authoritative chapters on the city, its environs, its civic administration and an account of the various cultural problems comprised in the civic movement and that the Corporation do incur the necessary expenditure therefor and the work be entrusted to a Committee".

The following Councillors constituted the committee:—

1. Mr. K. Venkatasamy Naidu
2. Dewan Bahadur G. Narayanasamy Chetty
3. Mr. T.S. Natarajam Pillai
4. Mr. S. Venkatachallam Chetty
5. Mr. S. Satyamurthi

6. Mr. F. E. James

7. Mr. Basheer Ahmed Sayeed

8. Mr. T. P. Meenakshisundaram, and

9. The President.

The committee has taken necessary steps to bring out the hand book.

(7) *Committee to inquire into the unfortunate death of the Audi Andhra girl who fell into a cesspool at Moolokothalam*:—

A committee consisting of Mr. G. Rangiah Naidu, Mr. S.A. Shaffee Muhammad, Mr. H.M. Jagannatham, Mr. C. Muniswami Naidu, Mr. G. Chelvapathy Chetty, Mr. Sajja Muniswami Chetty, Pandit S.S. Anandam and Mr. V.G. Vasudeva Pillai was appointed by the Council at its meeting of 27th August 1929 to hold an enquiry into the unfortunate death of an Audi Andhra girl who accidentally fell into a cesspool in the vicinity of the Corporation Model School at Moolakothalam and to submit a report, recommending a reasonable compensation to the destitute mother if deserving and also to take immediate steps after inspection to have the cesspool fenced with strong crow bars to prevent further accidents. The report of the committee is awaited.

(8) *Slums Committee*:—

A committee consisting of Dewan Bahadur G. Narayanasamy Chetty, Rao Sahib P. Ranganatham Chetty, Pandit S.S. Anandam, Mr. G. Chelvapathy Chetty, Mr. S. T. Binstead, Mr. S. Venkatachallam Chetty, Mr. Basheer Ahmed Sayeed, Mr. G. Rangiah Naidu, Mr. Vasudeva Pillai and Mr. H.M. Jagannatham was appointed by the Council at its meeting held on 10th September 1929 to report to the various Standing Committees and the Council from time to time on the conditions of the slums in the city.

(9) *Address of Welcome*:—

A committee consisting of Mr. Md. Ibrahim Sahib, Dewan Bahadur G. Narayanasamy Chetty, Rao Bahadur Dr. C. Natesa Mudaliar, Mr. Shaffee Muhammad, Mr. K. Sreeramulu Naidu, Rao Sahib P. Ranganatham Chetty, Khan Sahib Dr. Abdullah

Sahib Bahadur and the President was appointed by the Council at its meeting of 17th September 1929 to draft a civic address of welcome which the Council proposed to present to Ammul-Mulk Mirza M. Ismail, Dewan of Mysore on his visit to the city. The address as drafted by the committee and approved by the Council was presented to the Dewan on Wednesday the 25th September 1929 in a casket prepared for the purpose.

(10) *Address of Welcome:—*

A committee consisting of Mr. F.E. James, Mr. S.T. Binstead Mr. V. G. Vasudeva Pillai, Mr. V. Chakkarai Chetty, Mr. K. Venkatasamy Naidu, Mr. T. S. Natarajam Pillai, Khan Sahib Dr. Abdullah Sahib Bahadur, Dewan Bahadur G. Narayanasamy Chetty and the President was appointed by the Council at its meeting of 17th September 1929 to draft addresses of welcome which the Council proposed to present to H. E. The Viceroy and H.E. Sir George Frederic Stanley the Governor designate on their arrival in the city. The addresses of welcome as drafted by the committee were approved by the Council on 1st October 1929 and were presented to H.E. The Governor and to H.E. The Viceroy and Governor-General of India on 29th November 1929 and 12th December 1929 respectively in caskets specially prepared for the purpose.

(11) *Committee to report on the question of maintaining a separate account for the Town Planning Scheme:—*

The Council at its meeting held on 16—4—29 approved the revised form of accounts providing for a separate account for Town Planning Scheme. The Government in Memorandum dated 25th May 1929 requested that a copy of the regulation framed by the Corporation under rule 25 of Schedule V of the City Municipal Act 1919 in the matter be submitted to them for their approval. A committee consisting of Major Stallard, Rao Bahadur P. T. Kumaraswami Chetty, Mr. R. Madanagopal Naidu, Mr. T. P. Meenakshisundram Pillai, Mr. N. S. Ramaswami Iyer, Mr. S. Satyamurthi and Mr. V. Chakkarai Chetty and the President was appointed by the Council at its meeting of 17th September 1929 for looking into the matter and for negotiating with the Government and if possible recommending the separation of the Town Planning fund from the next financial year. The report of the committee was considered

by the Council on 4th March 1930 when the following resolution was passed:—

"Resolved that the accounts of the Corporation be maintained retrospectively from the commencement of the Mambalam Scheme in forms duly revised so as to show the transactions under the Town Planning Act separately provided Government agree to allow the Council to reimburse itself from the Mambalam Funds the amount spent from General Revenues (3.84 lakhs) in the course of the next three years as otherwise it will disturb the financial equilibrium seriously."

The resolution was duly communicated to Government.

(12) *Civic Library Committee:—*

A committee consisting of Mr. S. Venkatachallam Chetty, Mr. S. Satyamurthi, Mr. F.E. James, Mr. V. Chakkarai Chetty and the President was appointed by the Council at its meeting held on 1st October 1929 to make definite recommendation for the opening of a civic library in the Ripon Buildings open to the public, for which a donation of Rs. 5,000 was offered by a citizen of Madras and accepted by the Council. The report of the Committee is awaited. The Council agreed to the erection of a block to the south of the Ripon Buildings for which plans and estimates of cost have been called for from the Engineer.

(13) *Law College Pumping Station Accident Committee:—*

With reference to Government memorandum No. 46420-1 dated 27th November 1928 forwarding copies of the report of the Sanitary Engineer and of the Director of Public Health on the fatal accident at the Law College Pumping Station, a committee consisting of Dr. B.S. Mallya, the President, Mr. A.A. Hayles, Mr. S. Venkatachallam Chetty, Mr. V. Chakkarai Chetty, Rao Bahadur P.T. Kumaraswami Chetty, Rao Bahadur Dr. C. Natesa Mudaliar, Mr. S.T. Binstead and Mr. S. Satyamurthi was appointed by the Council at its meeting of 12th October 1929 to consider the report and make definite recommendations to the Council. The report of the committee is pending consideration by the Council.

(14) *Chulai Maternity Home Committee:—*

The Council at its meeting held on 17th December 1929 accepted with thanks the offer of Rs. 40,000 from Mr. T. P. Ramaswami Pillai for the founding of a maternity home in the Chulai and

Perambur areas and appointed a committee consisting of Rao Bahadur Dr. C. Natesa Mudaliar, Dr. Abdullah Sahib and Dr. Nyamathullah Sahib, Mrs. M. Hannen Angelo, Mr. S. Satyamurthi, Rao Bahadur Dr. A. Lakshmanaswami Mudaliar, the Surgeon-General with the Government of Madras and Dr. B. S. Mallya to consider the question of starting the maternity home or hospital and submit a report to the Council. The report of the committee is awaited.

(15) *Committee to consider the resolutions given notice of by Councillors on the Audit Report for* 1926—27 and 1927—28:—

A committee consisting of the President, Mr. S. Satyamurthi, Mr. N. S. Ramaswami Iyer, Mr. T. P. Meenakshisundram and Mr. T.R. Kothandarama Mudaliar, was appointed by the Council at its meeting held on 11—2—30 to consider the resolutions moved by Councillors on the audit reports for 1926—27 and 1927—28 and to submit a report. The report of the committee is awaited.

(16) *Committee to consider the question of the closure of the burning ghats in Demellows Road, Chulai*:—

An *ad hoc* committee consisting of the President, the Kumararaja of Chettynad, Mr. R. Dann and Mr. T.P. Meenakshisundram was appointed by the Council at its meeting held on 21st February 1930 to consider the question of the closure of the burning ghats in DeMellows Road, Chulai and to make definite recommendations to the Council. The report of the committee is awaited.

(17) *Committee to consider grades of pay and allowances*:—

A committee consisting of the President, Mr. S. Satyamurthi, Dewan Bahadur G. Narayanasamy Chetty, Mr. J.L. Chapman, Mr. N. S. Ramaswami Iyer, Mr. T. R. Kothandarama Mudaliar, Mr. T. P. Meenakshisundram and the Commissioner was appointed by the Council at its meeting of 25th March 1930 to consider the grades and allowances of the Corporation employees and to report on the question. The report of the committee is awaited.

IMPORTANT RESOLUTIONS OF THE COUNCIL.

6. (1) *Relief of congestion*:—

The Council at its meeting of 16th April 1929 passed the following resolution.—

"This Council recommends to the Government that with a view to relieve congestion in the locality, the Flower Bazaar Police Station be removed to the Ordance Lines or any other place."

The resolution was duly communicated to Government and their orders are awaited.

(2) *Service*:—

The Council at its meeting held on 16th April 1929 approved the recommendation of the S.C. (T & F) that the absence of workmen employed in the Corporation workshop up to one month in a year on account of slackness of work be treated as break of service not entailing forfeiture of past service.

(3) *Service*:—

The Council at its meeting held on 4th June 1929 approved the recommendation of the S.C. (T & F) that all employees of this Corporation who are required to produce age and health certificates for employment in the Corporation, if they were rejected by the Commissioned Medical Officers, should be permitted to appear before the Medical Board if so desired. The Government having approved the proposal in G.O.No. 3999 L & M, dated 15th August 1929, the Council at its meeting held on 19th November 1929 approved the following revised regulation as required by Government:—

"A Corporation servant will be allowed an appeal to the Medical Board against a Medical Officer's certificate at the request of the Commissioner and with the approval of the Surgeon-General. No fee will be charged for the examination of a person by the Medical Board on such appeal."

(4) *Education*:—

The Councl at its meeting of 21st May 1929 approved the proposal for the opening of a Muslim Boys' school in the 10th division with the usual staff. The school was opened during the year under report. The Council also sanctioned the opening of seven Muslim Girls schools with the required establishment. Five schools were opened in localities mentioned below during the year under report:—

1. Rayapuram, (2) Angappa Naick street, (3) Periamet, (4) Pudupet, (5) Thousand Lights.

Steps have been taken to open the remaining two schools in (1) Washermanpet (2) Tiruvatteswaranpet. The proposal to open a boys school at Chucklipalayam, Perambur, which was sanctioned by the Council was not however given effect to during the year under report.

(5) *Education—Secondary Schools—Rules*:—

The Council at its meeting held on 24—9—29 approved the adoption of the following rules:—

1. An admission fee of As. 4 shall be collected from all pupils who are newly admitted save those coming from Corporation schools.

2. A fine of half an anna per rupee shall be collected on every rupee of fees due or the fraction thereof after the 15th of next working day, if 15th happens to be a holiday, to the end of the month for which fees are due, and if not paid by the end of the month the name of the pupil shall be struck off the rolls and the fine shall be collected at double the rate at the time it is paid and the name of the pupil re-entered.

The rules were given effect to during the year under report.

(6) *Education*:—

The Council at its meeting of 1st October 1929 approved the proposal to open a school in Mambalam with the usual staff. The school was opened during the year under report.

(7) *Park*.—

The Council at its meeting held on 16th July 1929 passed the following resolution:—

"No name of any Councillor of the Corporation or any officer of the Corporation can be suggested for being associated with the naming of a road, street, lane, park, lawn, building &c."

(8) *Park*:—

The Council at its meeting of 1st October 1929 passed the following resolution:—

"The Council resolves that the open land in Mangammal lane, 10th division, opposite to premises No. 10|4 be acquired by the Corporation in order to open a small park to serve as a recreation ground to the people of the locality the cost of which will not exceed Rs. 200 and the Commissioner be authorised to meet the expenditure of this acquisition from any item in the budget from which surplus may be found.

Steps have been taken to acquire the land, the amount required therefor having been sanctioned by the Council as a supplemental grant.

(9) *Park*:—

The Council at its meeting of 19th November 1929 passed the following resolution:—

"This Council resolves that the open site opposite to Peria Palayathamman Koil Street, 4th division, be converted into a park".

Steps have been taken to give effect to the resolution.

(10) *Dispensaries*:—

The Council at its meeting held on 4th June 1929 approved the proposal to open in the city three dispensaries for the three different systems of treatment, i.e. (1) Unani, (2) Ayurvedic and (3) Sidda· The dispensaries were not opened during the year under report for want of funds.

(11) *Child Welfare Centre*.—

The Council at its meeting dated 27th August 1929 resolved that in case the present Child Welfare centre in the 17th division is removed to another division there should be another Child Welfare centre opened in the said division and that necessary provision be made in the next year's budget. Steps have been taken to open a separate Child Welfare centre for the 17th division during 1930—31.

(12) *Dispensary*:—

The following resolution was passed by the Council at its meeting dated 4th March 1930:—

"That this Council resolves to open a Child Welfare centre and a dispensary at Mambalam for the convenience of the residents of the locality and that the Commissioner be requested to make necessary arrangements for the opening of the same from April 1930".

Steps are being taken to give effect to the resolution.

(13) *Rules:—*

In G. O. No. 1356 L & M. dated 23—3—28 the Government forwarded for the opinion of the Council a copy of the draft rules regarding registration of births and deaths in the city made by them under scetions 327 and 347 (2) (a) of the Madras City Municipal Act 1919. The rules were approved by the Council on 4—6—29 with slight alterations and finally confirmed by Government in G. O. No. 5714 L & M dated 14th December 1929.

(14) *Rules:—*

The Council at its meetings held on 21st May and 17th September 1929 approved the revised rules to regulate the grant of compassionate gratuity to the heirs of the deceased employees of the Corporation and bonus to labourers on retirement.

(15) *Regulations:—*

The Council at its meeting held on 17th September 1929 approved the following regulations under Section 20 (1) of the Madras City Municipal Act 1919 empowering the Standing Committees to write off the value of articles lost by theft or accident:—

1. The Commissioner shall investigate every case of loss of Corporation property by theft, accident, wear and tear or other causes and on being satisfied that such loss is not due to neglect or mistake on the part of his subordinates, he shall report each case to the Standing Committee concerned for their consideration.

2. The respective Standing Committees may recommend to the Standing Committee (Taxation and Finance) to write off such losses after having obtained from the Commissioner such further detailed information, if any, as they may think fit to require.

3. The Standing Committee (T & F) may, if necessary, refer the subject back to the Standing Committee concerned for further consideration in the light of any fresh information that may be called for or write off under Section 20 (2) (d) of the Act the value of such loss.

(16) *Elections—Rules*:—

The Council at its meeting held on 1st October 1929 passed the following resolution.—

"This Council recommends to the Government that the following by-law be added on to the existing election rules 'that a candidate competing for any municipal seat shall deposit a sum of Rs. 250 along with his or her nomination paper and that he or she shall forfeit the same if he or she fails to obtain one eighth of the total number of votes polled".

The resolution was duly communicated to Government.

(17) *Rules*:—

The Council at its meeting of 18th March 1930 approved the revised rules governing the assessment of contributions to dispensaries and other institutions as recommended by the Standing Committee (Health). The rules were given effect to during the year under report.

(18) *Rules*:—

The Council at its meeting held on 28th January 1930 approved the following rules for regulating the grant of contributions to reading rooms:—

1. (a) Reading rooms must have been in existence for at least one year before the date of application.

(b) Should submit their annual report along with the application.

(c) Should be subscribing in their own name for at least one English and one vernacular daily at the time of application.

(d) Should guarantee the purchase of one more English daily and one more vernacular daily in addition, on payment of contribution.

(e) Should maintain proper accounts and submit them, together with vouchers for payment of subscription, for examination by the Educational Officer or Chairman of the S. C. (E) when so required.

2. The contribution for each reading room should be 50 per cent. of the expenditure incurred by the owner of the R.R. and in any case not exceeding Rs. 10 per mensem.

3. Contributions once granted may be subsequently revoked, if in the opinion of the Council such contribution should no longer be continued.

4. Ordinarily not more than two reading rooms in each division should be so helped by the Corporation but the number may be increased with the sanction of the Standing Committee (Edu.).

The rules were given effect to during the year under report.

(19) *Model Dwellings in Parthasarathy Kuppam*:—

The Council at its meeting held on 24th September 1929 passed the following resolution:—

"That steps be taken to acquire the Parthasarathy Kuppam in the 26th Division, from the Sree Parthasarathy Temple Trustees and that model dwellings be built there for the middle class and the poor and that the financial and other implications of the proposal be examnied by the Town Planning Committee and the Standing Committee (Works) and (T & F) and the same be placed before the Council in time for consideration in connection with the next year's budget."

The proposal is pending consideration by the Town Planning Committee.

(20) *Sanitation*:—

The Council at its meeting held on 27th August 1929 passed the following resolution:—

"In view of the injurious effect on health of vegetables kept for sale near the drains and cesspools in almost all the divisions of the city and in view of the obstruction to traffic caused thereby this Council recommends that small houses be either purchased or rented and utilised as markets in these localities where foodstuffs are so exposed for sale at present."

The resolution could not be given effect to for want of funds and for the reason that small houses were not available for rent or purchase.

(21) *Sanitation*:—

The Council at its meeting of 24th September 1929 approved the proposal to clean the Chitrakulam Tank, Mylapore, which had been rendered insanitary by the Corporation allowing the storm water of the road into it and also sanctioned the incurring of an expenditure of Rs. 2,300 from Corporation funds to put the work in hand subject to the condition that immediate steps should be taken to divert the storm water flowing into the tank. Steps have been taken to give effect to the resolution.

(22) *Water*:—

In G. O. No. 709 P. H. dated 15—3—29 Government forwarded a copy of the third report on the experiments conducted at the Government experimental Filtration Station, Kilpauk, and requested the view of the Corporation on the recommendations in paras with slow sand filters preceded by an acration system of percolating 34 to 42 of the report regarding the system of treatment of water filters estimated to cost Rs. 5 lakhs. The Council at its meeting of 1st October 1929 approved the scheme and resolved that Government be approched for a half grant. Government have been addressed in the matter and their orders are awaited.

(23) *Water*:—

With reference to Government Memorandum No. 4980-1 L&M, dated 6th February 1930, the Council at its meting held on 18th February 1930 agreed to the proposals of Government for ensuring a greater storage of water in the Red Hills tank and agreed to bear its share of the cost amounting to Rs. 36,000. The resolution was duly communicated to Government.

(24) *Housing Scheme*:—

The Council at its meeting of 15th October 1929 approved the scheme for the construction of tenements in the Perambur Barracks road site & Bogipalayam cattle market site estimated to cost Rs.2,51,000

for housing the occupants of Bogipalayam. The Government to whom detailed plans and estimates therefor were submitted agreed to make a grant of the said amount to cover the entire cost of the scheme treating the scheme as an experiment which may guide this Corporation in tackling the general problem and may serve as a model to the other local bodies.

In G. O. No. 468 L&M. dated 6th Feburary 1930 they sanctioned a grant of Rs. 2,51,000 to cover the cost of this experimental housing scheme and informed the Corporation that the grant would be disbursed on the post payment system. Steps have been taken to put the work in hand.

(25) *Overbridges*:—

The Council at its meeting held on 5th March 1929 passed the following resolution:—

"This Council resolves to accept the plans proposed for the construction of overbridges at Whannel's road, Body Guard Road and Broadway for the diversion of traffic which now passes through these level crossings, provided that no portion of the capital cost required therefor is met by the Corporation."

(2) "That the Railway Company undertakes maintenance of the structures of these bridges and their approaches within the limits of the property of the Railway and the Corporation is liable to maintain only the roadways of the said bridges and the approaches to such roadways. The Corporation does not insist on the maintenance of the level crossings at these places".

The Government in memorandum No. 4369-1 L & M, dated 5th November 1929 reconsidered the question of the incidence of the expenditure involved and stated that they would be prepared as a special case to take over the liability of this Corporation themselves on the definite assurance of this Corporation that it would not in any way interfere with the construction of overbridges and that it would provide all necessary facilities in the way of diversion of traffic or of tramway lines. The proposal of Government was approved by the Council at its meeting of 15th November 1929 and the Government was informed accordingly.

(26) *By-laws*:—

The following revised draft by-law to replace by-law No. 12 of the existing timber by-laws was approved by the Council at its meeting of 19th November 1929:—

"The officer granting such certificate shall send addressed to the Commissioner the original of such certificate within 30 days after the export of the consignment or immediately after the settlement of dispute if there is any, retaining the duplicate with him."

The revised by-law was published in the manner required in Section 353 of the Madras City Municipal Act 1919 and finally confirmed by the Council at its meeting of 1st April 1930. It has been submitted to Government for their sanction under Section 352 of the said Act and their orders are awaited.

(27) *By-laws*:—

Draft by-laws under Section 349 of the Madras City Municipal Act 1919 providing for the construction and cleansing of cesspools, etc., were approved by the Council at its meeting of 3rd December 1929. They were published in the manner prescribed and as no suggestions or representations were received in respect of these by-laws they have been placed before the Council for confirmation.

(28) *By-laws*:—

The Council at its meeting of 18th March 1930 approved draft by-laws under Section 349 (22) and (25) of the Act for the prevention and control of the spread of infection by public conveyance. The by-laws were published in the manner prescribed and as no objections or suggestions were received in respect of these by-laws they have been placed before the Council for confirmation.

(29) *Research Laboratory buildings, Harris Road*:—

The Council at its meeting held on 10th January 1930 passed the following resolution:—

"That immediate steps be taken to prevent lodging of tubercular patients in the Research Laboratory buildings Harris Road, Pudupet, as it is dangerous to the health of the residents of the locality".

The Commissioner having no power under the provisions of the Madras City Municipal Act 1919 to give effect to the resolution, the resolution was duly communicated to Government.

(30) *Flush-out latrines:—*

The Council at its meeting held on 11th February 1930 while discussing the Administration Report for 1928—29 passed the following resolutions:—

(1) "This Council resolves that steps do continue to be taken as rapidly as possible for hastening the introduction of flush-out latrines in all dwelling houses."

(2) "This Council regrets that the supply of mid-day meals to poor school children in Corporation Schools have been stopped and resolves that they may be arranged for from the next financial year."

Steps are being taken to give effect to the resolutions.

(31) *Electrification of the Madras Suburban service. Construction of an overbridge near the Penitentiary by the South Indian Railway:—*

With reference to Government Memorandum No. 55945-1 L & M, dated 19th November 1929, the Council at its meeting held on 18—2—30 approved the following recommendation of the Standing Committee (Works):—

"The new proposal that the traffic should be diverted on a dam over the northern arm of the Cooum, instead of on a new bridge as originally determined, may be accepted, provided the following conditions are satisfied:—

1. The P. W. D. should guarantee against the flooding of Chintadripet by means of pipe culverts in the dam or by such other means as may be found necessary or adequate.

2. The dam may be regarded as an experimental measure till 31st March 1931.

3. The P.W.D. should report at the end of the year as to whether these arrangements are working satisfactorily.

4. The Corporation should have the right in case of an emergency of which the Corporation shall be the sole judge to remove the dam, the cost of removal being met by the Railway and the P.W.D.

5. The Corporation will not be liable to any expenditure in connection with the road lighting, tarring &c. The cost of maintenance should be borne by the Railway & the P.W.D. The breadth of the dam should not be less than 40 ft. and should be railed on both sides.

The resolutions were duly communicated to Government.

(32) *Construction of waiting sheds for the public travelling in buses:—*

The Council at its meeting held on 21st May 1929 resolved that waiting sheds be constructed at important places where buses stop for the benefit of the public travelling in buses and that one or more flushout latrines be constructed at bus stands.

The resolution was not given effect to during the year under report for want of funds.

(33) *Construction of Karumandram shed for the residents of Krishnampet:—*

The Council resolved that a plot of Corporation land in Lloyds Road be set apart for a Karamandrum shed for the benefit of the residents of Krishnampet and sanctioned a sum of Rs. 500 therefor. Steps have been taken to give effect to the resolution. Quotations for putting the work on hand have also been called for.

(34) *Water Supply:—*

The Council at its meeting held on 21st May 1929 resolved that the pressure of water between 6 and 9 a.m. and 5 and 7 p.m. be maintained at the highest rate so as to facilitate sufficient supply of water. The resolution was given effect to during the year under report.

(35) *Tarring of lanes:—*

The Council at its meeting held on 19—11—1929 passed the following resolution:—

"This Council resolves that small lanes which are too narrow to allow steam oller to pass through, be tarred and the Engineer be asked to submit in consultation with respective divisional Councillors a list of such lanes in the city at the next meeting of the Council."

Steps have been taken to give effect to the resolution.

(36) *Port Trust Extension:—*

At its meeting held on 17th December 1929, the Council passed the following resolution:—

"That the Council views with alarm the assurance of H.E. the Viceroy to the deputation of the Madras Chamber of Commerce, in his reply to their address on the 12th instant, viz.: 'that application for land for further schemes of development (for the Madras Port Trust) will receive the careful consideration of the Government of India' and earnestly trusts that at least no further inroads will be permitted on the foreshore of the sea, as such inroads are likely to injuriously and seriously affect the health of the inhabitants of Madras, and especially of George Town."

The resolution was duly communicated to Government.

(37) *Training of hereditary midwives of the Maruthuvar community on payment of stipends:—*

The Council at its meeting held on 19—11—1929 passed the following resolution:—

"Resolved that in as much as the hereditary midwives are more popular and numerous and in as much as such midwives are in charge of children from birth for more than two years, in that they give those children baths and administer medicines and attend to all their infantile diseases, the Corporation of Madras do undertake to train up in maternity in recognised hospitals at least 30 young ladies of the Maruthuvar community every year offering a stipend of Rs. 10 for each per mensem and giving instructions in the vernaculars as such additional practical training to such hereditary midwives will ultimately reduce the cost of Child Welfare Schemes".

REVENUE ADMINISTRATION.

FINANCE.

CAPITAL ACCOUNT.

7. (1) The year opened with a balance of Rs. 3,97,699-6-6 made up of

(a) Rs. 1,474 for the construction of the Infectious Diseases Hospital at Tondiarpet ;

(b) Rs. 463 for the improvements to the Evening Bazaars at the Moore Market ;

(c) Rs. 9,922-1-0 for the construction of houses for labourers

(d) Rs. 2,37,154-1-4 for the Mambalam Scheme ;

(e) Rs. 1,48,446-3-4 for the improvement of water supply and drainage and

(f) Rs. 240-0-10 for the extension of electric lighting.

During the year, a sum of Rs. 86,159-3-2 was realised by sale of lands in Mambalam and Rs. 9,647-13-0 as interest on investment of surplus amounts. The Corporation received from Government during the year, a free grant of Rs. 3,00,000 and a loan of Rs. 8,00,000 for the improvement of water supply and drainage. A loan of Rs. 8,50,000 was also received from Government for the following works :—

		Rs.
i.	Mambalam Scheme ...	2,00,000
ii.	Construction of school buildings ...	1,50,000
iii.	General purposes ...	5,00,000

A sum of Rs. 2,53,237-2-6 was transferred from the Revenue Account for the execution of Capital Works. The total receipts inclusive of the opening balance amounted to Rs. 25,46,743-9-2. The expenditure from loan funds amounted to Rs. 11,79,158-4-6 and that from Revenue Funds to Rs. 2,37,705-9-6. The amount spent on Mambalam Scheme was Rs. 4,72,588-14-8 and that on other Capital Works from the general account was Rs. 2,16,519-6-6. On new water supply and drainage and other works from the Water supply and Drainage Accounts, the amount spent was Rs. 6,93,047-1-0. The expenditure on the extension of electric lighting from the Lighting Account was Rs. 34,708-7-10. The total expenditure thus amounted to Rs. 14,16,863-14-0 as against the budget estimate of Rs. 22,05,490. The balance left at the close of the year was Rs. 11,29,879-11-2. Of this balance, the amount relating to the General Account was

Rs. 4,13,253-13-6, that relating to the Water Supply and Drainage Account Rs. 7,01,094-4-8 and that to the Lighting Account Rs. 15,531-9-0.

ORDINARY ACCOUNT.

(2) The balance at the beginning of the year was Rs. 3,06,063-7-4 as against Rs 3,96,335-11-2 in the previous year. The revenue from all sources amounted to Rs. 57,07,168-7-9 as against Rs. 51,69,357-8-11 in the previous year. The increase was chiefly due to the enhancement of the consolidated rate of property tax by 2% during the year. The receipts under the General Account including the sum of Rs. 1,15,000 transferred from Mambalam Town Planning Fund, amounted to Rs. 34,64,149-0-11, under the Lighting Account Rs. 5,90,912-13-5 and under the Water supply and Drainage Account Rs. 17,67,106-2-9. Towards the above income, the taxation proper alone contributed Rs. 42,59,307-11-3 as against Rs. 39,70,349-14-4 in the previous year. During the year, contributions amounting to Rs. 4,14,409-13-2 (Rs. 2,40,000 for Elementary Education and Rs. 1,74,409-13-2 for Capital Works) were paid from the General Account Rs. 50,000 for Capital Works from the Lighting Account and Rs. 28,827-5-4 for Capital Works from Water Supply and Drainage Account. The total expenditure excluding the contributions referred to above amounted to Rs. 53,09,320-2-8 against an estimate of Rs. 56,40,560 and against the actuals of Rs. 49,63,672-12-2 in 1928-29. The balance left at the close of the year was Rs. 3,25,674-9-11 of which Rs. 1,98,799-12-10 relate to the General Account, Rs. 42,272-3-2 to the Lighting Account and Rs. 84,602-9-11 to the Water supply and Drainage Account.

INTEREST ON INVESTMENTS.

(3) The interest derived from investments of surplus amounts under this account amounted to Rs 3,000-0-0 as against Rs. 4,889-1-4 in 1928-29.

PROPERTY TAX.

CURRENT.

8. (i) RATE.—The Council by its resolution dated the 28th March 1929 increased the consolidated rate of property tax from 13½ per cent. to 15½ per cent. Under sub-section 2 of section 99 of the ct the percentages for the items comprised in the property tax were fixed as follows :—

(a) Water and Drainage tax 5%

(b) Lighting tax 3%

(c) Tax for General purposes 7½%

In pursuance of G. O. No. Mis. 3180 L & M dated 12th November 1924 the Mambalam area continued to receive the benefit of exemption from the water and drainage tax in full, and five-eighths of the lighting tax. The consolidated rate of the property tax for this area was therefore 8⅝% made up of 7½ % for tax for General purposes and 1⅛% for lighting tax.

The Education tax continued to be levied at 1¼ per cent. on the annual value of all buildings and lands.

(ii) REVISION OF ASSESSMENT.—General revision of assessment was made in six divisions viz., XI, XIII, XIV, XV, XXII and XXVII. The gross increase on account of such revision was Rs. 61,379-14-2. The gross increase on account of the revision of assessments and the levy of new assessments for the city as a whole was Rs. 1,39,308-5-3 as against Rs. 1,18,272-3-3 in the preceding year. But on account of the reductions made by the Commissioner and the Standing Committee (Taxation and Finance) the net increase from revision of assessment was Rs. 66,248-6-1 as against Rs. 66,431-10-1 in the preceding year.

(iii) DISPOSAL OF APPEALS AGAINST ASSESSMENT.—The number of applications made for revision of assessment was 4119 during the year as against 2946 during the preceding year. Orders were passed by the Commissioner in 3730 cases. In 1210 cases the applicants were dissatisfied with the orders and these cases were admitted for decision by the Standing Committee (Taxation and Finance).

There were 14 meetings of the Standing Committee (Taxation and Finance) to hear the appeals and decision was given in 946 cases of which 131 related to the current year and 815 to the previous years.

There was only one appeal to the Small Cause Court which was not decided before the close of the year

(iv) EXEMPTION.—In pursuance of the Council's resolution under proviso (b) to section 102 of the Act, 63 items of property were exempted from assessment on the ground of their annual value being below Rs. 36. This involved a reduction of the demand by Rs. 264-14-4 for the year.

(v) DEMAND.—The gross demand for the year amounted to Rs. 36,30,697-8-11 as against Rs. 31,12,883-2-7 in the preceding year.

The net demand after the reductions made by the Commissioner and the Standing Committee (Taxation and Finance) amounted to Rs. 35,57,637-9-9 as against Rs. 30,61,043-1-7 in the preceding year.

(vi) COLLECTION.—The net collections amounted to Rs. 30,51,038-6-5 as against Rs 27,29,704 10-10 in the preceding year.

(vii) REMISSION.—A sum of Rs. 35,163-6-5 was remitted on account of vacancy or other causes as against a sum of Rs. 32 809-5-3 in the preceding year.

(viii) BALANCE.—The balance outstanding at the close of the year was Rs. 4,71,435-12-11 as against Rs. 2,98,529-1-6 at the close of the previous year.

(ix) WARRANTS.—The number of warrants executed during the year was 49 as against 97 during the preceding year.

(x) CIVIL SUITS FOR RECOVERY OF TAX.—The number of civil suits filed for recovery of property tax (both current and arrears) was 89 during the year. Decrees were obtained in 87 cases of which 16 were those filed in the year 1928-29. The amount of those decrees is 10,428-0-6. Necessary steps are being taken for executing all the decrees which still remain undischarged.

(xi) PERCENTAGE OF COLLECTION.—After allowing for a sum of Rs. 27,651-5-8 for revision of assessment during the last month of the financial year and difference between the old and the enhanced assessments in the appeal cases pending at the close of the year and after allowing also for a sum of Rs. 7,070-9-3 covered by the civil suit cases, the percentage of collection on the actual demand is 88·2 as against 91·4 in the preceding year.

(xii) INCIDENCE OF TAXATION.—The incidence of taxation per head of population was Rs. 6-11-8 as against Rs. 5-12-7 in the previous year.

Note.—The total current demand collection and balance under the combined property tax and education tax as compared with the corresponding figures for the two previous years is shown in Appendix I Table No. 1.

ARREAR.

(i) DEMAND.—The year opened with an outstanding demand of Rs. 5,65,769-0-3 which as a result of subsequent amendments rose to Rs. 5,89,424-2-1.

(ii) COLLECTION.—The amount collected during the year was Rs. 2,69,297-9-5.

(iii) REMISSION.—A sum of Rs. 1,467-11-8 was remitted on account of vacancy and other causes.

(iv) BALANCE.—The balance at the end of the year was Rs. 3,18,658-13-0.

(v) PERCENTAGE OF COLLECTION.—After taking credit for a sum of Rs. 28,550-9-6 covered by the decrees in civil suit the percentage of collection to demand is 51·1 as against 64·34 in the previous year. The arrears consists of a very large number of small items due by poor rate payers who are practically indigent. These amounts cannot be collected by distraint and attachment. Although civil suits may be the ultimate remedy in most of the cases, strenuous attempts are being made to recover items of small sums due from the poorer class of people by persuasive means without recourse to suits.

Note.—The total demand collection and balance under arrears as compared with the corresponding figures for the two previous years is shown in Appendix I, Table No. 2.

The details relating to each item of the combined property tax dealt with above viz., water and drainage tax, lighting tax, tax for general purposes and the education tax are shown in Appendix I statements III A and III B. A comparative statement of the arrears of property tax as they stood on 1st April 1929 and 1st April 1930 is appended as an enclosure to Statement III B (Appendix I Table No. 3). The percentage of collection to demand under arrear and current from the year 1919 is given in the statement (Appendix I Table No. 4).

GENERAL REMARKS.

The increase in the rate of tax by 2 per cent. rendered the task of collection more difficult. The higher amounts shown in the bills were mistaken by many as due to enhancement of the annual valuation. A large number of letters were received objecting to the increase of assessment and replies to these letters entailed a heavy strain on the House Tax Section of the Revenue Department. In spite of the

replies the tax-payers were in no mood to make prompt payment, and the out door staff employed in collection work found it difficult to convince the rate-payers of the necessity of payment.

Further the wealthy portion of the city comprising divisions XI, XIV and XV underwent general revision and as usual, the number of appeals was very large. The disposal of these naturally took time. The rate-payers found a ready excuse in these appeals for delaying payment. The difficulty of collection was experienced not in the case of the poorer class of people. The large number of dishonoured cheques issued by respectable merchants and firms at the end of the year and the indifference displayed by some of the well-to-do middle class people to the execution of distress warrants go to prove how the paying capacity of the rate-payers has fallen. Trade suffered a great deal owing to stringent money market and also to the disturbed and political conditions of the country. The depression was not local but common to many District Municipalities. Merchants dealing in piece goods, jute, yarn, skins and hides, suffered considerable losses. This depression in trade has been referred to in the annual deliberations of the South Indian Chamber of Commerce. In spite of the early issue of bills both during the 1st and 2nd half-years of the year—earlier than at any period during the previous years--and in spite of the stringent measures adopted for collection there has been a fall in the percentage due to the causes recited above.

TAX ON ARTS AND COMPANIES.

A. TAX ON COMPANIES.

9. (a) CURRENT.—The companies tax was levied during the year at the rates prescribed in Schedule IV to the Madras City Municipal Act IV of 1919. The gross current demand under this head was Rs. 1,82,345-0-0 as against Rs. 1,68,280-0-0 in 1928-29 showing an increase of Rs. 14,065-0-0. A sum of Rs. 2,420-0-0 was remitted on appeal and the collections for the year amounted to Rs.1,76,935-0-0. The balance left uncollected at the close of the year was Rs. 2,990-0-0 as against Rs. 2,925-0-0 in the preceding year. The percentage of collection to the net demand is 98·3 as against 98·2 in the previous year.

(b) ARREARS.—The balance of Rs. 8,210 left uncollected at the end of the preceding year rose to Rs.11,465 on account of supplemental assessments. This gross demand was subsequently reduced to

Rs. 9,525 on appeal. The collection during the year was Rs. 5,790 and the percentage of collection to net demand is 60·3 as against 51·8 in the previous year.

B. TAX ON ARTS.

(a) CURRENT.—The profession tax was levied during the year at 25 per cent. over and above the minimum rates prescribed in Schedule IV to the Madras City Muncipal Act IV of 1919 under the resolution of the Council dated 28th March 1929. The gross current demand was Rs. 3,99,815-4-0 as against Rs. 3,15,743-0-0 showing an increase of Rs. 84,072-4-0. This gross demand was subsequently reduced to Rs. 3,77,066-7-0. The collection under this head was Rs. 3,30,339-12-0 and the balance left uncollected at the end of the year was Rs. 46,726-11-0. The percentage of collection to net demand is 87·5 as against 91·1 in the previous year.

(b) ARREAR.—The arrear demand which stood at Rs. 39,458-6-4 rose to Rs. 44,437-8-4 on account of supplemental assessment and was subsequently reduced to Rs. 41,542-10-0 by remissions and reductions on appeals. A sum of Rs. 24,127-11-0 was realized during the year and the balance left uncollected amounted to Rs. 16,664-5-0. The percentage of collection to net demand is 58·0 as against 61·3 in the preceding year. A sum of Rs. 750-10-0 was written off as irrecoverable.

C. GENERAL.

There is a fall in collections under Tax on Arts. This is primarily due to the general slump in trade and the continued financial depression in the city during the year under report. Towards the end of the year some of the tax collectors who were collecting profession tax alone fell ill and work was to some extent disturbed.

Of the number of objections received against the proposed assessments, 111 cases went up to the Standing Committee (Taxation and Finance) as against 168 in the previous year. 95 cases were decided by them, and 16 stand adjourned sine die. Of the four cases in which appeals were preferred to the Chief Judge of the Court of Small Causes Madras, against the decision of the Standing Committee, three related to Co-operative Societies who claim to be assessed to companies tax under Section 110 of the Madras City Municipal Act IV of 1919 instead of profession tax now levied under Section 111 of the above

Act. These cases are not yet disposed of. The fourth suit relating to an Insurance Company was compromised with the sanction of the Standing Committee and the suit withdrawn.

TAX ON CARRIAGES AND ANIMALS.

CURRENT.

10 (1) The net demand under this tax amounted to Rs.3,15,433-8-0 against Rs. 3,06,773 in the preceding year. Appendix I Table 5 compares the number of vehicles and animals assessed during the year under several classes of Schedule IV, Part III of the Act with the corresponding figures of the previous year. Besides, column 6 of the table shows the number of free licenses issued during the year under Sections 118 (a), (b), (f), (g) and (h).

The current collections amounted to Rs. 2,57,247-8-0 which included Rs. 23,074-8-0 received in advance for the following year The net collections of the year amounted to Rs. 2,34,173-8-0 which with Rs. 23,878-0-0 prepaid in the previous year for the year under report, amounted to Rs. 2,58,051-0-0 against an estimate of Rs. 2,80,000-0-0. The percentage of collections to demand for the year was 81·80 against 81·34 in the previous year. At the close of the year there was a balance of Rs. 57,282-8-0 of which a sum of Rs. 11,192-8-0 has since been collected and demands to the extent of Rs. 2,143-0-0 have been cancelled.

ARREAR.

(ii) The arrear demand at the beginning of the year for Vehicle and Animal Tax was Rs. 1,51,482-12-2 which by subsequent amendments and additions rose to Rs. 1,64,777-4-2. Of this, assessment amounting to Rs. 52,784-8-0 were found on investigation to be erroneous and were cancelled. Thus the net demand was Rs. 1,11,992-12-2 and of this Rs. 15,756-13-5 were collected and Rs. 1,233 were written off as irrecoverable leaving a balance of Rs. 95,002-14-9 at the close of the year. The percentage of collection to demand was 14·07 against 17·96 in the previous year.

TAX ON CARTS AND OTHER VEHICLES WITHOUT SPRINGS.

CURRENT.

11 (i) The demand under this tax amounted to Rs. 45,220-0-0 against Rs. 45,196-0-0 in the previous year.

The number of carts voluntarily offered for registration was 10298 against '9496 in the previous year and the number seized under Section 127 of the Act for non-registration rose from 1779 to 1925. Of this 1925 carts seized for non-registration 1889 carts were released on payment while 36 carts remained unredeemed.

The current collections inclusive of Rs. 1,756 received in advance amounted to Rs. 45,568. The net collections excluding the advance payment were Rs. 43,812 which with Rs. 1,264 collected in the previous year towards the demand of the year under review amounted to Rs. 45,076 against Rs. 45,152 in the previous year. There was a balance of Rs. 144 which represents the tax on 36 carts that remained unredeemed in the godown at the close of the year.

ARREAR.

(ii) The demand at the beginning of the year was Rs. 184-13-9 which by subsequent amendments and additions rose to Rs. 228-13-9. Of this Rs. 64-0-0 were realised leaving a balance of Rs. 164-13-9 for further action.

TAX ON TIMBER.

I. CURRENT.

12. A. COLLECTION.—The gross collections under this head amounted to Rs. 1,72,144-10-0 (Appendix I, Statements III A & B). This amount includes a sum of Rs. 2,241-8-5 relating to the previous year remitted by the collecting agencies during the year under report and excludes a sum of annas 10 collected in excess and a sum of Re. 0-5-5 remitted in excess and a sum of Rs. 1,660-8-5 collected by the collecting agencies during the end of the year but not remitted to this office till after the close of the year. The gross collections for the year 1928-29 amounted to Rs. 1,50,179-13-1.

The total collections in respect of imports made during the year amounted to Rs. 1,71,563-10-0 against Rs. 1,50,342-12-0 of the previous year and this appreciable rise is due to increased imports.

Remittances by the collecting agencies continued to be satisfactory. The percentage of remittance to demand rose from 98·51 to 99·03.

B. REFUNDS.—Refund of tax on exports granted during the year amounted to Rs, 13,250-4-0 against Rs. 14,726-4-0 in the previous year. The net collections for the year stood at Rs. 1,58,894-6-0 against Rs. 1,35,449-12-2 the actuals of the previous year.

In addition to the refund of Rs. 13,250-4-0 paid from current collections on account of timber exported from imports made during

the year, a sum of Rs. 22,849-12 6 was refunded from the collections of the previous years under the head "Refund of other than the current collections." This amount includes the sum of Rs. 3,254-0-6 paid to Messrs. Ewing & Co., as per decree of the High Court (Appellate) in O.S.A. 80 of 28.

II. ARREAR.

COLLECTION.—At the commencement of the year a sum of Rs.2,239-0-11 stood as arrear demand and in the course of the year by subsequent amendments and additions during the year it was raised to Rs. 2,243-4-11. Out of this amount a sum of Rs. 2,241-8-5 was remitted by the collecting agencies. The percentage of remittance to demand was 99·92 as against 100 of the last year and this slight fall is due to one of the collecting agencies not having made good the short remittances made on different occasions.

III. GENERAL.

(a) BYE-LAWS.—During the year under report Rule 12 of the Timber Bye-Laws was amended to extend the time for the submission of export certificates by the Port Trust from 48 hours to 1 month.

The two appeal cases pending in the High Court were decided against the Corporation.

(b) INSPECTIONS.—Surprise inspections were made by both the Revenue Officer and the Asst. Revenue Officer and they acted as a powerful check not only over the Assessor's work but also over the work of the Toll Clerks.

In respect of exports by toll-gates, refunds were made after a careful examination of both the consignors' and consignees' account books.

TOLLS ON VEHICLES AND ANIMALS ENTERING THE MUNICIPAL LIMITS.

13. The right of collecting tolls was sold by public auction for Rs. 96,100 as against Rs. 85,000 in the previous year. This is the highest amount realised during the past 26 years and the increase is due partly to the wide publicity given before the date of auction and the steps taken to prevent combination among the bidders. The whole amount was collected within the year. A sum of Rs 5,744-0-0 and Rs. 9,025-0-0 in all Rs. 14,769 was paid to the Saidapet Municipality, under G.O. No. 724 L. & M., dated 22nd March 1923 and under G. O. No. 2582 Mis., dated 1st June 1929 respectively.

The arrears of Rs. 828-9-0 for 1928-29 was collected during the year.

DUTY ON TRANSFERS OF PROPERTY.

CURRENT.

14. (ii) Under Section 98 of the Act the duty on transfers of properties continued to be levied at $1\frac{1}{2}\%$ as sanctioned by the Government (vide G.O. No. 551 M dated 24-4-20 and G. O. No. 4081 L & M Press dated 21-9-26)

(2) (ii) The gross collection for the 3 quarters ended 30-6-29, 30-9-29 and 31-12-29 amounted to Rs. 1,14,822-6-0. From this amount a sum of Rs. 2,870-9-0 calculated at $2\frac{1}{2}$ per cent. of the collection was allowed to be deducted for being credited to Government on account of the collection of the duty as per G.O. No. 272 L & M. Press dated 9-2-22. The net collections therefore amounted to Rs. 1,00,951-13-0.

ARREAR.

The gross collections for the quarter ending 31-3-29 amounted to Rs. 35,803-2-0. After deducting Rs. 895-1-0 from that amount for being credited to Government on account of the collection of the duty a sum of Rs. 34,908-1-0 was recovered as arrears.

ENTERTAINMENTS TAX.

15. The Entertainments Tax under Section 3 of the Madras Local Authorities Entertainments Tax Act V of 1927 was levied during the year 1929-30 at the maximum rates in Section 3 (3) on all payments of or above six annas for admission to any theatre, cinema, circus or exhibition and at 25 per cent of the payments above four annas for admission to other kinds of entertainments under Section 3 (1) of the Act.

The demand fixed till 31-3-30 was Rs. 55,774-10-8. The collection amounted to Rs. 55,656-10-2 or 99·8 per cent. of the demand.

The arrear demand was Rs. 184-11-2. With certain items of book adjustment found not to have been carried out and with subsequent supplemental assessments and amendments the figure rose to Rs. 821-6-2. The collection was Rs. 820-11-2. The percentage is 99·9.

There was no distraint of goods on warrant for recovery of the tax and the number of prosecutions instituted was only 6. Of these again only 4 were pressed to conviction and the other 2 were withdrawn after payment of the tax.

The total revenue, current and arrear, collected under this tax was Rs. 56,477-5-4. The cost of the new establishment for this new tax was Rs. 5,928 or 10·5 per cent. of the revenue.

The number of entertainments taxed during the year is 8084. In only 107 or 1·3 per cent. of these were all tickets taxable. In all the others there were one or more classes below the margin of assessability.

Musical entertainments yielded next to nothing. In Madras City these are mostly in the hands of the Harikatha Kalakshapa Sabhas. The Government decided that the Sabhas as such were not exempt. But with few exceptions they have been registered under India Act 21 of 1860 as Societies for the promotion of knowledge or the fine arts and have been exempted from Entertainments Tax on that score.

REVENUE DERIVED FROM MUNICIPAL PROPERTY AND POWERS APART FROM TAXATION.

CURRENT.

16, (i) RENT OF MUNICIPAL LANDS and BUILDINGS.—The gross demand under this head was Rs. 70,237-12-6 against Rs. 65,153-9-4 in the preceding year and the net demand was Rs. 65,155-6-6 after deduction of refunds and other adjustments. The increase in the demand is chiefly due to the enhancement of rents during the year at the time of renewal of leases. The gross collection was Rs. 63,446-8-4 and the net collection excluding the advance rent of Rs. 931-0-5 amounted to Rs. 58,364-2-4 against Rs. 54,205-4-4 in 1928-1929.

The demand for lease of the bunks was Rs. 15,473-1-6. The net collection excluding the advance rent of Rs. 894 amounted to Rs. 15,440-5-3. The total net demand under the above heads was Rs. 80,628-8-0. The net collection excluding the advance rent of Rs. 1,825-0-5 amounted to Rs. 73,804-7-7. The percentage of collection to the net demand was 91·54 as against 89·61 in the preceding year.

ARREAR.

The gross demand under this head including bunks was Rs. 15,113-8-0 and the net demand was Rs. 11,688-8-0 after deduction of refunds and other adjustments. The gross collection was Rs. 12,035-9-7 and the net collection amounted to Rs. 8,610-9-7. The percentage of collection to the net demanded was 85·54.

MOORE MARKET.

(ii) The income amounted to Rs. 44,629-10-9 as against Rs. 43.186-0-11 of the preceding year. The collection was made at the lower rate as in the preceding year. The stall holders in the Moore Market refused to pay the rents on the enhanced rate in spite of

efforts to collect the rents without recourse to coercive process. The Corporation Legal Adviser opined that distraint could be made for non-payment of rents. Distress was accordingly effected and the Stall holders approached the Court for a writ of Mandamus. The High Court however decided that the distress was illegal. The Council has decided not to appeal against the judgment of the High Court. Suits are being filed against the defaulters for recovery of rents and for eviction.

(iii) DISTRAINT FEES:—A sum of Rs. 239-0-5 was realised under this head. There were 104 distraints as against 119 in the previous year.

(iv) INCOME FROM LICENSE FEES.—(iv) The income under this head amounted to Rs. 1,84,777-13-2 as detailed in Table No. 33 Appendix II against Rs. 1,87,834-12-4 in the previous year. The total number of items dealt with was 34,713 against 30,968 in the previous year.

The fall in the collections under this head is due mainly to the adverse decision of the High Court in two cases viz, Messrs. Spencer & Co., Ltd., vs. Corporation of Madras and the Burmah Shell Oil Storage and Distributing Co. of India Ltd. vs. Corporation of Madras.

SUITS.

The Letters Patent Appeal in the case, Corporation of Madras vs. The Madras Electric Supply Corporation and the Madras Electric Tramways Ltd; was not taken up for disposal by the High Court this year also. The suit filed by the Burmah Shell Oil Storage and Distributing Co. of India Ltd. against the Corporation of Madras for recovery of fees paid for Kerbside pumps was decided against the Corporation of Madras. In consequence, a refund of Rs. 2,490 was made to the Company.

GRANTS AND CONTRIBUTIONS.

(v) A sum of Rs. 3,38,126 as detailed below was received from Government as grant and contribution during the year:—

(1) Rs. 4,219 for the repair of the bridges over the Cooum and Buckingham canal;

(2) Rs. 20,000 for the maintenance of the Mount Road and Poonamalli High Road;

(3) Rs. 13,607 towards compensation for withholding sanction for the issue of licenses by the Corporation for places used for the sale of spirituous and intoxicating liquors;

(4) Rs. 300 for the payment of batta to pregnant women in Rajah Sir Ramaswamy Mudaliar's Maternity Hospital and

(5) A free grant of Rs. 3,00,000 for the improvement of water supply and drainage.

CURRENT.

(vi) (a) PAYMENT FOR WATER SUPPLY FOR NON-DOMESTIC PURPOSES.

The demand under this head amounted to Rs. 6,81,264—0—0, as against, Rs. 6,01,790—8—0 last year. The current collections in respect of the above demand amounted to Rs. 6,24,146—0—0 and a sum of Rs. 434—12—0 was adjusted towards the current year's demand from the payments made during the previous years. The balance left uncollected at the end of the year under report, was Rs. 56,683—4—0, as against, Rs. 74,152—2—8, in the previous year.

ARREAR.

At the beginning of the year, the outstanding arrears amounted to Rs. 80,235—14—8 which was reduced to Rs. 80,204—6—8, on account of subsequent revisions. Out of this amount, a sum of Rs. 73,690—13—9 was collected during the year, besides an adjustment of Rs. 347—14—11 from payments made during the previous years, thus leaving a balance of Rs. 6,165—10—0 uncollected during the year, as against, Rs. 6,083—12—0, last year.

(vii) GRASS FARM.-The Grass Farm at Tondiarpet was taken on lease by Mr. O. Sundara Iyer for a period of three years from 15-4-1927 on an annual rent of Rs. 6,500, payable in monthly instalments of Rs. 541—10—8. He was permitted to make use of the two pumping plants of the Corporation on a monthly rent of Rs. 75. He paid rent for two months in the second year and stopped further payments stating that he was put to considerable loss on account of budrot disease, which attacked and destroyed several cocoanut trees. He appealed to the Standing Committee to grant him compensation for the loss sustained by him. A rebate of Rs. 1,500 was sanctioned, and, at his request, he was given an extension of time till April 1931 for the payment of arrears of rent due by him in respect of the Grass Farm contract. The receipts under "the lease of the Farm and hire of the pumping plants" during the year, towards "the current and arrear demand" have been detailed in Statements III (A & B) in Appendix I.

GENERAL INCIDENCE OF TAXATION.

17. The incidence of taxation per head of popualation under all taxes inclusive of tolls was Rs. 8–11–6 as against Rs. 7–8–2 in the previous year. Exclusive of tolls collection, the incidence was Rs. 8–8–8 as against Rs. 7–5–9 in the previous year.

DEPOSITS AND ADVANCES ACCOUNT.

DEPOSITS.

18. This account which exhibits transactions relating to the Corporation Stores and Workshops, the payment made on account of sinking fund for loans raised in the open market and the security deposits of the Corporation servants and contractors &c., opened with a balance of Rs. 41,05,488–12–1. The receipt during the year amounted to Rs. 19,46,002–3–11 and the expenditure to Rs. 15,26,746–4–8, leaving a balance of Rs. 45,24,744–11–4 at the close of the year.

ADVANCES.

(b) At the beginning of the year, a sum of Rs. 1,60,324–9–5 was outstanding of which permanent advances held by the several officers of the Corporation amounted to Rs. 1,16,983 and miscellaneous advances to Rs. 43,341–9–5. The permanent advances are represented almost entirely by the money invested in the stock at Corporation Stores and the miscellaneous advances include payment made on account of amounts for which bills have been sent out, amounts paid on advance or in deposit but awaiting adjustments. During the year fresh advances were made to the extent of Rs. 352 under permanent and Rs, 2,46,941–7–7 under miscellaneous and recoveries and adjustments were made to the extent of Rs. 230 under permanent and Rs. 2,37,421–14–5 under miscellaneous, leaving a balance of Rs, 1,17,105 under permanent and Rs. 52,861–2–7 under miscellaneous or Rs. 1,69,966–2–7 in the aggregate against Rs. 1,60,324–9–5 at the end of the previous year.

SPECIAL GOVERNMENT GRANTS ACCOUNT.

The balance at the beginning of the year was Rs. 700. As there was no expenditure during the year, the same balance remained at the close of the year.

EXPENDITURE.

PUBLIC WORKS — CAPITAL WORKS — COMMUNICATIONS.

(1) ROADS.

Acquisitions.

19. No amount was provided for in the Budget for 1929-30 under the above Budget Head for acquisitions, under "Revenue Funds". Capital works to the extent of Rs. 9,87,000 were sanctioned by the Council at its special meeting held on 11—4—1929, to be met from loan to be raised in the open market, and the Government was approached to sanction it. The Government sanctioned a loan of Rs. 5 lakhs, the utilisation of which, was decided by the Council, at its meeting held on 15—11—29. Specified works for Rs. 4,10,000 were approved, leaving a balance of Rs. 90,000 to be expended on works that might be suggested by the Divisional Councillors, Rs. 3,000 being allotted for each division. Most of the acquisition proposals suggested by the Divisional Councillors to be met out of the Divisional allotment of Rs. 3,000 referred to above, having been suggested late in the year, it was not possible to incur the expenditure.

Some of the works that remained incomplete last year, were completed this year. Widening of Strahan's Road, and Cutcheri Road by acquiring lands for that purpose was effected this year, and the compound wall behind Flower Bazaar Police Station was set back at a cost of Rs. 692 to facilitate fast traffic.

A detailed statement of the various works taken up out of "Revenue Funds" and "Loan Funds" with their respective stages, is given in the Statement No. II A.

PUBLIC WORKS — EXPENDITURE ORDINARY.

20. The total expenditure incurred on the reform of roads including tarring, cost of departmental quarrying, maintenance of bridges, culverts, etc., came to Rs. 6,16,087 against the allotment of Rs. 6,37,430, the balance of Rs. 21,000 and odd, being chiefly due to savings under 'Labour' on account of absentees and unpaid liabilities.

Departmental road metal quarrying operations at Pallavaram continued to be satisfactory as before. Want of additional storage places and sidings in the City handicapped the increased import of metal.

from the Pallavaram Quarries this year also. As soon as the lands in Spur Tank are alienated, steps will be taken to start a second metal yard to facilitate an increase in the import of metal.

The total quantity of blue granite quarried during the year was 14,77,188 c.ft., as against, 12,50,663 c.ft., in the previous year, and that issued to overseers from Periamet Metal Depot as check-measured on roadsides was 10,46,674 c.ft.

REFORMS AND REPAIRS OF ROADS.

21. 4 fur. 161 yds. 2 ft. of unmetalled roads were metalled for the first time, while the length of roads reformed was 50 miles, 7 furlongs and 77 yards excluding 18 miles and 61 yards of roads regraded.

The total number of squares reformed was 58720 (Vide Appendix II—Table Nos. 23 to 25). During the year under report, laterite was used in reforming and regrading some of the roads. A tabular statement showing the quantity of blue granite and laterite used on Reform and on Repairs is given below:—

	Reform.		Repairs.	
Kind of metal.	1929-30.	1928-29.	1929-30.	1928-29.
Blue granite.	8,78,952	8,53,737	2,69,549	2,32,111
Laterite.	1,98,951	,,	80,889	,,

The cost of reform including materials and laying, exclusive of rolling and patching was Rs. 2,39,125.

The cost of reform amounted to nearly Rs. 4,695, as against Rs. 4,396, a mile, last year.

A comparative statement of the areas of roads of different thickness reformed with blue granite and laterite, is given below:—

Thickness	Blue granite.		Laterite.	
in inches.	1929-30.	1928-29.	1929-30.	1928-29.
1	3,991	5,960	1,229	....
2	31,344	28,351	6,508	...
3	12,502	9,261	2,664	...
4	43	3,568	144	...
5	20	...		...

TARRING OF ROADS.

22. The length of roads that were tarred for the first time was 15 miles, 3 furlongs, 107 yards and 2½ feet and that of retarred came to 11 miles, 180 yards and 2 feet.

The total length of tarred and bitumened roads in the City, at the end of the year under report, was 80 miles, 3 furlongs, 19 yards and 1½ ft. The advantages of roads treated in this manner are being very widely appreciated.

While reviewing the Administration Report of the previous year, Government in G.O. No. 968 L & M Press dated 11—3—1930, remarked on the slow progress made by the Corporation in respect of tarring and retarring of roads and on the number of important thoroughfares to be reformed. During the year under report, however, appreciable progress has been made in the matter of reform, tarring and retarring of roads, made possible by the increased provision. With adequate funds, plant and staff, more rapid progress is possible.

The methods of treatment for improving the Madras roads are suggested, in detail, in the Engineer's programme of roads appended to the Administration Report for 1926—27. This involves a heavy capital expenditure. The Council is alive to the necessity and importance of maintaining the roads in an efficient state to meet modern traffic conditions.

TRANSPORT OF METAL.

23. No new purchases were made during the year to add to the existing fleet of petrol lorries, sentinel waggons, etc., used for conveying metal to the various divisions in the City. Considerable additions to the existing fleet will be necessary, if a second siding is established.

BRIDGES, CULVERTS AND FOOT-PATHS.

24. The Ottery bridge was strengthened with M&S M rails, and the Napier Bridge at South Beach Road, was painted. The foot bridge over the channel in Kilpauk Garden Road, and the bridges over Barbers Bridge Road and Brodies Road were repaired. Repairs to the bridges over the Cooum and Buckingham Canals reported to be in progress last year, were completed this year, and the repairs

to the bridge over the old delivery channel, not commenced last year, were taken up this year, and paid for.

The widening of Sunkuwar Bridge which was found necessary on account of the increasing volume of traffic, and for which, a provision of Rs. 11,000 was sanctioned by the Council on 15—11—29, out of the Government loan of Rs. 5 lakhs, was taken up this year and the work is in progress. A sum of Rs. 50,000 provided for, in the budget for 1929—30 under 'Loan Funds' as contribution towards the widening of the General Hospital Bridge, was not sanctioned as one of the items to be met out of the Government loan of Rs. 5 lakhs, as it was understood that the above work would not be taken up this year.

The culverts in the 28th Division and Luz Church Road were repaired, and the dismantling of the old arch over the culverts at Mount Road junction of General Patters Road, and the repairs to the culvert at Dams Road junction of Mount Road, were completed during the year under report.

The foot-path in Mount Road from Dams Road junction of Bosotto Buildings, and the footpath in Purasawalkam High Road, were repaired. The footpath in front of Messrs. Addision & Co., was cemented.

Buildings—Capital and ordinary.

Particulars.	Allotment.	Expenditure.
	Rs.	Rs.
1. Revenue Funds	88,400	60,975
2. Loan Funds	2,82,700	40,158
3. Special Funds	2,51,000	265

25. CAPITAL WORKS (REVENUE & LOAN FUNDS) Works carried out for the Health Department.

(i) REVENUE FUNDS:—The construction of a platform and the repairs of the existing well in Halls Road Burial Ground, were completed this year, besides reforming the road leading to the burial ground. Retaining walls were constructed for the dumping ground in Langs Garden Pail Depot, and the Dumping ground in Anna Pillai Street was metalled. The construction of tipping platforms in Langs Garden Pumping Station and Norton lane, was completed. The compound wall of the dumping platform in Triplicane High Road was raised and a road was laid in Korukupet Night Soil Depot. The dumping ground in Triplicane High Road was levelled and metalled, while, the roads

in Ottery dumping ground and Ellappadah Madah Koil dumping ground, were reformed. The new road in the Night Soil Depot, Korukupet, was extended. A motor was installed in the Gram Depot for grinding grain, and the erection of an electrocuting station for dogs, in the Lethal Chamber at DeMellows Road, was in progress.

(ii) LOAN FUNDS:—A sum of Rs. 50,000 was sanctioned by the Council, for the construction of public flush-out latrines out of the Government loan of Rs. 5 lakhs and the works were in progress (Vide St. No. II A). Constructing a shed for stationing the lorries near the Workshop and an Isolation Hospital for the sick bulls of Conservancy Depots, were among the other works taken up this year.

Improvements to the Zoo for which, a provision of Rs. 33,600 was sanctioned by the Council out of the loan of Rs. 5 lakhs granted by the Government, were in progress, while, the construction of a Veterinary shed in the Zoo, reported to be in progress last year, was completed this year. Construction of a Poultry shed and a restaurant in the Moore Market, was taken up this year, while, the acquisition of lands for the construction of a fruit market in China Bazaar Road and a vegetable market in Purasawalkam, was under correspondence.

OTHER REMUNERATIVE ENTERPRISES — LAND DEVELOPMENT —BUILDINGS.

The construction of 4 additional houses in Sami Reddipuram, was undertaken this year and the work is in progress. A sum of Rs. 2,51,000 was sanctioned by the Government as a Special grant for Bogipaliam Housing Scheme on the post-payment system. The scheme was taken up and the preliminaries in regard to alienation and acquisition of necessary lands, were well advanced when the year closed.

MAMBALAM TOWN PLANNING SCHEME.

26. During the year under report, about 244 gds. of land were sold by public auction realising Rs. 83,777.

The following are some of the main items of works carried out during the year:—

1. Earthwork formation of some of the main and subsidiary roads (Vide Appendix II, Table No. 28-A).

2. Metalling of the main and subsidiary roads to a total length of 3.3 miles (vide Appendix II—Table No. 28).

3. Revetting the Main Drain Channel to a further length of 500 feet south of Sir Theagaraya Road.

4. Plantation of avenue trees on the main roads.

5. Construction of parapet walls and provision of pulley arrangements etc., for the public wells on the roadsides.

6. Improvements to the Panagal Park.

There has been an appreciable increase in the construction of buildings over the scheme area. Electric lighting is being extended to areas where buildings are springing up. With the introduction of water supply, now in hand, the scheme is attracting more settlers.

CHOOLAI DEVELOPMENT SCHEME.

27. As pointed out in the previous Administration Reports, the above scheme is expected to be taken up after the completion of the Mambalam Scheme.

LAND DEVELOPMENT — REVENUE FUNDS.

The staff appointed for the Civic Survey operations were engaged on the following works during the year under report:—

1. Correcting the survey block maps and bringing them up-to-date and showing utilisation, particulars, etc., by the conventional colouring and hatching.

2. Collecting particulars of land utilisation and ownership with types of buildings.

3. Preparation of a map showing the surface utilisation of the City.

4. Statements of Educational Institutions, Dispensaries, Child-Welfare Centres, Latrines, Baths, etc., Mills and Factories.

5. Preparation of a statement showing the play-grounds and recreation areas.

EXPENDITURE—ORDINARY.

Repairs and improvements effected to the Corporation buildings during the year, are detailed in Statement No. II-A.

EXPENDITURE CAPITAL — WATER SUPPLY LOAN FUNDS.

City Water Distribution system:—

28. During the year under review, about 7.44 miles of street mains were laid, as against, 10.3 miles, last year. Of this 6.00 miles were laid with new pipes and 1.44 miles with old pipes (vide Appendix II—Tables Nos. 27—a to d).

The two estimates for Rs. 5.97 lakhs & Rs. 2.82 lakhs sanctioned for street main laying under the City Water Distribution system Improvement in G. O. No. 2371, L & M, dated 30-1-1924, and G. O. No. 2371, L & M, dated 3-6-1926 respectively, were clubbed together and worked side by side and these have now been completed. The actual cost incurred on both the estimates will be reported to Government shortly. The total length of street mains to be laid as provided in these two estimates, exclusive of the overlapping items in the latter estimate for Rs. 2.82 lakhs is 1,94,399 feet. In addition to this, there is provision in the estimate for Rs. 5.97 lakhs, for removing, cleaning, and relaying of 36,500 feet of old pipes and a provision of Rs. 50,000 in the estimate for Rs. 2.82 lakhs for the same work. The actual length laid under the two estimates is 1,91,989 ft., of new pipes, 53,292 ft. of old pipes and 41,055 ft. of old pipes under smaller sizes, viz., 2", 2½", and 3". The total cost incurred up to 31—3—1930 on both the estimates is Rs. 7.64 lakhs. The question of acceptance of liability for half grant by the Government on the expenditure on both these estimates is still under their consideration and it is hoped that the Government will see their way to agree to the payment of half grant as per the undertaking already given in G.O.No. 620 M, dated 7—5—1920. It may also be pointed out that the works provided in both these estimates form part of the original comprehensive scheme, except a few items which were added, on account of fire protection and recent developments.

A further estimate for Rs. 2.50 lakhs for the laying of 75,880 feet of cast iron pipes of different sizes in the city, has been sanctioned by the Corporation Council in its Proceedings dated 4—2—1930. Work on this estimate is in progress, and a length of 5877 feet of pipes has been laid, up to 31—3—30. The expenditure incurred up to 31—3—30, under this estimate, is Rs. 32,000.

During the year under report, the Corporation received a loan of Rs. 8 lakhs and a grant of Rs. 3 lakhs for expenditure on the water supply and drainage schemes as detailed below:—

Loan Rs. 2 lakhs sanctioned in G.O.No. 3775, L & M, dated 13—8—29.

Loan Rs. 4 lakhs sanctioned in G.O. No. 4461, L & M dated 4—10—1929.

Loan Rs. 2 lakhs sanctioned in G.O. No. 4820, L & M dated 25—10—1929.

Total loan Rs. 8 lakhs.

Grant Rs. 3 lakhs sanctioned in G.O. No. 1272, L & M, dated 24—3—30.

CONTRACT.

The contract M & M No. 3 entered into with Messrs. South Indian Export Co., Ltd., Madras, to the value of Rs. 1,09,380, for the supply of 57,600 feet of cast iron pipes, and 570 Nos. of sluice valves, was completed, and no further contract was entered into, during the year under report.

THEAGARAYA NAGAR (Mambalam) WATER SUPPLY.

An estimate for Rs. 1.60 lakhs was sanctioned by the Corporation at its meeting held on 28—1—30 for the laying of street mains in Theagaraya Nagar (Mambalam) for providing water supply, and tenders for the purchase of pipes and for the laying of mains have been received and are under consideration. Application has been made to Government to meet half the cost of this scheme and their orders are awaited. A 4" main was laid, as a temporary measure only, in Gopathy Narayanasami Chetti Road and a few fountains erected. The bigger mains will be laid shortly.

WATER FILTRATION.

The final report of the Government Committee on water and sewage purification was forwarded to the President, Corporation of Madras, in G.O. No. Press, 709, P.H. dated 15—3—29, to report the views of the Corporation. The conclusions of the committee were, that the treatment of the Madras Water at Kilpauk should be by slow sand filtration preceded by a process of aeration, which is to be achieved by filtration through eleven percolating filters.

These percolating filters are to be fed by a low lift pumping plant which will lift the water by about 18 feet. It is hoped to secure very satisfactory aeration by this means. The effluent from these percolating filters, will pass on to the existing slow sand filters which will give finish and sparkle to the effluent, and serve as a second line of defence against any possible contamination reaching the consumer. This rearrangement and modification of the existing plant, is estimated to cost Rs. 5 lakhs and the Council in its Proceedings dated 1—10—29 accorded its sanction for the proposal. The Government have been informed of the Council's decision and have been requested to meet half the cost, the other half, being borne by the Corporation. Their orders are awaited. In the meantime, the Government asked for a payment of Rs. 12,500 from the Corporation funds, towards charges for the preparation of necessary plans and estimates for the scheme by the Sanitary Engineer to Government. This is pending before the Council.

SPECIAL WORKS DEPARTMENT.

GENERAL.

29. The revised estimates for works required to complete the comprehensive scheme of drainage were submitted to Government in the early part of the year. It is understood that they are still under consideration. In the absence of sanction for these estimates, progress of works continues to be slow. In these estimates, at the suggestion of Government, no works were included which did not find a place in Mr. Madeley's original scheme, though many of them were considered urgent.

A separate estimate with plans etc., was prepared for all urgent works within the area of the main drainage scheme but not included in the original scheme for various reasons. This supplementary estimate was submitted to Government in January 1930 and it is still under their consideration.

Detail plans and estimates for the storm water drainage of George Town amounting to Rs. 7.75 lakhs were prepared during the year and submitted to Council and Government for sanction. No orders have yet been received.

A scheme for the drainage of out-lying areas such as Kilpauk, Chetput, Perambur and Vyasarpady has been under investigation.

EXPENDITURE.

The net expenditure on new works and the budget estimate figures for 1929—30 including subsequent allotments are set out below:—

	Drainage work.	Establish-ment	Total.
Budget estimate including subsequent allotment ...	7,00,500	88,000	7,88,500
Actual expenditure	4,67,520	88,477	5,55,997

Short expenditure is due among others to the following reasons:—

(a) Delay in obtaining final orders of Government on the question whether the revised estimates submitted to them require their definite sanction or not. It would not have been in order if works had been started before Government sanction for estimates were obtained.

(b) For two months, namely, August and September, the Corporation was unable to meet pending bills of contractors as neither loan nor grant had been received from Government. As the Corporation was unable to meet its liabilities promptly, the contractors took exception and made slow progress. The executive were thus placed in a difficult position.

DESCRIPTION OF WORKS.

South Mylapore Area.

30. PUMPING STATION:—The construction of the South Mylapore Pumping Station and out-houses was taken up during this year and completed. The contractors have already delivered some of the pumping machinery and its erection will be completed in a few months more.

The inter connections between the collecting well and the suction and screening wells have been completed.

PUMPING MAIN:—Except for a short length, where it has to cross the Buckingham Canal, the pumping main has been laid completely up to the pumping station compound wall. It is proposed to take the pumping main across the canal, over girders supported on timber trestles on either side of the bank.

INTERCEPTING SEWER:—About 1187 feet of intercepting sewer varying in size from 24" to 18" have been laid at an average depth of about 22 ft. During the execution of this work, considerable quantity of sub-soil water was met with and heavy pumping was found necessary throughout. Also the proximity of old houses with shallow foundations necessitated very careful timbering to avoid damage to the houses.

Further work on the intercepting sewer is in progress.

BRANCH SEWERS:—The branch sewer along Brodies Road, between its junction with Elapatha Madha Koil Street and Buckingham Canal has been laid during this year. Other branch sewers in this area will be taken up after the pumping plants are erected.

NORTH MYLAPORE AREA.

PUMPING STATION.—In this new station all work has been completed except fixing wrought iron gates at the entrance which will soon be taken up. The engines and pumps have been working satisfactorily. The contractors have yet to supply the drawings and some spare parts and the contract will be closed after these are received.

SEWER LAYING:—One of the important sewers completed during the year was the east intercepting sewer. It was started in Rakiappa Mudali Street and taken along narrow streets, namely Vadugur Selva Vinayagar Koil Street, Nattu Subraya Mudali Street, Bazaar Road and lastly Karneeswarar Koil Street. As it was laid at a depth of about 16 feet, much difficulty was experienced on account of the high buildings closeby; for instance in one of the buildings in Vadagur Selva Vinayagar Koil Street the Walls were so brittle that slightest vibration caused by the driving of steel piles was found to be sufficient to cause minute cracks. Consequently, driving of the steel piling was stopped at about a foot over the invert and a third setting of timber was carefully introduced to get to the required depth. In Bazaar Road sufficient precaution was taken and temproary arrangements made to prevent the flooding of trenches during rains. As this sewer was being laid, the sullage which was originally flowing to the old station was then and there intercepted and diverted to the new station.

All the branch sewers have also been laid and completed in Nattu Subroya Mudali Street, Mundakanni Amman Koil Street and Selva Vinayagar Koil Street.

The next impортent sewer laid during the period was the deep sewer running along Veerabadran Street and Luz Church Road. It was laid parallel to the tram line with as little inconvenience as possible to the travelling public. The work was done both day and night, but on account of the high subsoil water and the existing sewer closeby much difficulty was experienced.

All the branch sewers lying on the eastern side of Kosapet have been completed and connected to this sewer. Appersami Koil Street, Veeraperumal Koil Street, Subdra Vinayagar Koil Street, Madavaperumal Koil Street were also taken up for sewer laying and completed.

GRAEMES ROAD AREA.

PUMPING STATION WELLS:—All the suction and screening wells have been completed, including cement plastering of the interior. Inter-connection work was also completed. As the distance between the suction and screening wells is only 6 feet, cast-iron pipes were introduced by tunnelling without any trench work.

OUT-HOUSES:—These were also completed, including roofing and cement plastering. Providing door shutters and partitions for the workshop remains to be done.

MAIN BUILDING:—This was started in the month of July and is nearing completion. Engines and pumps have been delivered by Messrs. Jessop & Co., and erection work will be started soon.

SEWER LAYING:—The laying of 21" sewer has been started in Graemes Road and is in fair progress. The soil and subsoil vary from place to place and are very treacherous especially opposite to the Military buildings. Consequently the pipes are supported on piles varying from 16 to 18 feet in depth. Manholes are being constructed much in advance to avoid subsequent sinking if any. The total length of 21" sewer so far laid is 769 feet.

LANGS GARDEN AREA.

Work has been stopped in this area until the sanction of Government is obtained for the revised statement of work remaining to be done under the main drainage scheme. Only Savarimuthu

Lane which was very insanitary was sewered and necessary house connections given.

PURASAWAKAM AREA.

On account of frequent complaints and to relieve the insanitary condition in DeCaster Road and round about the Slaughter House Road, work has been started in Gantz Road and it is in progress. This sewer, when completed, will do away with the pumping which is now resorted to in the Slaughter House.

LAW COLLEGE AREA.

Sewer laying in this area was completed during this year. Also several narrow lanes, in Edapalayam were sewered. There are some more narrow lanes about 4 ft. wide which have yet to be sewered and for which there is no provision under the Urgently Required Programme Estimates.

Plans and estimates for sewering such lanes have been prepared and submitted to Government and the work will be taken up soon after the sanction is received.

Relaying the old intercepting sewer in Wall Tax Road, Construction of Wall Tax Road Sub-Pumping Station and improvements to the Law College Pumping Station, will be taken up in the course of the next year, after the Government sanction for the proposals that have been submitted is received.

ROYAPURAM AREA.

Relaying the intercepting sewer in Broadway was taken up during this year and completed to the south of Mannady Street. As there is no provision in the Urgently Required Programme for further works on this intercepting sewer, plans and estimates for relaying the remaining portion of this sewer have been submitted to Government for sanction.

All the shallow sewers in this area have already been laid and as in the case of Law College area, sanction of the Government is awaited for sewering the narrow lanes not provided for in the Urgently Required Programme.

TONDIARPET AREA.

On account of its very insanitary condition, sewer laying of the Grace Garden was taken up with the sanction of the Standing Committee and completed during the period. The total length of 6

inch and 9 inch sewer laid are 1557 and 637 ft., respectively. All the necessary house connections and ventilating columns have also been fixed.

OUTFALL SEWER AT SEWAGE FARM:—During the past 10 years, the sea has been gradually encroaching on the sewage farm and the pipes at the end of the outfall sewer were falling away. During the monsoon of 1928 the erosion came up to the valve chamber. It was therefore considered necessary to take immediate steps to protect the sewer from further damage.

Two rows of steel piles were driven round the outfall about 14 feet below mean sea level. The outside of the piles was protected by concrete blocks. The work was completed just before the last monsoon and it is satisfactory to note that further damage has been arrested.

FLUSH-OUT LATRINES.

31. At the instance of the Commissoner, a scheme for installing flushout latrines in all houses in the city was prepared and submitted to the Council and Government for sanction. Under this scheme the annual recurring expenditure involved in scavengers, wages etc. is proposed to be saved, by the introduction of flushout latrines in each house, thus utilising the benefits of the underground system of drainage to the fullest extent. In order to put this amenity within the reach of the poor citizens a cheap type of cement pan capable of being flushed with a small quantity of water is proposed to be constructed in each house and the cost recovered in easy monthly instalments.

Arrangements are on hand for commencing the work in Chintadripet area as soon as Government sanction is obtained. Other sewered areas will be taken up in due course.

CONTRACTS.

32. The following is a short account of some of the important contracts now under execution. A statement showing the full particulars of all the contracts is given in Table No. 19 Appendiy II.

Contracts M & M Nos. 46A & 47A for the supply of sewage pumping machinery for North Mylapore and Langs Garden pumping stations. Messrs. Siemens (India) Ltd., Calcutta, have supplied nearly all the machinery except some spare parts, books of finished drawings

etc. They applied for the closure of the contract and agreed to make an allowance of Rs. 10,000 for the venturi meter supplied by them which did not comply with the Corporation specification. This has been accepted by the Council on 4—2—30 on the strict understanding that the drawings and spare parts are supplied before arriving at a final settlement. The supply of these yet remains to be made by the contractors.

Contracts M & M No. 48 and 50, for the supply of sewage pumping machines for South Mylapore and Graemes Road Pumping Stations. The supply of machinery for both the stations is being made by Messrs. Jessop & Co., Ltd., Madras, the contractors.

Contract M & M No. 49 for the supply of cast iron pipes and specials. The South Indian Export Co. Ltd., Madras the contractors, have nearly completed the supply.

Contract M & M No. 65 for the supply of 1500 steel sheet piles by the General Construction Co. Ltd., Madras. The supply has been completed.

Contract M & M No. 66 for the supply of cast iron manholes covers and frames, cast iron bases for ventilating columns etc., by the Corporation Workshop. The supply is in progress.

Contract M & M No. 67 for the supply and delivery of glazedware pipes and some specials by the South Indian Export Co., Ltd., Madras. The supply has been completed and the contract is closed.

Contract M & M No. 68 for the supply of cast iron wall sluices by Messrs. Richardson & Cruddas, Madras. The supply is nearing completion.

Contract M & M No. 69 for the supply of Glazedware stoneware pipes and specials by Messrs. Burn & Co., Ltd., Calcutta. The supply is in progress.

Contract M & M No. 70 for the supply of steel sheet piles by the General Construction Co., Ltd., Madras. The contractors have executed the necessary agreement on the 27th March 1930 and the supply is expected shortly.

Contract L M No. 1 for the supply of best salt glazedware water closet pipes and special for the construction of flushout latrines in private houses. The contract has been awarded to Messrs. Chary & Bros. Madras.

33. KILPAUK PUMPING STATION:—Conversion of coal-fired boilers into oil-fired ones.

The three boilers at the Kilpauk Pumping Station which were till now being fired with coal, were proposed to be converted into oil-fired ones and this was estimated to cost Rs. 26,000. The advantages of this system are (1) the extra labour involved in breaking and sizing the coal is saved. (2) The loss involved in the breaking of coal, is avoided. (3) The difficulties caused by the supply of a varying quality of coal by contractors are eliminated.

The Council sanctioned the proposal on 11—4—1929 and the work has been entrusted to Messrs. Babcock & Wilcox, Ltd., Calcutta. The work is in progress and will be completed shortly.

DIVERSION OF TRUNK WATER MAINS AT ELEPHANT GATE.

Consequent on the construction undertaken by the M. & S.M. Railway of the new overbridge in lieu of the existing level crossing at Elephant Gate, trunk water mains (42" and 24" in diameter) running along the Elephant Gate Bridge had to be diverted to a length of 720 feet each. The necessary pipes and specials required for the diversion of these water mains, have been supplied by the Railway, and the work is being carried out by the Corporation. The labour portion alone including supervision charges was estimated to cost Rs. 18,000 and this amount has been remitted by the Railway, into the Corporation Treasury. The work is nearing completion.

DIVERSION OF WATER MAINS AT BASIN BRIDGE ON ACCOUNT OF THE CONSTRUCTION OF STORAGE PONDS BY THE MADRAS ELECTRIC SUPPLY CORPORATION.

The Madras Electric Supply Corporation have formed two large ponds in the marshy lands adjacent to Basin Bridge for cooling the circulating water used for the Turbines in the Power Station. This necessitated the diversion of the 14" water main running through this site. The work was estimated to cost Rs. 8,000. The amount was remitted by the Madras Electric Supply Corporation into the Corporation Treasury. Necessary pipes have been purchased to the extent of about Rs. 3,500 but the work has been kept in abeyance so as to allow the bund put up for carrying the diverted new pipe line, to settle down.

WATER SUPPLY — THE MADRAS CITY WATER SUPPLY COMMITTEE.

34. The Committee appointed by the Government in G.O. No. 4811 L & M, dated 7—12—27 to examine the question of increasing the supply of water to the Madras City, met on 11—4—1929 when it was considered that Mr. R. F. Stoney's scheme to supply water to the Red Hills lands directly from the Cholavaram Tank might not be feasible, since occasions might arise in times of scarcity when there would be water in the Red Hills Tank and no water at all in the Cholavaram Tank from which the ryots would be supplied and they might then have a just grievance against the Government. The Committee also resolved that the lands under the Red Hills lake should be acquired on condition that the loss of revenue to the Government is made up by the Corporation. The recommendation of Mr. Stoney that the upper supply channel be widened from Kattangal up to Cholavaram, was accepted.

The two alternative measures suggested by the Committee are still under the consideration of the Government, viz.

(1) The acquisition of Ayacut under Red Hills Lake.

(2) The reservation of Red Hills Lake for Madras City and the irrigation of its Ayacut with water from the Cholavaram Tank.

IMPROVEMENTS TO THE UPPER SUPPLY CHANNEL FROM THE TAMARAPAKKAM ANICUT TO THE RED HILLS LAKE, ETC.

The improvements to the Madras Water Supply and Irrigation system estimated to cost Rs. 86,250 (vide G.O. No. 1395-1 dated 26—5—1928) referred to in the Administration Report of last year were completed at a cost of Rs. 25,079 less than the estimated amount.

In G.O. No. 2494—1, dated 2—9—1929, Government approved another estimate amounting to Rs. 21,900 for further improvements to the upper supply channel below Kattangal, and improvements to the supply weirs, and flush escape of the Kattangal, & Busikal, on condition that the Corporation pays half the total ultimate cost of the works.

BORING OPERATIONS AT RED HILLS AND ALONGSIDE OF THE CONDUIT.

The report of the Sanitary Engineer to Government on the results of investigation forwarded to the Corporation for an expression of its views, was placed before the Council who, at its meeting held on 20—8—1929, asked for information re: details of expenditure incurred so far out of the sum of Rs. 9,800 sanctioned, and also probable cost to be incurred for further improvements, and the time required for it.

In reply, the Government in their Memorandum No. 40841, L & M, dated 30—12—1929 forwarded the letter dated 16-10-29 from the then acting Sanitary Engineer to Government furnishing the necessary information, and stating that the probable cost of further improvements would amount to Rs. 10,000, and that the time required to complete the experiments, would be 9 months. The opinion expressed in that letter was that no useful purpose would be served by pursuing the investigation of this source any further. Since it was thought expedient to investigate the possibilities of the areas surrounding Bore Holes Nos. 3 and 5 so as to provide a safe water supply to the adjoining villages, the matter was brought to the notice of the Government who were requested to obtain the views of the permanent Sanitary Engineer, Mr. Westerdale. A reply to this reference, is awaited from Government.

INVESTIGATION OF ADYAR SOURCE.

The attention of the Government was drawn to the proposal to exploit the Adyar source for water supply to the city, already moved by the Corporation, and they were requested to have the matter examined thoroughly so as to provide an adequate supply to meet the increasing demand of the city and to ascertain whether it would be possible to supply Mambalam and South Madras from this source. In reply, the Government in G.O. No. 1172 L & M, Mis. dated 21—3—1930 stated that, for reasons stated in the Sanitary Engineer's letter, the proposal was impracticable.

IMPROVEMENTS TO THE RED HILLS LAKE.

In their Memorandum No. 4980-1 L & M, dated 6—2—1930, the Government forwarded an estimate amounting to Rs. 71,430 for ensuring a greater storage of water in the Red Hills Tank, and asked

for a report whether the Corporation was prepared to meet half the estimated cost of the works. The improvements proposed, are as follows:—

1. Remodelling the 10 vent surplus sluice with automatic steel gates and raising the full tank level by 1½ ft.

2. Grouting with surki concrete and pointing with cement, the front revetment of the tank.

3. Acquiring the land covered by water spread between contours 46.17 and 47.67 consequent on the raising of the F.T.L.

The sanction of the Council has been applied for, and the same is awaited.

BURSTS ON WATER MAINS

During the year, there occurred 21 bursts on water mains which were rectified then and there, the details of which, are given in Appendix II Table No. 29.

CONSUMPTION OF WATER.

The quantity of water supplied during the year was 6553.22 millions of gallons which is equivalent to nearly 33.49 gallons per head, per day.

The maximum daily average consumption per head in any month was 35.82 gallons in August 1929, and the minimum was 31.60 gallons in April 1929.

The regulation of pressures on the principal mains is shown in a detailed statement in Appendix II Table No. 30.

KILPAUK PUMPING STATION.

6553.22 million gallons of water were pumped during the year as against 6010.94 million gallons last year. The cost of maintenance of the Station including establishment, labour etc., amounted to Rs. 1,57,029—12—0, as against, Rs. 137352—5—8 last year.

WASTE INSPECTION.

Water Works Overseers in addition to their regular duties, inspected about 60250 houses and rectified 2414 leaks and defects. The importance of waste detection has been emphasised in previous

Reports, and its introduction is urgent in view of the extension of the Distribution System, and increasing demands, and the increasing consumption.

PRIVATE WATER SERVICE.

During the year, 911 new house service connections were laid by licensed plumbers. Of the existing house service connections, 2299 were repaired, cleaned, attended to, renewed, or extended through licensed plumbers, and 1394 leaky taps and 892 old washers were replaced by new ones. Out of the 911 new connections, 56 were of the first class and the rest, second class. The total number of house service connections on 31—3—1930 was 38158. The total number of meters on house services during the year was 2535. During the year under report, 83 meters were newly fixed and 49 removed. The quantity of water used in excess of free allowance on metered premises was 545,011,200 gallons, out of which, the number of gallons supplied for manufacturing purposes was 240,321,203 gallons. *The net amount collected during the year was Rs. 6,99,314—13—5 as against, Rs. 5,50,577—11—2 last year and Rs. 1,918—0—0 was collected towards meter rent (*Appendix II Table No. 31).

The water supply by-laws under Act IV of 1919, which were pending for a long time, were finally approved by the Government in G.O. No. 4764 L & M, dated 23—10—29 and their provisions are being enforced.

There were 2311 public fountains, 104 bathing fountains and 79 cattle troughs at the beginning of the year. 32 public fountains, 1 bathing fountain and 4 cattle troughs were erected, 7 public fountains and 1 cattle trough were removed, leaving a balance of 2336 public fountains, 105 bathing fountains, and 82 cattle troughs, at the end of the year.

10 valves, 126 stopcocks, 32 hydrants and 83 meters were fixed during the year. The rainfall and the average water level as furnished by the Public Works Department is given in Appendix II—Table No. 32.

The quantity of water supplied and measured at Red Hills during the year under review, was 102,002,922 cubic feet, as against 987,442,839 cubic feet last year.

The cost of maintaining the lake, filter beds, conduits, Kilpauk shaft, fountains, payment for Red Hills water, etc., including establishment, amounted to Rs. 2,47,041—1—9 as against Rs. 2,23,761—5—2 in the previous year.

EXPENDITURE CAPITAL — DRAINAGE.

Out of the Government loan of Rs. 5 lakhs, Council sanctioned a sum of Rs. 10,000 for the construction of storm water tables to be distributed equally among the 30 divisions, and Rs. 3,000 for each division for any capital work that might be suggested by the Divisional Councillors. The construction of storm water tables taken up out of the above provision and the divisional allotment of Rs. 3,000 is detailed in Appendix I Statement No. II A. A sum of Rs. 25,000 was sanctioned out of the Government loan aforesaid, for the construction of masonry drains, the details of which, and their respective stages, are given in detail in Statement No. II A.

EXPENDITURE ORDINARY — DRAINAGE.

35. Details of works with the expenditure against each, are given in Statement No. II A.

DRAINAGE PUMPING STATIONS.

The expenditure incurred in the maintenance of Sewage Pumping Stations including establishment, labour, etc., amounted to Rs. 2,11,001—9—11 as against Rs. 1,98,033—14—4 last year.

SEWER CLEANING.

The total length of sewers cleaned, was 34,35,769 feet as against 30,34,757 ft. in the previous year. The number of sewer and syphon obstructions removed during the year was 1414 and 3270 respectively as against 1183 and 1976, last year. 1,60,908c. ft. of silt was removed, as against 1,79,249 c. ft. in the previous year.

The new sewers that were taken over by W.D. for maintenance, from S.W.D. during the year, are given below. The new house connections attached to these, are conserved by the Conservancy Section of H. D. along with the old connections.

Locality	Length of sewers in feet.	Number of house connections.
2nd Division	2510'—5"	104
3rd do	320'—	19
4th do	365'—3"	2
George Town East, 7th division ..	467'—10"	14
Do Centre 11th and 14th divisons ..	1915'—5"	130
Do West 15th division.	7017'—6"	458
20th Division	119'—5"	13
29th do	11325'—8"	138
Total ..	24041'—6"	878

The introduction of sewers has resulted in appreciable improvement in the sanitary condition of the above divisions which were previously served by side drains, ditches and cesspools. Owing to the advantages of the new sewerage, there is an increasing demand from the rate-payers for the installation of flush-out latrines. It is hoped, ere long, that every house in the city will be provided with flush-out latrines, in place of the existing dry latrines.

DRAIN CLEANING.

Main drains were cleaned to a length of 12,26,504 feet and 3,20,369 cubic feet of silt were removed during the year under report as against, 6,10,252 feet and 2,61,845 cubic feet respectively last year.

FLUSHING OF KELLY'S DRAIN.

Government in their Memo. No. 56818-1A-2 L&M. dated 24—1—30 wanted the Corporation to let them know whether it was prepared to contribute Rs. 1700 payable in 2 years for flushing out the Kelly's drain. The subject was under the consideration of the Council, when the year closed.

HOUSE DRAINAGE.

During the year, 292 house connections were given, of which, 35 were done under "Advances Recoverable" and the rest under "No. II Account Deposit."

ADMINISTRATION.

36. Notices—3823 notices were served under various Sections of the Act to prevent misuse and waste of water, to remove encroachments, unauthorised constructions etc., out of which, 3494 were complied with.

ENCROACHMENTS.

37. The work involved in dealing with encroachments has been fully detailed in previous Administration Reports. No special staff was entertained during the year under report. Government have repeatedly in their review of the Administration Reports, pointed out the necessity for a Special Staff to deal with the encroachments. As has been explained in previous Administration Reports, the overseers and assessors, find it impossible to deal with the encroachment question. It is earnestly hoped that the Council will reconsider and sanction the necessary staff.

PERMITS.

38. Applications for permission to construct or reconstruct huts and buildings received during the year amounted to 2073. 2057 were favourably considered, 493 were refused and the rest were either under correspondence, or, pending payment of license fees. The total amount of license fees collected, was Rs. 21,977—4—0.

PROSECUTIONS.

39. 1463 cases of prosecution were instituted during the year, of which, the cases withdrawn, and those pending, came to 1134 and 303 respectively, while, the rest ended in conviction bringing with it a fine of Rs. 56—8—0.

PROVISIONAL AND FINAL ORDERS.

40. The issue of Provisional orders under Section 256(1) of the Act amounted to 888, while, that of final orders as a result of non-compliance with the former, came to 440.

EDUCATIONAL DEPARTMENT.

41. The Standing Committee (Education), as it was constituted at the beginning of the official year 1929—30, was composed of the following seven Councillors:—

1. M.R.Ry. T. S. Nataraja Pillai Avl., (Chairman).
2. M.R.Ry. T. R. Kothandarama Mudaliar Avl.,

3. M.R.Ry. B. Satyanarayana Garu.
4. M.R.Ry. K. Venkataswami Naidu Garu.
5. M.R.Ry. Sajja Munuswami Chetty Garu.
6. M.R.Ry. G. Selvapathy Chettiar Avl.
7. Mr. S. A. Shaffee Muhammad Sahib Bahadur.

2. M.R.Ry. T. S. Nataraja Pillai having ceased to be a Councillor on 26—10—1929, M.R.Ry. T. R. Kothandarama Mudaliar Avl., was elected Chairman in his place on 21—11—1929.

3. Mr. F.E. James was elected as a member on 15—11—29 in the vacancy caused by M.R.Ry. T.S. Nataraja Pillai Avl., Mr. B. Satyanarayana ceased to be a member on 13—3—1930 and his seat continued to be vacant up to 31—3—1930. M.R.Ry. Sajja Munuswami Chetty Garu vacated his seat on 1—11—1929 and M.R.Ry. G. Janakiram Chetty Garu was elected in his place on 15—11—1929. Thus, at the end of the year under report the following six Councillors constituted the Standing Committee (Edn.).

1. M.R.Ry. T.R. Kothandarama Mudaliar Avl., (Chairman)
2. Mr. F. E. James.
3. M.R.Ry. K. Venkataswami Naidu Garu.
4. M.R.Ry. G. Janakiram Chetti Garu.
5. M.R.Ry. G. Selvapathy Chettiar Avl.
6. Mr. S. A. Shaffee Muhammad Sahib Bahadur.

The Standing Committee (Education) held 16 meetings during the year out of which one was adjourned for want of a quorum.

EXECUTIVE STAFF.

42. There was no change in the Executive Staff of the Educational Department. The following Officers continued to hold Office:-

1. M.R.Ry. G. Vandanam Garu, B.A.,L.T., Educational Officer.
2. Miss. M. M. Swamikannu, B.A., L.T., Lady Supdt.

GENERAL PROGRESS.

At the beginning of the year, the Corporation maintained 71 schools for Hindu Boys, 35 for Hindu Girls, 15 for Muslim Boys and 11 for Muslim Girls making up a total of 132 schools. During the year 1929—30, 2 schools for boys, 6 for girls and 2 for Muslim Boys were opened in rented buildings and the number of schools at

the close of the year, thus rose to 142. Statement No. 8 of Appendix III shows the date of opening of the new schools and the divisions in which they were started.

STAFF.

There were 1162 teachers including 35 Handicraft Instructors and 16 Music Mistresses as against 1054 teachers including 49 Handicraft Instructors and 11 Music Mistresses. There were also 15 Instructors employed for imparting instruction in vocational subjects such as printing, tailoring, weaving and carpentry etc. The increase in the number of teachers was due to the opening of the new schools and to the increase in the srtength of the existing schools.

In addition to the two Supervisors already employed, two more Supervisors for Boys' Schools and two for Girls' Schools were entertained during the year with a view to a more effective supervision of schools.

NIGHT SCHOOLS.

50 Night Schools are being held in Corporation School Buildings for the benefit of the illiterate people (Statement No. 2 Appendix III). These schools are managed by private bodies in the city, such as Social Service League, Poor Schools Society, Young Men's Christian Association etc. Permission is sparingly granted to Corporation School Teachers to work on the staff of Night Schools. The Night School at the Corporation School, Thousand Lights was raised to the standard of a higher elementary school, the two highest standards alone being run by the Corporation. In nine of the Corporation School Buildings, electric installations for lighting have been provided and the night schools run therein have all been permitted the free use of the lights.

FREE AND COMPULSORY EDUCATION.

Compulsory Elementary Education was first introduced in four divisions of the city (i.e.) 24 to 27 with effect from 1st July 1925 and it was extended to 3 more divisions (i.e.) 28 to 30 from 1st January 1927 and to the remaining 23 divisions (1 to 23) from January 1928.

Statistics to show the progress of elementary education in the city from 1925—26 to 1929—30 are given in Statement No. 6 Appendix III.

ATTENDANCE COMMITTEES.

25 Attendance Committees functioned from 1st April 1929 to 30th September 1929 after which date the Committees ceased to function owing to efflux of time. Fresh members for the Committees were proposed and approved by the Council of the Corporation on the 20th January 1930. There was ordinarily one Committee for each Municipal Division except in the case of divisions 8, 11 and 14 in which there was no Corporation School. To facilitate working, these divisions were clubbed with divisions 9, 12 and 13 respectively. There were no committees organised for divisions 6 and 21 for want of lady members to serve on them. The Committees meet ordinarily once in a month to concert measures for bringing under instruction children of schoolage in the divisions. Advice was given to parents to send their children to schools by paying visits to their houses and no attempt has so far been made to substitute coercion for persuasion. In consequence, there was no case of prosecution during the year, nor was any child exempted from the operation of the Elementary Education Act 1920. The handicaps in enforcing the scheme are, in brief, the ignorance and poverty of the masses. The unwillingness of parents to send to school children who contribute to the upkeep of the families, is a factor which has to be faced. A properly arranged system under which poor children are given a meal during the day would go a long way to eradicate opposition on the part of poor parents. To find the wherewithal for organising and maintaining such a system in the city is a problem that cannot be immediately solved. The Council has however sanctioned a sum of Rs. 25,000 for midday meals for the year 1930—31. The co-operation of the members of the Attendance Committees in working the compulsory system is much appreciated, but the fact remains that they are honorary workers and their work ought to be supplemented by a separately paid staff of Officers.

AIDED SCHOOLS.

There were 127 aided Mission and Non-Mission Schools in the city that received compensation for loss of fee income during the school year beginning from 1st July 1929 and the total monthly cost in this direction was Rs. 8,513—2—4 of which a sum of Rs. 2,182—7—10 was debitable to the Elementary Education Fund as per rules laid down by Government and a sum of Rs. 6,330-10-6 was met from the General Revenues of the Corporation. The total

amount paid as compensation to Managers of aided schools in the city during the year 1929—1930 was Rs. 96,973—0—6. Statement No. 10—Appendix III shows the amounts paid as compensation to Aided Schools since the introduction of compulsion.

ATTENDANCE.

At the beginning of the year there were in all 26,649 children (16,051 boys and 10,598 girls) attending Corporation Schools and the strength rose to 28,915 (17192 boys and 11723 girls) on 31st March 1930. Statistics as to the strength and average attendance of pupils in non-muslim and muslim schools on 31—3—30 is furnished below:—

No. on Rolls on 31-3-1930		Average Attendance	Percentage.
1. Non-Muslim Boys	16399	12619	76·9
2. Non-Muslim Girls	7952	6760	85·0
3. Muslim Boys	2264	1742	76·9
4. Muslim Girls	2185	1436	65 7
5. Gujarati	115	92	80.0

Statement No. 3 Appendix III shows the expenditure incurred on the several schools during the year under report. The average cost per pupil in the Corporation School was Rs. 25—8—11 during the year. Admission to schools continues to be free for children of all castes and creeds.

ELEMENTARY EDUCATION —GENERAL STATISTICS —MADRAS CITY.

There were 39,131 boys and 25,239 girls receiving Elementary Education in the city, and of these 17,192 boys or 43.9 per cent and 11,723 girls or 46.5 per cent received instructions in Corpn. Schools and 21,939 boys and 13,516 girls in aided and other institutions in the city. (Vide Statement No. 6 Appendix III).

FINANCE—CAPITAL ACCOUNT.

43. The year opened with a balance of Rs. 7,731—12—11 to which was added a sum of Rs. 1.5 lakhs being the Government loan realised during the year and Rs. 1 lakh being the amount transferred from Revenue to Capital Accounts. A sum of Rs. 33,379-12-4 was spent on the purchase of land and buildings and Rs. 27,297—7—5 on equipments. The balance left at the close of the year was

1,97,054—9—2, as proposals for the acquisition of lands and buildings for schools which were under consideration during the year, did not mature before the end of the year.

REVENUE ACCOUNT:—The balance at the beginning of the year was Rs. 3,18,481—14—8. A sum of Rs. 2,57,449—11—1 was realised by the levy of Educational Tax at 1¾ per cent during the year and a sum of Rs. 26,288 was received, as grant under proviso to Section 37 of the Elementary Education Act, and Rs. 2,48,748—11—0 was received as contribution paid by Government, equivalent to the amount of Educational Cess collected during the previous year. The amount of contribution from the Revenue Account was Rs. 2,40,000. The total expenditure during the year amounted to Rs. 9,21,727—12—7, leaving a balance of Rs. 1,73,778—3—7 at the close of the year. A sum of Rs. 7,48,939—12—0 was spent on the maintenance of Corporation Schools alone. A sum of Rs. 96,973—0—6, as stated above, was spent on the payment of compensation for loss of fee income to the Managers of Aided Schools in the city, of which Rs. 24,039—6—5 was found from the Elementary Education Fund and the balance from the General Funds. A sum of Rs. 7,73,172—2—5 was spent on education excluding Rs. 48,555—10—2 paid as sinking fund and interest on loans and one lakh transferred from Ordinary to Capital Account. Statements Nos. 1 & 3 of Appendix III show the financial position of the Education Fund and the expenditure on education during the year.

ACCOMMODATION.

There were 142 Boys' and Girls' Schools at the end of the year. Out of these, 44 schools were held in Corporation Buildings, 3 in Government buildings and 93 in rented buildings and the remaining two schools viz., the Corporation Muslim Girls' School. Royapuram and the Boys' School, Ranganatham Street were located in the rented houses occupied by the Corporation Girls' School at Royapuram and in the Corporation School Building, Bells Road, respectively. The rented house occupied by the Corporation School, Ranganatham Street had to be vacated on the 16th March 1930 and for want of a suitable house elsewhere in that locality, it was found necessary to locate this school temporarily on the first floor of the

Bells Road School. The conversion of residential houses to suit the purposes of a school is not a satisfactory solution of the question of housing schools. As has been observed by Government in their Order No. 968 L & M, Press, dated the 11th March 1930, schools run in rented houses are, congested, ill-ventilated and ill-lighted and have insufficient latrine accommodation . These unsatisfactory conditions can only be remedied when the Corporation provides its own and suitable accommodation with necessary adjuncts—a play ground and a garden. For replacing the rented houses by Corporation buildings within a period of seven or eight years, a scheme is under contemplation. The Corporation is already allotting large sums of money towards elementary education from its general revenues and it cannot launch upon such a scheme, unless it has recourse to additional taxation. A moiety of the cost of the scheme should be borne by Government and the remaining half advanced by Government as a loan and recovered, as a special case, in easy instalments from the Elementary Education Fund. Until such time as Government comes forward to help the Corporation, the evils of the system as of renting houses cannot be entirely removed.

PLAY GROUNDS.

44. There are at present under the control of the Corporation seven play grounds in the city for the benefit of the Corporation School Children and the public including the one at George Town which was handed over to the Corporation by Government. Of these, four have been equipped with physical and games apparatus. The Play Ground at Peoples' Park provides grounds for football, volley ball, and badminton and arrangements have been made to equip this ground and the remaining two play grounds at Choolai and Robinson Park with the necessary equipments. There were four instructors, each in charge of a Play Ground and the appointment of Instructors for the remaining three play-grounds was under consideration. It may be mentioned here that the object of the Corporation is to provide, if possible, one play-ground for each Municipal Division where sites are available, failing which, the authorities should endeavour to see that a play ground is so centrally located that it can be used without much difficulty by the children of the Corporation Schools and the public of the locality, as well.

PRE-VOCATIONAL TRAINING.

Instruction in pre-vocational training is a speciality in Corporation Schools. Occupational training is given in the Corporation Schools with reference to the chief occupations and industries of the locality and the class of pupils. "Statement No. 11 Appendix III shows the various crafts taught in the Corporation Boys' Schools. Pending further extension of compulsion throughout the city, extension of vocational training in other schools during the year was stopped under instructions from the Government.

In girls' schools, manual training of the types given in boys' schools is not necessary and instruction is, therefore, offered in house management, needle-work, dress-making, music etc. Instruction in music is imparted to girls by specially trained music mistresses. There are at present 16 music instructresses who are giving instruction in music to all the 41 Hindu Girls' Schools and proposals have been made during the year to increase the number of instructresses so as to give more intensive training to girls in music. Statement No. 12—Appendix III, shows the number of technical teachers in service on 31—3—30.

EXCURSIONS.

The pupils of the Corporation Schools were taken as usual on excursions to places of interest vide Statement No. 13, Appendix III. With the kind permission of the Director of Fisheries, the Corporation School children were, as usual, admitted free of charge into the Aquarium.

MEDICAL INSPECTION.

45. Imparting instruction in the 3 R's is not the only object aimed at by the Corporation in its attempts to reduce illiteracy to a minimum. Four Medical Inspectors and two Inspectresses examine periodically all school children in Corporation Schools and render medical aid at the spot in cases of minor ailments and advise parents to send the children to dispensaries or special hospitals according to the nature of the malady detected. The teaching of personal hygiene is one of the subjects included in the school curriculum for all the standards. The co-operation of the teachers and the head-masters and their influence with the parents in regard to matters of personal hygiene of the children are of paramount importance, and this fact is constantly brought home to the school staff.

Needy children are occasionally given oil baths in the school premises and oil and soapnuts are freely supplied for that purpose. Boiled water is also provided for drinking purposes.

73.1 per cent of children attending Corporation Schools were medically examined during the year as against 66 per cent. in the previous year and the percentage of defective children to the number examined was 64.8 during the year as against 62.5 per cent during the previous year. A detailed report on the findings of Medical Inspections of school children is embodied in the Health Officer's report for the year 1929.

READING ROOMS.

46. There are three Reading Rooms maintained by the Corporation for the benefit of the public, one in Thousand Lights, another in Egmore and the third in Triplicane. Contributions were also paid to 23 Reading Rooms maintained by private bodies—(Vide Statement No. 14 Appendix III).

SCOUTS.

47. There were 30 Troops in different boys' schools with more than 500 scouts and 30 trained scout masters. Advanced training in Scout Mastership was given during the year to 24 teachers by M.R.Ry. V.S. Rathnasabhapathy, the Organising Secretary, at Red Hills in March 1930.

GIRL GUIDES.

48. There were 16 flocks of Blue Birds in charge of 10 lady teachers who were trained in the Summer School at Ootacamund under the auspices of the Young Womens' Christian Association. 30 more lady teachers were trained in Blue Birds work by the Provincial Trainer Miss. Hillbrook. The Girl Guides were under the charge of the Guide Commissioner Miss. M.M. Swamikannu, B.A., L.T., Lady Superintendent of Corporation Girls Schools.

The Scouters rendered service at the Madras Beach on the occasion of the Masi Makam Festival in February 1930, where large crowds of people had gathered for bathing. The meritorious service rendered there by Scouter Mr. S.P. Jagannathan in saving the life of a boy from drowning at the risk of his own life is worth recording.

The Corporation Scouts presented a posse of welcome to Their Excellencies Lord and Lady Irwin at the time of Their visit to the Ripon Buildings to receive the civic address of welcome on 12—12—29.

The Girl Guides and Scouts presented also a posse of welcome to Their Excellencies Sir George Stanley and Lady Beatrix Stanley on the occasion of the opening of the Health and Baby Week at the S.I.A.A. Grounds, when Their Excellencies were pleased to inspect the Scouts and Blue Birds.

A continuation course for the Scout Masters is being conducted by the Organising Secretary, besides his daily visits to troops and packs.

To put the Movement in the Corporation Schools on a sound basis, as an authorised body under the All India Boy Scout Association, arrangements were made to form a Local Association, for the Corporation area. This Association will, it is hoped, be able to spread its beneficent influence amongst the boys in all the schools under the Corporation in an ever increasing measure.

CONCLUSION.

Statement No. 6, Appendix III shows the progress of Elementary Education in the city.

SCHOOL FOR DEFECTIVES.

The Deaf, Dumb and Blind School was opened by the Corporation of Madras on the 18th December 1926 in the Old Leper Asylum buildings with 1 blind girl and 3 deaf mutes. The strength of the school rose to 29 pupils on 31—3—1929 and to 32 on 31—3—1930. There were ten boys and three girls in the deaf mute section and 15 boys and four girls in the blind section on 31—3—1930. All the pupils with the exception of 3 day scholars were given boarding, lodging, clothing and medical attendance free of cost and they are under the superintendence of a qualified Medical man who is also the Superintendent of the Corporation Poor House.

The necessary apparatus and appliances for imparting instruction in 3 R's have been provided. Instruction in cotton weaving is at present given. To brighten existence for these unfortunates, proposals for imparting instructions in music and sewing, were under consideration during the year under report. The teaching staff consisted of 2 male teachers and 2 female teachers with special training and one weaving instructor.

The average cost per head of pupil amounted to about Rs. 8 per mensem. A moiety of the cost of maintenance of this Institution is borne by Government (vide G.O.No. M. S. 443, Law (Education), dated 12—3—1930).

It may be stated that the pupils of the U.F.C. Mission Boys' School, Royapuram give an annual feast to the defectives of this institution. Through the munificence of a few kind-hearted gentlemen, the pupils were also entertained on more than one occasion with music and gramaphones.

Separate accommodation is also set apart for the sick. The moral tone and discipline of the school has considerably improved.

CORPORATION SECONDARY SCHOOL, NUNGAMBAKKAM.

49. A brief report on the working of the Corporation Secondary School, Nungambakkam is given below:—

1. Nungambakkam is a growing suburb to the southwest of the city. For a long time there was no High School for a radius of two to two and a half miles all round. To cater for its educational needs, private enterprise was not forthcoming though there was no lack of honest effort on the part of the residents. At last as a result of efforts on the part of the Divisional Councillor, M.R.Ry. Rao Bahadur P. Ranganatham Chetty Garu, the Corporation of Madras opened the Secondary School at Nungambakkam on the 14th of June 1926, with forms one and two. The school was accommodated in a rented house in Rama Naick Street and had 67 pupils on its rolls. In 1927 the school was shifted to the first floor of the Corporation Model School, Nungambakkam. The third and fourth forms were added in 1927 and 1928 respectively.

On the 17th of June 1929, V Form was opened in accordance with the resolution of the Council passed in May 1929 and provision was made for the teaching of the two groups of optional subjects (1) Mathematics and Physics and (2) History and Tamil. The average number of pupils on the rolls in 1929—30 was 197, including 7 girls and 18 Adi-Dravidas, during the year as compared with 152 in 1928—29 and the average daily attendance was 179. The receipts from the levy of school fees etc., was Rs. 6022 as compared with Rs. 4,970 in the previous year. The expenditure on staff etc., was Rs. 5,090 and that on furniture, science apparatus, library books and other con-

tingencies Rs. 4008. Therefore the net cost of the maintenance of the school in 1929—30 was Rs. 3,076.

The District Educational Officer, Madras, in his inspection report dated 29—3—1930 observed as follows.—

"Nungambakkam with its extensions and the adjacent suburb of Theagaraya Nagar, both these localities needed a High School. The Secondary School opened by the Corporation of Madras, not long ago in Nungambakkam amply answers the demands of these localities for Secondary Education. Its strength has steadily increased in its short age of four years. But its further development has been retarded mainly by the absence of a good habitation for itself. The work of erecting a building for it has however, been started".

"The work done by the teaching staff was on the whole fairly good".

"The field games are also practised. The Scout Movement is fairly well maintained".

Besides these activities there were five class associations in charge of the respective class-masters. They held on an average 12 meetings each and 5 more common meetings and discussed a variety of topics of interest suitable to the classes, alternately in English and Tamil. Class library system was followed and the average number of books taken out by a pupil in the year was twelve.

Thus the year 1929—30 was a period of fair expansion and progress for the institution.

SANITATION AND MEDICAL SERVICES HOSPITALS AND DISPENSARIES.

50. *Rajah Sir Ramaswami Mudaliar's Lying-in-Hospital*:— The amount spent on this institution was Rs. 38159—9—8 as against Rs. 32,242—13—4 in the previous year, as against Rs. 36,550 in the budget and Rs. 38,050 in the supplemental Budget. The number of inpatients treated was 3315 and that of out patients 6227 against 3141 and 5954 respectively in the previous year.

The report of the Medical Officer of the above hospital and the reports of the other hospitals and dispensaries to which contributions were paid by the Corporation during the year under report appear in Appendix IV.

CONTRIBUTION.

51. (1) *The Madras Presidency Maternity and Child Welfare Centres:—*

A contribution of Rs. 300 at Rs. 100 for each centre till November 1929 and Rs. 200 for 2 centres from December 1929, (one of them abolished), sanctioned in G.O. No. 3440 Mis. L & M, dated 23rd July 1929, for 29—30 was paid during the year under report.

(2) *All India Thanks Giving Fund:—*

A contribution of Rs. 500 sanctioned in G.O. No. Mis. 2906 L & M, dated 19th June 1929 for 1929—30 was paid during the year under report.

(3) *The Dharma Siddha Vydia Free Dispensary, Oobrapalayam*

A contribution of Rs. 100 sanctioned in G.O. Mis. No. 2353 L & M dated 5—6—28 for the year 1927—28 was paid during the year under report.

(4) *Goschen Memorial Fund:—*

A contribution of Rs. 500 sanctioned in G.O. No. Mis. 5043 L & M dated 7th November 1929 for 1929—30 was paid during the year under report.

(5) *The Hindu Yuvathi Saranalayam:—*

A contribution of Rs. 500 sanctioned in G.O. No. 5491 Mis. L & M dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(6) *The Seva Sadan:—*

A contribution of Rs. 1,800 sanctioned in G.O. No. 5491 L & M dated 2nd December 1929 for the year 1928—29 was paid during the year under report.

(7) *The Ambal Siddha Vydia Free Dispensary:—*

A contribution of Rs. 350 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(8) *The Free Hahneman Dispensary:—*

A contribution of Rs. 100 sanctioned in G.O. No. 5491 Mis. L & M dated 2nd December 1929 for 1928—29 was paid during the year under report.

(9) *The C. T. Subramania Pandithers Free Siddha Ayurvedic Dispensary:—*

A contribution of Rs. 400 sanctioned in G.O. No. 5491 L & M dated 2nd December 1929 for 1928—29 was paid during the year under report.

(10) *Meignana Siddha Dharmasala*:—

A contribution of Rs. 100 sanctioned in G.O.No.5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(11) *The Arya Vysia Free Ayurvedic Children's Hospital*:—

A contribution of Rs. 1000 sanctioned in G. O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(12) *The Siddha Vydia Sangam Free Dispensary Oobrapalayam*

A contribution of Rs. 500 sanctioned in G. O. No. 5491 Mis. L&M. dated 2nd December 1929 for 1927-28 & 1928-29 was paid during the year under report.

(13) *The Tamil Mission Orphanage*:—

A contribution of Rs. 600 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1927-28 & 1928-29 was paid during the year under report.

14. *The Vasudevananda Free Ayurvedic Dispensary*:—

A contribution of Rs 200 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the under report.

(15) *The Siddha Vydia Sangam Free Dispensary Royapuram*

A contribution of Rs. 500 sanctioned in G.O. No. Mis. 5491 L&M., dated 2nd December 1929 for 1927-28 and 1928-29 was paid uuring the year under report.

(16) *The Sree Kanyaka Parameswari Devasthanam Ayurvedic Dispensary*:—

A contribution of Rs. 1000 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1927-28 and 1928-29 was paid during the year under report.

against Rs. 32,242—13—4 in the previous year, as against

(17) *Free Unani Dispensary, Mount Road—10, Takuddin Khan Bahadur Street*:—

A contribution of Rs. 100 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the year under report.

(18) *The Anjuman-e-Himayath-e-Islam and Muslim Orphanage*

A contribution of Rs. 2000 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1927-28 and 1928-29 was paid uring the year under report.

(19) *The Society for the Prevention of Cruelty to animals:—*

A contribution of Rs. 200 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the year under report.

(20) *The Chennapuri Annadana Samajam:—*

A contribution of Rs. 800 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the year under report.

(21) *The St. Thomas Convent Dispensary:—*

A contribution of Rs. 500 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the year under report.

(22) *The Depressed classes Mission Society:—*

A contribution of Rs. 100 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1928-29 was paid during the year under report.

(23) *The Gosha Fund:—*

A contribution of Rs. 500 sanctioned in G. O. No. 5491 Mis. L&M., dated 2nd December 1929 for 1927-28 and 1928-29 was paid during the year under report.

(24) *The Triplicane Annadana Samajam:—*

A contribution of Rs. 600 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(25) *The Agri-Horicultural Society Flower Show Prize Fund*

A contribution of Rs. 50 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 was paid during the year under report.

(26) *The Discharged Prisoners' Aid Society:—*

A contribution of Rs. 200 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(27) *The Anjuman-e-Industrial School:—*

A contribution of Rs. 500 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(28) *The St. Mathia's Church Day School:—*

A contribution of Rs. 2,000 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1929—30 was paid during the year under report.

(29) *The Monegar Choultry*:—

A contribution of Rs. 1000 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

30. *The Friend-in-need Society*:—

A contribution of Rs. 300 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(31) *The Venkataramana Dispensary, Mylapore*:—

A contribution of Rs. 1000 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(32) *The Free Unani Dispensary, Triplicane*:—

A contribution of Rs. 1,250 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(33) *The P. T. Lee Chengalvaraya Nayagar's Free Dispensary*:—

A contribution of Rs. 500 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(34) *The Pasteur Institute, Coonoor*:—

A contribution of Rs. 500 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(35) *The Salvation Army*:—

A contribution of Rs. 200 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(36) *The Vappatur Alwar Chetty's Free Ayurvedic Dispensary*

A contribution of Rs. 100 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(37) *Dharma Vydia Sala, Washermanpet and Tondiarpet*:—

A contribution of Rs. 600 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1927—28 and 1928—29 was paid during the year under report.

(38) *The Madras Children's Aid Society, Klipauk*:—

A contribution of Rs. 100 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(39) *The Boys' Scouts Association*:—

A contribution of Rs. 500 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1929—30 was paid during the year under report.

(40) *The Health Propaganda Board*:—

A contribution of Rs. 600 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(41) *The S.S. Anandam's Tamil Siddha Free Dispensary*:—

A contribution of Rs. 300 sanctioned in G.O. No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(42) *The Kalyani Hospital, Mylapore*:—

A contribution of Rs. 1000 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

(43) *The Corporation Scouters' and Guiders' Club*:—

A contribution of Rs. 250 sanctioned in G.O.No. 718 Mis. L & M, dated 22nd February 1930 for 1929—30 was paid during the year under report.

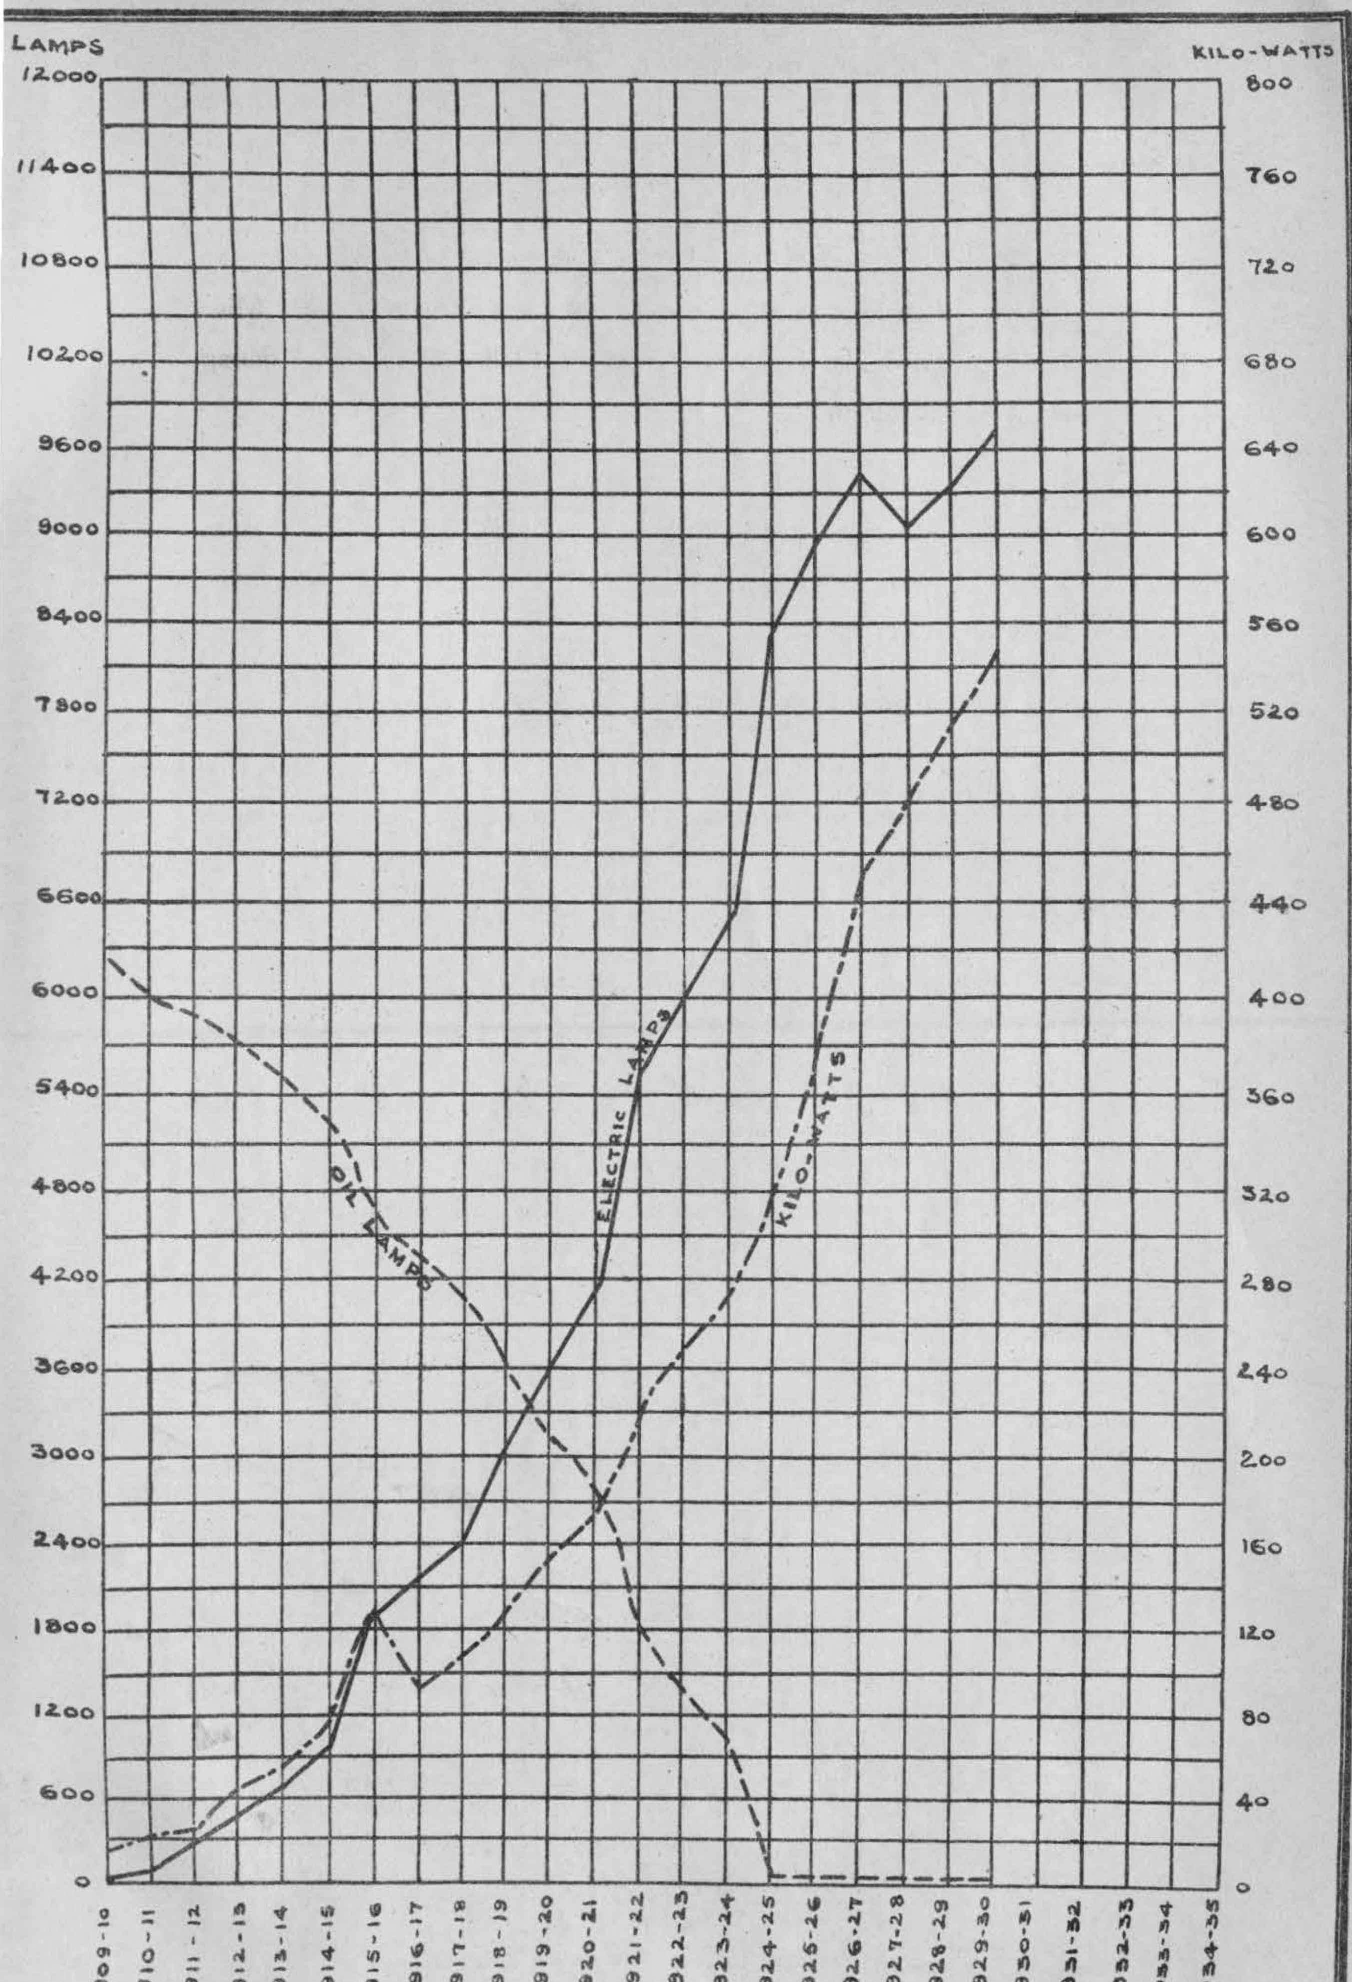

(44) *Society for the Protection of Children*:—

A contribution of Rs. 1,000 sanctioned in G.O.No. 5491 Mis. L & M, dated 2nd December 1929 for 1928—29 was paid during the year under report.

ELECTRICAL DEPARTMENT.

STREET ELECTRIC LIGHTING.

52. The graph facing this page shows the progress made in street electric lighting up to 1—4—1930.

B.A., B.Sc. Tech., A.M.I.E.E., M.I.E.,
Electrical Engineer
Corporation of Madras

The tabulated statement given below shows the number of electric lights installed and removed in each year from the commencement, as also the length of cable laid for street electric lighting:—

Year.	Length of cable laid in miles.	Number of lights.		
		Installed.	Removed.	Balance.
1912–13	10·00	452	—	452
1913–14	11·00	224	2	222
1914–15	12·00	335	—	335
1915–16	20·00	868	8	860
1916–17	5·00	277	8	269
1917–18	6·94	275	1	274
1918–19	17.47	618	—	618
1919–20	17·95	574	9	565
1920–21	17·08	541	23	518
1921–22	31·69	1,358	37	1,321
1922–23	44·75	580	32	548
1923–24	16·50	584	145	439
1924–25	7·78	2,173	297	1,876
1925–26	6·50	709	128	581
1926–27	9·73	1,164	668	496
1927–28	6·36	1870	2,224	—354
1928–29	8·48	475	255	220
1929–30	9·90·	958	526	432
	259·13	14,035	4,363	9,672

During the year 1929—30, 9.9 miles of Low Tension cable were laid by the Corporation, 958 lamps were installed departmentally and 526 lamps were removed.

The total length of mains laid by the Corporation for street electric lighting purposes is 284.48 miles, of which 6 miles are three phase, High Tension underground cable, 259.13 miles Low Tension underground cable and 19.35 miles overhead lines.

The mains laid by the Madras Electric Supply Corporation up to 31st March 1930 are as follows:—

		Miles
1.	High Tension Overhead mains ...	7.5621
2.	High Tension Underground mains ...	65.7986
3.	Low Tension Overhead feeders ...	7.712
4.	Low Tension Underground feeders ...	24.0778
5.	Low Tension Overhead distributors ...	69.5519
6.	Low Tension Underground distributors ...	54.887

The total number of electric lights on 1—4—1930 is 9672 as against 9240 the same date the year previous to the one under review. The following statement shows the additions and removals carried out during the year:—

STATEMENT.

IMPROVEMENTS TO STREET ELECTRIC LIGHTING.

53. The Council appointed during the year under review a Committee to consider the possibility and practicability of municipalising electric supply. The Committee after having found that the capital involved for municipalising electric supply was more than a million pounds gave up the idea and considered a more modest scheme of improving street electric lighting only. The Committee, after consideration, recommended to the Council the adoption of the scheme prepared by the Electrical Engineer at as early a date as possible, and the Council have approved the scheme, the estimated cost of which is 11 lakhs. This scheme consists of erecting 11 new substations in the various parts of the City except Rayapuram, Perambur and Mambalam areas and connecting the same with the Madras Electric Supply Corporation Power House in Basin Bridge by High Tension ring mains. The ring main will also be connected to the sub-station in Mambalam and also to the existing High Tension mains in 1 to 4 & 16 Divisions. The yellow coloured portion in the City plan shows the area fed from Corporation sub-stations. In 1 to 4 divisions the Corporation. High Tension mains are connected to the Madras Electric Supply Corporation sub-station in Royapuram. These carry high tension current to the five substations and it is converted there into Low Tension supply for street electric lighting. In the 16th Division, there is a substation which is connected by Corporation high tension main to the Madras Electric Supply Corporation Power station. The high tension energy at this station is converted into low tension supply for all the street lights in the 16th Division. All the streets in the City of Madras with the exception of those in Mambalam, a newly added area, coloured green in the City plan are completely lit with electric lights. A scheme for Mambalam has already been sanctioned and the work is in progress. In the areas other than 1, 2, 3, 4, and 16th divisions there are no sub-stations belonging to the Corporation. The lights in these areas, coloured red in the City plan, are either connected in groups or individually to the M.E.S.C. Distributors. It is now proposed in the scheme to extend the same arrangement as that of 1 to 4 and 16 Divisions for the remaining parts of the City by laying high tension mains and distributing mains (Low tension) in view of the fact that the present system of working in Royapuram & Perambur areas is found satisfactory, in the matter of efficiency

of lighting. At each of the proposed substations, transformers and suitable high tension switchgear will be installed to convert the high tension energy into low tension supply for street lighting. Thus an independent complete system of distribution is aimed at by the Corporation. The Supply Company have agreed to supply current at a very much lower rate after the new scheme is completed, so much so there will be a minimum saving of about Rs. 80,000 per annum in current bills. As the candle power and also the number of lights increase, there will be a corresponding saving and according to the scheme, the saving is expected to be as high as 2½ lakhs per annum, when the high candle power lamps are introduced as per scheme. A tabulated statement showing the savings for various loads is attached. (Appendix II Table No. 43). At present the load is about 550 Kilowatt. After the scheme is completed, the load is expected to be 1,200 Kilowatt.

ELECTROCUTION OF DOGS.

54. The construction of an electrocuting station was almost completed during the year under review. The necessary electric motors &c., are now on order and are expected to be received shortly, when it is hoped the station will be brought into use.

BROADCASTING.

55. Arrangements were made to start the Municipal Broadcasting Scheme. The scheme consists at present of broadcasting vocal and instrumental music from the Studio in Ripon Buildings every evening from 5-30 to 7. The programme of music as at present arranged is as follows:—

1.	Mondays & Thursdays	English music.
2.	Tuesday, Friday & Sunday	South Indian music.
3.	Wednesdays & Saturdays	Hindustani music.

Owing to restricted finance, mostly amateur artists are at present engaged on a small remuneration as fixed by the Council.

The only loud speaking equipment possessed by the Corporation, at present, is being moved from park to park each week, but as the scheme is to give the benefit of radio music to the rate-payers in general, simultaneously, in the various Parks of the City, the question of financing the purchase of additional loud speakers required is now under consideration. It is also hoped that all the schools in the Corporation will in due time have small Receiving sets, so that interesting lectures by Radio, on Hygiene &c. may be given to the school boys and girls. It is also proposed to have drill to the tune

of radio music in all the schools but until funds are made available, the existing arrangement will continue. The Transmitting apparatus installed in Ripon Buildings has been designed to give crystal reception in the various parts of the City of Madras so much so that the transmissions are powerful enough to be picked up by multi valve sets in such distant places as Vizagapatam in the north and Colombo in the south, even in summer months. Letters of appreciation have been received from these quarters.

ELECTRIC TRAFFIC CONTROLLER.

In addition to the traffic controllers at Body Guard Road and Broadway, the erection of a Traffic Controller on an improved design at Round Tana junction is under consideration.

CAPITAL WORKS—MAMBALAM.

56. 170 lights have already been installed in Mambalam and are working, of which 91 are fed by an Electric Generating Set, 10 Kilowatt capacity temporarily installed at the Mambalam sub-station. The remaining lights are now fed from M.E.S.C. distributors in Mount Road. It is expected that the Madras Electric Supply Corporation will be ready to give their High Tension supply to the Mambalam street lighting sub-station about the end of August 1930, when supply will be taken entirely from them for the whole area and the temporary Oil Engine now run by the Corporation will be discontinued.

A list of miscellaneous works carried out during the year and a list of incomplete works during the year are found in Appendix II Table Nos. 44 to 45).

AVENUES.

57. There were 13,225 avenue trees at the end of the year, of which 896 were fruit-bearing ones. During the year, the number of trees planted was 150. The expenditure incurred under this head amounted to Rs. 5458.

PUBLIC AMENITIES-PARKS.

58. The city Parks continued to be under the supervision of the Engineer during the year.

The following way-side parks and gardens were newly laid out during the year.

1. Garden in Strahans Road, 16th Dn. named as "Chelvapathy Chetty Park."
2. Garden in Lloyds Road.
3. Two gardens in Chella Pilliar Koil St., 26th Division.
4. Extension of the existing garden along the Spur Tank Road towards the north to 100 yards.

5. Garden in San Thome High Road.

7. Garden in Bradway junction of Ammen Koil Street.

6. Garden in Jani Jahan Khan Road.

8. Garden at the junction of Peters Road and Thousand Lights.

9. Garden near the Madras Club reformed.

10. Garden in Washerman Lane, 23rd Division.

11. Garden at the junction of Hunters Road and Jeremiah Rd.

12. Garden in Gangadeswarar Koil Street junction of Lawder's Gate Street.

13. Garden in Kuttithambiran Street.

14. Garden in Sydenhams Road junction of Thiruvengada Mudali Street.

15. Two gardens in Vyasarpady.

16. Garden in Mundakanniamman Koil Street, Mylapore.

17. Reformation of the Park in Marshalls Road.

Parks in Rundalls Road, Sydenhams Road junction of Choolai Bazaar Road near the Balayya Naidu Dispensary, were named,

"Thirumalai Pillai Park"
"Venkatesa Perumal Park"
"Natarajaswami Park" respectively.

The Cupids Bow garden was abolished from 10—9—1929, as the land was wanted by Government.

For the People's Park, a well, west of the Zoo was sunk and a Boulton Pump over one of the wells was fixed.

For the Napier Park, the improvements proposed, had to be deferred, owing to the alienation of the north eastern area of the park to the Rajah Sir Annamalai Chettiar Memorial Committee.

In accordance with Council's resolution, the 'Fern house' in the Robinson Park was dismantled. With the dismantled materials, the above house was reconstructed within the Park.

During the year, the compound of the Choolai Model School was remade into a garden at the expense of the Educational Department.

The Eleventh Annual Flower Show was held in the People's Park on Saturday, the 15th February 1930. His Excellency the Governor and Lady Beatrix Stanley visited the Show, which was, as usual, kept open for a week.

Indian Music continued to play in several places in the city, once a month.

The Band of the Madras Guards played, as usual, four times a month in the Marina only.

The statements of receipts and charges of the Parks are given in Appendix II, Tables Nos. 34 to 39.

ZOOLOGICAL GARDENS.

59. The Zoo in the Peoples Park continued to be under the supervision of the Health Department. The right of collecting entrance fees from persons visiting the Menagerie Enclosure for one year from April 1929 was sold in public auction and the amount realised was Rs. 13,700.

Besides this Rs. 475 was realised as rent from bazaars kept there. During the year under report a sum of Rs. 33,600 was sanctioned to improve the Zoo and with this amount the Zoo has been extended with an improved entrance. Two sets of cages already in existence and open enclosures attached to them in which the animals can move about freely and have plenty of sunlight have been improved. A rabbit cage with enclosure has also been constructed. An open enclosure with housing accommodation for the lions and tigers similar to the one in Mysore is under construction as also a reptile house and if finance permits a few more cage will be built or improved upon.

It is unfortunate, however, that the amount sanctioned is to be used only for construction and not for purchase of animals, audit objection having been raised to the latter.

During the year under review the supply of animal food was made at the following rates:—

He-goat's meat at 4 annas 6 pies per lb. and beef at 1 anna per lb.

Other provisions to the value of Rs. 650 a month approximately were supplied

LIVE STOCK:—

(i) Additions:—

(a) The following animals were born in the Zoo—

2 Spotted deer

1 Sambbur

4 Guinea pigs

3 Lion cubs

(b) The animals presented were—

2 Small monkeys

2 Leopards

1 Female elephant

(c) The animals purchased were—

2 Brown Russian bears (cubs)

1 Male lion.

1 pair kangaroos

(ii) Deductions:—

(a) Animals sold—

Animals sold—

1 pair lion cubs

1 pair wandaroo monkeys

(b) Animals that died of old age or other causes:

1 Old lion

1 Lemur monkey

1 Squirrel

1 Brown bear

1 Fallow deer

2 Mouse deer

1 Brahmany duck

4 Manilla ducks.

FIRE.

60. There were 88 fire calls during the year. In 34 cases, the fires were brought under control, while, in others, the fires were extinguished before the arrival of the engines on the scene. The cost of maintaining the three engines, including establishment, was Rs. 29,408—4—5 as against, Rs. 21,133—2—0 last year.

SUPERVISION AND MANAGEMENT.

61. The expenditure under this head amounts to Rs. 403,240—7—1 which is 7.07 per cent of the total receipts of the year. The portion of this sum spent on establishment for the purpose of assessment and collection amounted to Rs. 2,71,378-8-8 or 4.76 per cent of the total receipts.

REPAYMENT OF DEBT.

62. The total investments at the beginning of the year on account of sinking funds relating to the several loans of the Corporation exclusive of the Government loans repayable in instalments stood at Rs. 35,33,600 in Government securities and Madras Municipal Debentures with a cash balance of Rs. 99,911-2-9. During the year under report, an allotment of Rs. 1,30,030 was made to the sinking fund from general revenue and a sum of Rs. 1,67,148-13-5 was realised as interest on prior investments of the fund. The total cash receipts of the year amounted to Rs. 3,97,090-0-2. With this sum. Government securities and Madras Municipal Debentures of the face value of Rs. 4,01,000 were purchased at a cost of Rs. 3,69,316- -5. The investments at the close of the year at the credit of the fund aggregated to Rs. 39,34,600 in Government securities and Madras Municipal Debentures with a cash balance of Rs. 27,773-12-9. Payments amounting to Rs 7,19,454 4-0 were also made during the year towards the Government loans of Rs. 88 lakhs, out of which Rs. 4,85,721-15-0 was appropriated by the Accountant-General towards the repayment of loans and Rs.2,33,732-3-0 towards interest. The total amount of loans outstanding at the close of the year was Rs. 143·47 lakhs and the annual charges for their repayment with interest amount to Rs. 13·72 lakhs as against the maximum of Rs. 26·10 lakhs to which the borrowing power of the Corporation is limited under Section 144 of the Madras City Municipal Act 1919.

REMUNERATIVE ENTERPRISES—WORKSHOP.

63. The total value of works turned out in the workshop during the year was Rs. 2,04,980—4—11 and the amount earned in the shape of supervision charges, etc., amounted to Rs. 30,324—9—2 as against Rs. 1,59,661—15—7 and Rs. 20,754—8—3, respectively last year. The cost of establishment amounted to Rs. 18,398—2—5, as against, Rs. 15,350—7—7 last year. The expenditure incurred on account of contingent charges, such as, maintenance of three engines, cost of tools, leave allowances to workman, etc., amounted to Rs. 19,745—9—2 or 9.7 per cent nearly on the value of works turned out, as against, Rs. 20,441—14—2, or 12.8 per cent of last year. Interest on capital outlay, was Rs. 2,627—15—2. The total receipts fell short of expenditure by Rs. 10,447—1—7.

This shortage is due to slackness of work in workshop during the year, and also due to the non-adjustment of a portion of supervision charges for want of funds.

During the year under report, a sum of Rs. 25,000 was sanctioned by the Council out of the Government loan of Rs. 5 lakhs towards improvements of workshop, and the work is in progress.

THE GENERAL STORES.

64. M.R.Ry. S. Subramanyam Chetty Garu, Officer-in-charge of Stores was on leave from 4th April 1929 till 4th August '29 On his return from leave, he was posted to act as Assistant Revenue Officer till 31st March 1930. Mr. S. Voycodech, acted during the period in the absence of the permanent Stores Officer.

IMPROVEMENTS:—Out of the several proposals pending at the Stores only one materialised i.e., purchase of a Platform Weighing Machine at a cost of Rs. 10,550 which has been installed at the eastern portion of the General Stores.

PURCHASE:—Purchases of articles were as usual made by means of tenders invited at the beginning of the year Owing to the delay in settling the contract by the Standing Committee (Works), articles urgently required for use, were purchased from the lowest tenderers or from the local market whichever was cheaper. The total value of the hardware contract amounted to Rs. 3,35,028-8-3 and all the contractors furnished 10 per cent of the value of their contract and executed the agreements in conformity with the provisions

contract as regards the quality of the materials supplied were strictly enforced and in several cases the supplies were rejected and the materials purchased at the risk and cost of the defaulting contractor. In cases of failure to supply within the prescribed time, the contractors were allowed reasonable time consistent with the demand of the material, and failure even after the grant of extension of time resulted in purchases at their risk and cost. In 34 cases risk purchases were ordered during the year.

NON-SCHEDULED ARTICLES:—The requirements of the Corporation General Stores other than those referred to in the General Stores Schedule were purchased by calling for quotations from the Registered contractors (i.e., those who had their names registered for supplies of specific materials) and by accepting the lowest quotations. In rare cases they were purchased by the Officer himself from the market after due enquiries. A registration fee of Rs. 5 for the official year was collected from the contractors who applied for inclusion of their names in the register for supplying non-scheduled articles and the total amount realised by such registration was Rs. 200.

MEDICINES.—During the year under report medicines required by the Corporation were obtained largely from the Government Medical Stores and in some cases from Messrs. Spencer & Co., in accordance with the resolution of the Standing Committee. The preparation of the estimates of the annual requirements of medicines etc., and the preparation of the annual indents on Government Medical Stores were attended to by the Health Department.

GRAIN DEPOT:—The Central Grain Depot from which provisions of horsegram, wheat bran, rice etc., are issue to bullocks and conservancy coolies continued to be under the charge of the Stores Officer. The statement attached shows the transactions of this depot alone during the year. (Appendix IV Statement No. 5).

The Oil Engine at the Grain Depot has since been replaced by an Electric Motor for grinding grain etc., and the work of grinding is now going on expeditiously.

UNSERVICEABLE ARTICLES:—Articles returned as unserviceable by the Heads of departments are still kept in the small yard attached to the Grain Depot as a provisional measure and these articles are sold in auction monthly under the immediate supervision of the Officer in charge of Stores. During the year under report three

auctions were conducted and the total amount realised was Rs. 2,261—4—0. The shifting of the unserviceable yard to a better place than the present site is under consideration and will be carried out after making adequate arrangements for disposal of articles.

ACCOUNTS:—Under deposit and advance account, the Corporation granted as usual an advance of one lakh of rupees towards purchase of Stores and negatived the proposals to increase the Permanent Advance to two lakhs owing to financial stringency. The monthly statements of both the Workshop and Divisions were submitted to the Heads of departments, and the total transactions during the year with the Workshop and Divisions amounted to Rs. 99,008-9-0 and Rs. 2,73,002 respectively thus aggregating in all to Rs. 3,72,010 for the year.

There has been considerable reduction of audit objections on account of prompt checking of transactions during the year.

Comparative statements showing the transactions of the General Stores from the year 1912—1913 to 1929—30 will be found in Appendix IV—Statement No. 4.

The work at the Stores is steadily increasing on account of the opening of additional schools and the loan funds obtained from the Government for carrying out special works during the year such as construction of public latrines and other buildings.

VERIFICATION OF STOCK:—The annual verification of the General Stores for the year was conducted by the various Officers of the Corporation deputed for the purpose and the quarterly verifications were conducted by the Officer in charge of Stores. The Annual verification took place from 4th March to 31st March 1930 during which period the Stores were closed for all transactions. The value of the articles found short at the General Stores was Rs. 1,622 and that found in excess Rs. 1,728, as compared with the previous year's figures of Rs. 669 and Rs. 1,873 respectively. The shortages were mostly due to ordinary wastages, dryage, etc., which are inevitable in a large transaction of more than 2,000 items costing about 4 lakhs of rupees.

The quarterly verifications conducted by the Officer in charge of Stores during the year received the scrutiny and assent of the Standing Committee.

Corporation of Madras,
6th August 1930.

E. CONRAN SMITH,
Commissioner.

Abstract of the Accounts of the Madras Corporation for 1929-30.

APPENDIX—II TABLE No. 20.

Statement showing the value of Pumping Stations buildings and plants as given in the Administration Report for 1928-29 compared with the estimated value on 31st March 1930.

Name of Pumping Stations.	Particulars.	Value in books on 31st March 1929.	Estimated value on 31st March 1930.
		Rs.	Rs.
Royapuram	Buildings	10,225	9,970
	Machinery	54,320	51,604
Law College	Buildings	19,313	19,777
	Machinery	41,385	39,316
Langs Garden	Buildings	8,462	8,250
	Machinery	6,790	6,450
Napier Park (Old)	Buildings	9,207	8,977
	Machinery	8,437	8,015
Do (New)	Buildings	1,04,646	1,01,996
	Machinery	2,35,697	2,23,912
Ice House Road Pumping Station (Old)	Buildings	7,319	7,136
	Machinery	2,646	2,514
Ice House Road (New)	Buildings	97,737	95,293
	Machinery	90,373	85,854
Mylapore	Buildings	3,070	2,993
	Machinery	5,105	4,850
"A"	Buildings	11,215	11,122
	Machinery	11,503	10,928
"B"	Buildings	13,083	13,670
	Machinery	17,448	16,576
"C"	Buildings	10,409	16,200
	Machinery	11,543	10,966
Purasawalkam	Buildings	95,322	92,939
	Machinery	1,17,581	1,11,702
Kilpauk	Buildings	1,41,379	1,37,844
	Machinery	2,34,271	1,22,557
	Elevated tank	1,30,757	2,26,485
	Masonry foundation	72,095	70,293
Demellows Road	Buildings	2,178	2,124
	Machinery	7,090	6,635
	Total ...	15,80,606	15,20,948
Amount to be written off with the sanction of the Standing Committee for loss, wear and tear and depreciation. Deduct value of buildings and machinery added during the year		...	59,658
	Grand Total ...	15,80,606	15,80,606

APPENDIX II—TABLE No. 21.

Cost of pumping at Pumping Stations From April 1929 to March 1930.

APPENDIX II—TABLE No. 41.

Statement showing some of the more important works amounting to Rs. 1,000 and above, executed at Corporation Workshop during the year 1929–30.

Serial No.	DESCRIPTION OF WORK.	Estimate No.	Order No.	Estimated cost. Rs.	A.	P.	Remarks.
1	Manufacturing 300 sets open pattern C. I. Manhole covers 18" dia ; 600 sets light sealed C. I. Manhole covers 20"x20" ; 300 sets light sealed C. I. Manhole covers 16"x16" ; 500 sets C. I. Lamphole covers 12" dia and 500 sets C. I. bases for steel ventilating columns (as per Spl. Works Dept. Drawing Nos. 1 to 5.)	253	1624	34,529	8	0	
2	Manufacturing 200 night-soil buckets (N.P.) with folding lids 2'-0"x 1-⅛" dia.	25	254	3,200	0	0	
3	Do 100 C. I. glow lamp posts with ornamental brackets.	35	115	6,900	0	0	
4	Do 10 C. I. meter doors 2' 6"x2' and 25 of 2'x1'-6" with W. I shutters, Hambaker pattern and also 36 W. I. meter doors 2'x1'-6"	45	470	2,201	0	0	
5	Do 141 C I Tee branches of sizes.	46	295	2,230	0	0	
6	Do 1000 corrugated iron dust bins 2'x2'-0".	51	227	9,250	0	0	
7	Do 10 Sewage cylindrical cart with C. I. Nave 4'x2'-6".	54	285	2,200	0	0	
8	Do 500 cast iron stop cock boxes.	66	362	1,562	0	0	

9	Do 400 T. W. sitting planks, 400 T. W back benches, 200 T. W black boards with easels, 300 T W Low desks, 200 T. W. chairs and 100 T W small tabl es	75	371	13,020	0	0
10	Do 300 Waste-not taps	76	372	3,693	12	0
11	Repairing thoroughly the sentinal steam waggon No. 6, M C 6657	80	391	1,010	0	0
12	Manufacturing 50 C. I. Manhole covers 2'-3" diameter	103	522	1,414	0	0
13	Manufacturing 100 C. I. glow lamp posts with ornamental brackets.	118	873	6,900	0	0
14	Do 250 Night soil buckets with folding lids 2'x1'-8" diameter	121	669	4,156	0	0
15	Do 5000 corrugated iron dust bins 1'-9"x1'-7½".	131	778	3,125	0	0
16	Do New pattern trolley with iron body (to be used by bulls or by Fordson Traetor)	153	886	1,000	0	0
17	Do 1000 silt catcher buckets A type	157	992	1,880	0	0
18	Do 500 cast iron stop cock boxes	177	1071	1,562	0	0
19	Repairing thoroughly steam Road roller No 7	183	1555	1,976		0
20	Do 100 C. I. dirt boxes of sizes	184	1084	1,145	0	0
21	Do 24 single draught night soil carts	200	1178	4,272	0	0
22	Do 34 Double draught rubbish carts 6'x3'-6"x2'-3"	227	1300	7,480	0	0
23	Repairing thoroughly Portable boiler M. 199 of Mylapore Pumping Station	252	40	1,074	0	
24	Manufacturing 40 double draught rubbish carts 6'x3'-6"x2'-3"	266	1553	8,800	0	0

APPENDIX II—TABLE No. 42.

Statement showing the number and description of carts, buckets etc. manufactured at Corporation Workshop during the year 1929–30.

Description.	No.	Remarks
Wooden box carts	6	
Single draught night soil carts	12	
Double draught rubbish carts	25	
Iron sewage cylindrical carts	10	
Iron hand carts	18	
Iron night–soil buckets	450	
Iron night–soil pails with lids	12	
Galvanized iron buckets	1,100	
Wheel barrows	3

From

The Lady Superior,

St. Thomas' Convent,

San Thome, Mylapore.

To

E.C. Smith, Esq., C.I.E., I.C.S.

Commissioner, Corporation of Madras.

Sir,

I have the honour to forward the Report on the working of our Dispensary for the official year 1929—1930.

The Dispensary is open every day from 8 a.m. to 10 a.m. and again in the evening for an hour and a half. The work of the Dispensary continues to run on much the same line as in 1928, affording relief to both in-door and out-door patients. The poor and destitute receive particular attention, and they also sdow their confidence in appreciation of the Sister's work by seeking their help on all occasions.

Thanking the members of the Corporation for the help they have hitherto given, and hoping they will continue to do so.

I have the honour to be,

Sir,

Your most obedient servant,

Lady Superior.

To

The Commissioner,

Corporation of Madras,

Madras.

Ref.—G.D.C. No. 304 of 30, dated the 8th April 1930.

Sir,

As requested in your letter quoted, we are sending you herewith a copy of the report on the working of the Tamil Free Siddha Dispensary for 1929-30.

The total number of patients treated is 10,588 for the year under reference and it has since been considerably increasing, with the result that a great financial stress is felt in the conduct of the dispensary. The contribution of Rs. 300 which the Corporation has been pleased to make, though it relieves the stress to a great extent, is yet inadequate, as the expenditure to give the necessary medical relief to the ever-increasing number of poor patients is on the increase every day. It

is therefore requested that an enhanced rate of contribution may be given during this year.

We beg to remain,
Sir,

APPENDIX IV.

KALYANI HOSPITAL, MYLAPORE, MADRAS, ADMINISTRATION REPORT FOR 1929—30.

The Medical staff of the above Hospital during the year consisted of:—

Mrs. Monahan, M.D.B.S. (Lond), Honorary Medical Superintendent.

Miss. M. A. Joseph, Apothecary, Resident Medical Officer;

together with one part-time woman Pathologist.

Dr. Joseph was absent on sick leave for three months from the beginning of August to the beginning of November, at which time Dr. Enid Stevenson and Dr. Mary Proudlove gave valuable help to the Hospital for six weeks each. The Committee is grateful to them for this service.

There are 55 beds in the Hospital. The total number of patients treated in the Hospital and the Dispensaries connected with it was 15439. Of these the in-door patients numbered 1731 and the outdoor 13708.

An important feature of the Hospital is the maternity work. Many cases of difficult labour were brought to Hospital by the nurses of the Corporation of Madras.

The operations numbered 615.

The Committee of the Hospital is grateful to the Corporation of Madras for its contribution of Rs. 1000 for the official year 1928—29 which was paid in the year 1929—30 and it hopes that a similar contribution for the official year 1929—30 will soon be paid. The Management also requests that a like contribution be made for the official year 1930—31.

The present accommodation of the Hospital has been taxed to the utmost and the Committee feels that the time has now come to extend the buildings. Sketch plan of a new maternity block has been prepared by a qualified architect and will be submitted to the Surgeon-General for approval. It is hoped that a liberal grant will be made by Government towards the cost of the extension which is roughly estimated at Rs. 75,000. The extension of the buildings will inevitably involve the Management in considerable additional cost of upkeep and

we trust that when the buildings are completed the Corporation will show its sympathy by making an increased annual contribution.

C. H. Monahan.

Hon. Secretary & Treasurer.

Kalyani Hospital Mylapore, Madras.

Madras, dated 2nd May 1930.

To

The Commissioner,

Corporation of Madras.

Sir,

I beg to submit herewith the Annual Report of the Madras Megnana Dharma Siddha Vydhya Sala conducted at Annadhana Samaj, Purasawalkam, Madras for the year 1929—1930 as required in your letter No. G.D.C. No. 304 of 1930.

I beg to inform you that all the necessary statements of the Vydhya Sala for the year are enclosed for your kind and valuable notice. The Dispensary was started in 1926 and it has completed 4 years including this year. But the Corporation has granted contribution for only two years (i.e.) 1927—28 and 1928-29, and for the year 1926—27 no grant has been received. I also wish to point out here that owing to increased number of patients during the year, I had to engage the service of an assistant also.

As the dispensary renders very useful service to the public of Purasawalkam in particular and Madras in general with scanty income, it is requested that the Corporation will consider over the working of the Dispensary and grant a liberal contribution for the year in question.

I beg to remain,

Sir,

Your most obedient servant,

Sadhu Ganapathy

Physician & Secretary.

APPENDIX IV.

7th May 1930.

From

M.R.Ry. S. P. Y. Surendarnath Vaegei Arya Garu
M.A.B.D.S.T.M.
Secretary Pachiappas Trust Board
Pachiappas College
Madras.

To

The Commissioner,
Corporation of Madras,
Madras.

Sir,

Ref: Your circular letter G.D.C. No. 304 of 30 dated 8—4—30, calling for a report on the working of the C.N.F. Dispensary during the year ending 31—3—30.

I have the honor to submit herewith the classified statement of diseases treated and the statement showing the class and number of patients treated and the total cost of treatment for the official year 1929—30.

During the year under report, 179,911 patients including 63,610 new patients were treated as against 174,327 and 61,952 respectively in the previous year. The highest number of patients treated on a single day was 672 and the average number of daily attendance was 492 as against 673 and 478 respectively in the previous year.

The cost of maintaining the Dispensary amounted to Rs. 7438—4—11 as against Rs. 7,276—15—2 for the previous year.

That this dispensary continues to the popular in spite of the several new Ayurvedic Dispensaries springing up all over the city is evident from the fact that the number of patients treated is increasing every year.

The Trustees would feel highly obliged if the Corporation grant towards the cost of the maintenance of the Dispensary is raised to at least Rs. 1,000 as has been requested all these years.

I have the honor to be,
Sir,
Your most obedient servant,
S.P.Y. Surendranath Voegeli Arya
Secretary.

APPENDIX IV.

From

The Directors,

Vasudevananda Free Ayurvedic Dispensary Samaj,

Triplicane, Madras.

We have much pleasure to submit the Annual Report of the work of the Samaj for the year 1929—30 and of the work and steady progress of the Free Dispensary for the said period.

During the year under report, the Free Dispensary has been serving a good deal in the suburbs of the City and in the mofussil especially under the direct supervision and management of Ayurvedic Dr. V. Vasudeva Pillai, A.M.A.C.

The Cost of medicines works upto Rs. 8 per head per day in the dispensary.

Our thanks are specially due to the Committee Members for their kind guidance and help and to the Managing Director Dr. V. Vasudeva Pillai, who not only works so very energetically in the Dispensary but also meets the deficit from his private earnings.

We further beg to record our thanks to the Corporation of Madras for the financial help rendered to the Free Dispensary during the past year except the last one. Owing to the increasing popularity of the Free Dispensary an appeal for sanction for more money was made to the Corporation of Madras but we regret that even the usual annual grant was withheld for some technical reason perhaps.

We have applied this year again and hope to meet with success.

A statement of Income and Expenditure and number of patients treated and the diseases for which they were treated is given in the appendix.

Sd. A. Lakshmipathy

V. Narasimha Sastry

C. N. Rathnaswami Ayyer

APPENDIX IV.

Triplicane, 15th May 1930.

From

The Honorary Secretary,

Vupputur Alwar Chetty Garu's Free Ayurvedic Dispensary,

Triplicane Madras.

To

The Commissioner,

Corporation of Madras,

Madras.

Sir,

With reference to your letter dated 8th April 1930, I forward herewith a report showing the working of the Dispensary during the official year from 1st April 1929 to 31st March 1930.

Yours faithfully,
V. Thiruvengadathan Chetty
Honorary Secretary.

REPORT.

The following is the report on the working of the above dispensary for the Official year from 1st April to 31st March 1930:—

The Dispensary has been in existence under its present name for the past 6 years. It is now conducted by a Board of Six Trustees. The two statements attached herewith show the details of the diseases and number of patients treated, and the receipts and expenses during the year.

Ambal Siddha Vaidya Free Dispensary
2|48 Saint Xavier Street,
Madras. 27—4—1930

To

The Commissioner,

Corporation of Madras,

Madras.

Sir,

We have the honour to enclose statements showing the number of patients treated, names of diseases, and receipts and charges for the year 1929—30.

APPENDIX IV.

The number of patients attended during the yea under report was 42277 as against 39971 in the previous year.

The Dispensary is being managed by the Board of Management consisting of 6 members and is rendering great help not only to the people of this locality but also to the people of the surrounding localities and this has attraceted the people from far off places.

Therefore due to the increase in patients gradually and inadequacy of funds now, it is compelled to appeal to you specially to increase the present contribution for the year 1930—31 and thus extend your sympathetic help towards the suffering humanity.

Thanking you in anticipation,

We have the honour to be,

Sir,

Your most obedient Servant,

A. Chidambaram.

Secretary & Treasurer.

Madras. 20th May 1930.

From

The Secretary,
Venkataramana Ayurvedic Dispensary,
Mylapore, Madras.

To

The Commissioner,
Corporation of Madras,
Madras.

Sir,

In reply to your letter G.D.C. No. 304 of 30 dated 8th April 1930, I have the honour to submit a statement showing the number of patients treated for various ailments at the Venkataramana Auyurvedic Dispensary, Mylapore, during the official year 1929—1930. The number treated was 50364. The total attendance at

the Dispensary was 110814. The average daily attendance was 304 against 319 in the preceding year. In the minor surgical department the daily attendance was 40 which is included in the total attendance daily of 304, at the dispensary. I enclose also a statement showing the income and expenditure of the Dispensary during the year.

The thanks of the Board are due to the Corporation for the kind contribution of Rs. 1000 for the two preceding years.

I have the honour to be,

Sir,

Your most obedient servant,

A. Krishnaswami Aiyar.

Secretary.

A brief sketch of the work turned out by the "Unani Dar-ush-Shifa", Free Unani Despensary, Triplicane, Madras. dcring 1929—30

The Unani-Dar-ush-Shifa has an excellent record to its credit in the number of patients treated this year viz., 1929—30. The total number of patients treated during this official year in the Unani-Dar-ush-Shifa amounts to 109082 old and new against 101640 treated during the preceding year, showing thereby an increase of 7442 patients over the previous years record.

The average daily attendance of patients treated during the year under report was 298.8 against 278.5 recorded during the preceding year showing an increase of 20.3 patients per day over the previous year's record.

The total number of patients treated during the year under report has been 21221 (new) against 20575 treated during the previous year giving an increase of 646 diseases treated over those in 1928—29.

The staff continued to be the same as of the preceding year.

The management of the Unani-Dar-ush-Shifa still continues to depend entirely on public subscriptions and Corporation grants, which amounted this year to Rs. 4640 including the contribution of Rs. 1,250 awarded by the Corporation of Madras for the year 1928-29.

APPENDIX IV.

The total expenditure of the institution during the year under report amounted to Rs. 4578.

The monthly expenditure per patient treated in this institution during the year under report has been Rs. 1—4—1 and the daily expenditure per patient treated came up to pies 8.06 only.

Detailed lists of the patients and diseases treated in this Dar-ush-Shifa is annexed.

Haji Hakim Syed Macdoom Ashraff.
Honorary Secretary.

From

Swami Virudai Sivagnana Yogy Avergal,
President, Managing Committee of
Dharma Vaidiya Sala, Washermanpet,
Madras.

To

The Commissioner,
Corporation of Madras,
Madras.

Sir,

We have the honour to submit the report on the working of the Dharma Vaidya Sala, Washermanpet, Madras, for the official year 1929—30.

This free dispensary was opened at Washermanpet, Madras, on the 15th April 1922, under the auspices of the Tamil Vaidiya Sangam, Koilpatti. This dispensary is situated in a building charitably lent for the purpose by the late Sir P. Theogaraya Chettiar Avl.

The Government in its Order No. 1014 L & M, Mis. dated 1—5—23 have sanctioned payment of a contribution of Rs. 300 per annum to the Tamil Vaidiya Sanga Dharma Vaidiyasala at Washermanpet, Madras.

Its statistics from 1st April of 1929 to the 31st March 1930, show that the total number of patients treated during the period in the dispensary is 23,116. This dispensary was maintained at a cost

of Rs. 909—8—0 in 1929--1930, of which the grant expected from the Madras Corporation is Rs. 300 and the remainder Rs. 609-8-0 was defrayed from the funds of the Chennai Mahana Siddha Vaidiya Sangam.

We have the honour to be,

Sir,

Your most obedient servant,

(Sd.) V. Sivagnana Yogi,

President.

3. T. M. Mukkannan Achari

Members Managing Committee.

The Madras Depressed Classes Mission Society (Regd.)

Report for the year 1929—30.

The object of the society is to elevate the social as well as the moral condition of the depressed classes viz., Pariahs, Chucklers, Poliyas, Cherumas and all such other neglected classes in India. By (1) Prmoting education, (2) providing work, (3) remedying their social disabilities (4) preaching to them ideals of religion, morality personal character and good citizenship.

As education is the first and foremost requisite for any kind of lasting improvement, the society since its inception has been maintaining day and night schools in the depressed classes centres. The society at present maintains one day and three night schools at the following places.

The Vyasarpady Day School:—This school has been in existence for the last 21 years, the school is located in the society's own building. There are two teachers in charge of this school. Both are belonging to the Adi-Dravida Community.

Vyasarpady Night School:—This has been in existence for more than 17 years. The school is held in the day school building. All the pupils are day labourers.

APPENDIX IV.

Doming Kuppam Night School:—This school was opened by Mrs. Conran Smith in the year 1924. It is now located in the Corporation Model School Building. This was opened mainly for the benefit of the Fisherman community living in that locality.

Gopathy Mahadeva Chetty Night School, Meersapet:—This school was opened by late Mr. G. F. Paddission, the then Labour Commissioner. There are three paid teachers in charge of this school with a total strength of 60 pupils. This is supported by Dewan Bahadur G. Narayanaswamy Chetty, C.I.E. This school is doing very useful work in that locality.

Free Reading Room, Vyasarpady.

This Reading Room was opened on the 1st September 1925 for the benefit of the depressed classes living in that locality for whom there is no separate Reading Room till now. The Hindu, the Justice, the Swadesamitran, and the Tamil Nadu are the papers that are placed daily. This Reading Room receives a monthly contribution of Rs. 10 from the Corporation of Madras besides their annual grant of Rs. 100 for the Society.

The financial condition of the society is very unsatisfactory and many of the members have discontinued their subscriptions. Only very few gentlemen have come forward to help the society during the year under report. The society takes the opportunity of thanking C. J. Gray Esq., O.B.E. I.C.S. the Labour Commissioner of Madras, who has so kindly granted us an annual contribution of Rs. 500 for maintaining our institutions and the Corporation of Madras for an annual contribution of Rs. 100 and Dewan Bahadur C. Narayanaswamy Chetty, C.I.E., for his disinterested service and for supporting a Night School at Meersapet.

C. Raja Bahadur.
Hon. Assistant Secretary.
2.5.30.

The Triplicane Annadana Samajam.
Madras 30—4—1930.

To

The Commissioner,
Corporation of Madras,
Madras.

APPENDIX IV.

Sir,

As desired in your letter No. G.D.C. No 304 of 1930 dated 6th instant, I have the honour to append below a short report on the working of the Samajam during the offcial year 1929—30.

The total amount of receipts of the Samajam by subscriptions and special contributions during the year amounted to Rs. 5854-6-0 and the total expenditure was Rs. 4657—13—11.

A grant of Rs. 600 was made by the Corporation about the middle of December, 1929.

The Total numeber of the poor fed was 31,499 and the total, number clothed was 25.

The Total number of members of the Samajam at the close of the year was 176.

Yours faithfully,
N. Takur Singh.
For SECRETARY.

From

Major K.R.K. Iyengar, I.M.S.,
Director, Pasteur Institute of Southern India.
Coonoor.

To

The Commissioner,
Corporation of Madras,
Madras.

Ref: No. 2259 dated 30th April 1930.

Sir,

With reference to your letter G.D.C. No. 304 of 1930, dated 8th April 1930, I have the honour to state that the annual report of this Institute for 1929—30 will be ready for publication only at the biginning of September 1930 and that, however, I append below a short report on the working of this Institute up to 31—12—29 for insertion in the administration report of your Corporation.

1. In accordance with the recommendations made by the expert committee on Rabies and Antirabic treatment in India which met at Calcutta in December 1929, the official year of the Institute

was changed from 1st March—28th February to 1st January—31st December, to have a uniform official year for all the Pasteur Institutes in India, so that the figures published in the annual reports of these Institutes may be comparable and statistical data on rabies and antirabic treatment in the whole of India may become available. The report of this Institute for the year 1929, therefore, covers only a period of ten months.

2. The total number of patients treated during the year was-

at this Institute		649
at out centres		5388
	Total	6037

Of these, a few have not completed the full course of treatment for various reasons. The above figures include 500 courses of anti-rabic vaccine supplied to the Government General Hospital, Madras, for the treatment of patients within the limits of the Madras Corporation.

48,020 c.c. of anti-rabic vaccine for treating 328 animals bitten by rabid animals were prepared and issued during the year. Of this, 770 c.c. were issued to the Principal, Veterinary College, Madras, for the treatment of 11 dogs.

3. The following researches were carried out at this Institute during the year in addition to routine bacteriological work:—

(a) The results of Experiments on Pre-infectional Immunization against Rabies with Carbolized and Etherized Vaccines done at this Institute have been published in the Indian Journal of Medical Research, Vol. 17, No. 2, 1929.

(b) Animal experiments to test the value of etherized sheep vaccine in the prophylactic treatment of rabies and effect of ether on Fixed Virus in infected brains of sheep have been carried out during the year. The results of the experiments have been sent for publication in the Indian Journal of Medical Research.

(c) The following inquires were carried out during the year for the Indian Research Fund Association:—

(1) The Development, duration and restoration of Immunity by formalinised vaccines.

(2- The presence of Choleraphage in well waters before, during and after an epidemic of cholera.

APPENDIX IV.

The reports on the above two inquiries are under preparation.

(d) The Nutritional Research on food stuff is being conducted at this Institute by Col. R. McCarrison, C.I.E., M.D., I.M.S.

I have the honour to be,

Sir,

Your most obedient servant,

K. R. K. Iyengar.

Major, I.M.S.,

Director.

Madras, 30—4—1930

From

The Honorary Secretary,

Chennapuri Annadana Samajam,

To

The Commissioner,

Corporation of Madras,

Madras.

Sir,

With reference to your letter G.D.C. No. 304 of 1930 dated 8th April 1930 which was received by me only on the 25th instant, I have the honour to submit the following brief report on the working of the Chennapuri Annadana Samajam during the official year 1929—30 for incorporation in the Administration Report of the Corporation of Madras for that year.

POOR FEEDING:—The Samajam continues to feed 120 poor boys of the Madras Brahma Ragged School which is located in Anna Pillai St., G. T., with the valuable help of the contributions received from the Madras Corporation and from the public for feeding the poor on special occasions and of the interest realised from the permanent endowments, the Samajam was able to feed 59,533 poor during the year under report showing an average of 163 per day, against 55,293 during the previous year.

CORPORATION GRANT :—The Samajam is highly grateful to the Corporation of Madras for its supports in previous years. A contribution of Rs. 800 was duly sanctioned for 1928—29 and a similar sanction for the year 1929—30 is anxiously awaited. This amount is being utilised from time to time for the purpose of additional feeding on important festival and other extraordinary occasion and for supplying butter-milk during the hot weather.

FINANCE:—The income during the year realised from subscriptions, special contributions, house rents and interest on Government and other investments amounted to Rs. 12,729.3.5 and the expenditure to Rs. 10,471.12.10, leaving a balance of Rs. 2,257.6.7 to the credit of the Samajam. A copy of the audited financial statements of the Samajam will be forwarded as soon as it is published.

ANNIVERSARY CELEBRATION:—The 38th anniversary of the Samajam was celebrated on the 16th April 1929 under the presidency of the Hon'ble Rajah Sir S. R. M. Annamalai Chettiar, Kt. The occasion was also availed of to unveil the portrait of the Rajah Sir S. Ramaswamy Mudaliar, Kt., C.I.E., who had rendered invaluable help to the Samajam as one of its Chief Patrons during the early days of its inception. The Chairman unveiled the above portrait amidst loud cheers and made an interesting and stirring speech in support of the Samajam. He also gave a liberal contribution of Rs. 1,000 towards the Endowment Fund. The Samajam places on record its sincere thankfulness to the Rajah Saheb.

THE NIZAM'S GIFT:—In April 1929, a cheque for Rs. 1,000 was received from the Military Secretary to H.E. the Governor being the amount allotted to the Samajam from the generous gift of H. E. H. the Nizam in honour of his recent visit to Madras. This amount has been invested in Government Paper for feeding and clothing the poor annually on the birthday of H. E. H. the Nizam out of the interest realised therefrom.

I have the honour to be,

Sir,

Your most obedient sevant,

M. Cunniah Chetty.

HONORARY SECRETARY.

APPENDIX IV.

MUHAMMADAN FEMALE AID CHARITY FUND ANNUAL REPORT 1929.

The year began with 34 subscribers on the rolls of the Fund. There were 3 deaths, 1 resignation and the name of one member was removed from the rolls for continuous default of paymnt of subscription. Three members were newly enrolled. The number on the rolls at the end of the year was 32.

2. Khan Bahadur H.H. Md. Abdul Aziz Saheb Bahadur Khan Bahadur, Dr. Md. Usman Saheb Bahadur and Dewan Bahadur O. Thanikachalam Chettiar have been lost to us by death. The committee places on record its deep sense of sorrow caused by the death of these members.

3. Four of the gosha widows on the list died during the year and their places were given to four other widows. All the gosha and non-gosha widows were, as usual, presented with clothes on the occasion of the Ramzan.

4. H.E.H. the Nizam of Hyderabad visited Madras during the year and in memory of his visit he placed a sum of Rs. 25,000 at the disposal of H.E. the Governor of Madras for distribution amongst the various charitable institutions in the city. An application was made on behalf of the Fund and a sum of Rs. 500 was allotted. The committee takes this opportunity of tendering its thanks to H.E.H. the Nizam for his gift.

A sum of Rs. 500 was also received during the year as grant from the Corporation of Madras for the years 1927—28 and 1928—29. The committee has much pleasure in conveying its thanks to the Corporation of Madras.

5. The arrears of subscription due at the beginning of the year amounted to Rs. 71. Of this a sum of Rs. 22 was collected during the year under report. The total collections made during the year (including arrears of the previous year, donations for Ramzan, gift from H.E.H. the Nizam and grant from the Corporation of Madras) amount to Rs. 2,680. The amount still to be collected is Rs. 156, and of this Rs. 66 have been written off as irrecoverable. The committee hopes to collect the balance of Rs. 90 during the current year.

6. Two of the members, Mr. C. Abdul Hakim Saheb Bahadur and Mr. Md. Ibrahim Saheb Bahadur were elevated during the year to the posts of the Sheriff of Madras and Chief

Judge, Court of Small Causes, Madras. The committee offers their congragulations on the high posts conferred on them. The Committee also thanks Shifaulmulk T. Zainulabidin Saheb Bahadur and Mrs. Gordon, the Joint Hony. Secretaries, for the great interest they have taken in the working of the Fund.

SHORT HISTORY OF THE WORKING OF THE MADRAS CHILDREN'S AID SOCIETY FOR THE YEAR 1929.

The Madras Children's Aid Society was formed in February 1926 with Sir Mahomed Usman Saib Bahadur as its first President.

In March 1926 the Government accorded recognition to the Remand Home for Juveniles (boys & girls) established by the Society

SENIOR CERTIFIED SCHOOL.

The school came into existence in December 1926. In 1928 a section of the school was also recognised as a Junior Certified school for girls.

At the beginning of the year under report the Honourable Sir Mahomed Usman Saheb Bahadur resigned his office as President of the Society in favour of the Honourable Sir M. Krishnan Nair. The Boys Club was started with the sanction of the Government in September 1929.

SENIOR AND JUNIOR CERTIFIED SCHOOL.

Senior and Junior Certified school for girls attached to the Society had 22 girls on the rolls at the beginning of the year under report. There were 29 new admissions during the year of which 14 were under committal orders and 15 transferred from the Madras Society for the protection of children under special arrangements making a total of 51. Of these the disposals are as follows:—

Sent to Government Mental Hospital ...	3
Sent to Lady Willingdon Leper Settlement ...	1
Sent to Sevasadan for vocational training ...	2
Escaped ...	1
Discharged on the expiry of the period of detention	3
Remaining at the end of the year ...	41

The daily average strength of the school is 29.2

APPENDIX IV.

CAUSE OF DETENTION.

For murder	...	3
For theft	...	26
Certified as Destitutes	...	11
Rescued from Brothels	...	8
Minor offences	...	3

RELIGION.

There are 3 Mahomedans, 46 cast Hindus and 2 of the depressed classes.

It is worthy of note that the good work done by the school was acknowledged by the directors at the Boys and Girls Exhibtion held under the auspieces of the F. M. C. A. in August 1929. Seven certificates were awarded to different girls.—

1 first class honors for rattan work
1 first class honors for Lace work
2 second class honors for woven silk tape work
2 Award of merit for Rattan work
1 Award of Merit for Raffia work,

DIETARY.

Ragi and rice conji is given every morning and wholesome food at noon and night.

HEALTH.

There have been no serious illness and no cases of fever showing that the house and the surroundings are healthy and habitable.

MEDICAL INSPECTION.

There is a woman Medical Officer who pays 3 visits in the week to inspect the home and the children and also attends on them during their illness.

11. REMAND HOME AND PLACE OF SAFETY.

The Remand Home and Place of Safety continues its way steadily. 70 boys and 33 girls passed through the Home as against 87 boys and 15 girls in the previous year. There has been a most marked

increase in the number of girls this year, especially those rescued from brothels.

III. BOYS' OWN CLUB.

The Boys' Own Club was opened in September 1929, under the charge of Mr. K. Palani, the Society's Probation and Enquiry Officer. The object of the Club is to help boys discharged from various Certified Schools or on Probation, until employment was found for them by the Society. During the first month or so of his discharge the boy should be under the immediate care and guidance of the Probation Officer.

FINANCE.

The response to our appeal in the last two years has not been very satisfactory. A special appeal was issued in May last and a sum of Rs. 475 (donations and subscriptions) was collected by Mr. Palani.

OUR THANKS.

To the District Board of Cuddapah and Corporation of Madras, our thanks are due for their kind contribution.

The total Income for the year 1929	
By subscription and donation.	475 0 0.
By Grant from Government	13018 0 0.
Interest on Government Bonds	292 8 11.
	13786 2 11.
Total Expenditure incurred during 1929	13443 0 8.
balance on 31—12—29	343 0 8.

A BRIEF REPORT OF THE WORKING OF THE S. P. C. A. MADRAS, DURING 1929.

The Society since its establishment in 1877 has done much humane work on behalf of the dumb animals and is the chief agency for suppression of cruelty practised on them.

During the year 1929, the Society prosecuted to conviction 2384 cases and many injured and diseased animals were taken out of the control of their owners and sent either to the Infirmary for treatment or to the Pinjrapole for care and rest.

APPENDIX IV.

It can now boast of a well-equipped hospital, a Dog's Home and a Pinjrapole or refuge for old animlas. It is doing educational work also by publishing leaflets, offering medals for the best Essays written by students on animal life, and organising the system of magic lantern exhibition on subjects connected with the kind treatment of animals.

The Income of the Society during the year was 14,910—13—3 and the expenditure Rs. 13,117—7—8.

The work of this Society has a strong claim for the support of the charitable lovers of animal creation. It is supported mainly by voluntary contributions and the Committee needs every assistance to enable it to continue its work, which is both educational and punitive.

BRIEF REPORT ON THE WORKING OF THE ANJUMAN DURING 1929—30.

The Annual Report for the year 1929—30 will be the 46th report.

COMMITTEES.

The work of the Institution is managed by a Managing Committee and the three sub-committees i.e., Finance Sub-Committee, Workshop Sub-Committee and Educational Sub-Committee.

MEETINGS.

2. The Managing Committees met 13 times in the course of the year and the Sub-Committees and other special Sub-Committees appointed, met from time to time, as often as was necessary.

MEMBERS.

3. The year began with 183 members on the roll. During the year 3 of them ceased to be members owing to death and 3 others resigned and under rule 31 the names of 9 members were struck off from the roll for the non-payment of their arrears of subscription. As many as 13 new members joined the Anjuman, thus bringing th total to 181. There are 10 European and 40 Hindu gentlemen on the roll.

THE INDUSTRIAL SCHOOL.

4. The Industrial School was inspected by Mr. W. Fyfe, Inspector of Industrial Schools in March 1930 and his report is expected shortly.

APPENDIX IV.

The strength of the school at the end of the year was 99 of whom 71 are in Carpentry Section, 10 are in Carpet Section, and 18 are in Tailoring Section.

The work of the school is divided into literary, and technical education, the former occupying half the time of the boys and the latter covering, during the remaining half, the extensive field of Carpet weaving, Dyeing, Cabinet making, Turning; Polishing; In-lay work; Upholstering, Rattan work, and Tailoring. Training in wood carving is just started. The question of transferring the Carpet section from the Government School of Arts and Crafts to the Anjuman as recommended by the Committee appointed by the Government is under correspondance with the Director of Industries.

Six boys received Government Scholarships to the value of Rs. 264 and one as in last year received the Anjuman Scholarship to the value of Rs. 30. Two pupils, as in last year, one in carpentry and the other in Tailoring, have received H. H. the Aga Khan's Willingdon Scholarship to the value of Rs. 80 out of the donation received in 1927 and 1928 from H. H. the Aga Khan.

37 pupils received bonus from the Anjuman on their monthly out-turn and regular attendance to the value of Rs. 246.

The sale proceeds of the carpentry section during the year amounted to the record figure of Rs. 8,538 which beats the previous records of Rs. 7,611 in 1928 and 1929. The receipts of carpet section amounted to Rs. 766. The tailoring section yielded the gross income of Rs. 242.

In the literary section five standards continued to be maintained under the charge of two teachers, for teaching the three R's the Quoran reading, giving religious and moral instructions to the boys. And since April 1930 an Elementary trained (Higher) Headmaster has been appointed to teach English and Tamil to the pupils of the Anjuman and to improve the general tone of this section. The literary section was inspected by the Deputy Inspector of Schools, Muhammadan Range during the year.

THE GOSCHEN HOSTEL.

5. The year started and ended with fourteen boys in residence in the Hostel, of whom 10 are from the mofussil. An undergraduate and a retired Government Official is in charge of the Hostel

as Warden on a pay of Rs. 40. As usual, the boys are being given instruction in religion and morals. There was an Honorary Medical Visitor to the Goshen Hostel, for which, grateful thanks of the Committee are due. The education, feeding and clothing are given free. The Hostel boarders are being trained as scouts by a Military Scoutmaster, kindly arranged by Mr. A. J. Leech, District Commissioner of Scouts.

AUDIT.

6. Monthly and annual audits of accounts continue to be carried on by Messrs. Fraser & Ross. And the annual audit for the year 1929 is likely to be made in the course of this month.

The Stock Expert will also verify that stock in due course.

FINANCES.

7. INCOME:—The total income for the year is Rs. 19,005—2—1 and the excess of income over expenditure amounts to Rs. 202—2—8.

The total expenditure amounted to Rs. 16,598—13—3 exclusive of the depreciation charges of the buildings, plant, etc., and loss on re-valuation of tools and equipments, the total of which amounted to Rs. 2,204—2—2, thus bringing the gross expenditure to the value of Rs. 18,802—15—5.

8. On the 25th March 1930 H.E. Sir George Stanley and Lady Beatrix Stanley visited the Anjuman.

INTERNATIONAL EXHIBITION — DECEMBER 1929.

9. As usual the Anjuman Industrial School participated in the International Exhibition organised by S.I.A.A. Ltd., Madras in December 1929. The exhibits of the Anjuman attracted general attention particularly some newly designed furniture, incubator, office equipments. It is said a Gold Medal has been awarded for the excellance of our exhibits but no official information has yet been received. All the goods exhibited were sold and many orders were booked. Demonstration of carpet weaving was shown by the pupils of the Anjuman. H.E the Governor and Lady Beatrix Stanley visited the stall and appreciated some of our exhibits.

I beg to remain,

Sir,

Your most obedient servant,

G.M.K.Lodi.

Honorary Secretary.

APPENDIX IV.

BRIEF REPORT ON THE WORKING OF THE FRIEND-IN-NEED SOCIETY.

during 1929.

The objects of the Society are the relief of the deserving poor and the suppression of mendicity amongst the European and Anglo-Indian communities and to attain these objects the Committee endeavoured to do their best during 1929.

No deserving case was turned away and our efforts were by no means confined to the unemployable wastrel. Every day of the week excepting Sunday one of the members of the Relief Committee attended the Society's Home to investigate all applications made there for help, to dispense such help as may be necessary and to make suggestions for helping distressed cases.

During 1929 there were 1847 individual applications for help and 270 families (representing 741 persons of whom 134 were new cases) were assisted and the total sum expended amounted to Rs.10,332. Of the 1847 individual applicants only 15 were rejected on such grounds as being in no real need of help, refusal to do the jobs offered and misapplication of previous aid rendered. In addition an average of 71 were in receipt of pensions representing an expenditure of Rs. 8863. On clothing the Society expended Rs. 636 under 'out-door relief' and Rs. 505 under 'indoor relief'. The school fees aggregated to Rs. 609—12—0.

The Society primarily exists for the benefit of redidents within the city and suburban limits of Madras and the problem that is becoming more and more acute and is a great drain on the Society's resources is the increasing number of out-side cases from all parts of the Presidency, Calcutta, Bombay, Bangalore; Hyderabad; Cochin Travancore and even some from N. India. But on humanitarian and other grounds it finds it imposible to deny help to outsiders.

There is mutual co-operation between the society and the Ex-Services Association and the Madras Soldiers' Board.

At Home we had on an average 72 people—men, women and children who have taken up a more or less permanent residence in the F.I.N.S. Home while 23 others had been temporarily housed,

some for a few days and some for a few weeks. The majority of the inmates are aged men and women who are too feeble to do any jobs. In spite of the advanced years of so many of the inmates their health has been surprisingly good, and only one death occurred—that of an old lady of 82.

The year opened with a debit balance of Rs. 2621 and we closed the year with a balance of Rs. 2600 in our favour, which was due to several handsome donations received during the year. The actual receipts were Rs. 47,558 and the actual expenditure Rs46,344.

The need for a Home and Hospital for incurables and mental cases not eligible for admission into a recognised Mental Hospital on the grounds of non-violence, etc., is still keenly felt by the Society, as our Home is not intended for either class, but we have nevertheless, a number of such cases in our Home.

ANNUAL REPORT ON THE ADMINISTRATION OF THE MONEGAR CHOULTRY, MADRAS.

In the place of the Deputy Commissioner of Police, Nothern Range, which post has been abolished, the Board of Directors on 5—6—29, elected the Senior Presidency Magistrate, George Town as a member of the Executive Committee.

On the recommendation of the Commissioner of Police, Madras and in exercise of the powers confirred by Sub-section (2) of Section 5 of the Charitable Endowments Act 1890 (Act VI of 1890) and with the concurrance of the Board of Directors of the Monegar Choultry the Government of Madras in G.O. No. M.P. 4053 L&M. Dated 3rd September 1929 appointed the Deputy Commissioner of Police Law & Order as a Director of the Monegar Choultry vice Deputy Commissioner of Police Northern Range.

The names or designations of the members of the Board of Directors (consisting of sixteen members of whom eight are ex-officials

and eight are respectable non-official citizens of Madras) with their respective attendance at the meetings are given below:—

Names or designations of Members.	General Meetings	Ex.-Committee Meetings.
Ex-Officio.		
1 The Collector of Madras. (Chairman)	...	1
2 The President, Corporation of Madras ...	...	...
3 The Commissioner of Police, Madras	2	...
4 The Deputy Commissioner of Police (Law and Order) ...	2	...
5 The Senior Presidency Magistrate, G.T. ...	...	...
6 The Health Officer. Corporation of Madras ...	....	...
7 The Executive Engineer. N. P Division ...	1	...
8 The Surgeon of the First District (Honorary Secretary & Treasurer) ...	3	4

7 Rao Saheb G. Venkataranga Rao Garu ..	2	...
8 Rao Bahadur P. T. Kumaraswamy Chetty Garu ...	...	...

The total number of admissions was 112 in 1929-30 as against 116 in 1928-29. As the Board of Directors have fixed the maximum number of inmates to be dieted daily to be not more than 75, admission for a good many cases had to be refused. Any how it is contemplated to raise the maximum number to 100 shortly.

The newly admitted paupers were sent by the following authorities :—

(a) Sent by Police 52
(b) Sent by the Directors ... 25
(c) Sent by the Government Royapuram Hospital 35

APPENDIX IV.

The average daily number of inmates was 66.7 in 1929—30 as against 55.2 in 1928—29.

The average daily cost of diet per pauper was 3 annas 1 pie in 1929—30 as against 3 annas 3 pies in 1928—29.

Major J.C. Barucha I.M.S., when he held the office of the Hon. Secretary & Treasurer of the Monegar Choultry had effected many improvements in the diet and clothing given to the inmates of the institution.

The total receipts and the expenditure for the year 1929–30 are as follows :—

Various necessary and important improvements had to be put off all these years for want of sufficient funds, but during the year under review, many of these have been effected and large recurring expenditure incurred year after year on annual repairs and white washing has been saved.

In this connection, it may be stated that at one time the management found it almost impossible to keep the expenditure within the receipts, and appeals had to be issued to the public for financial aid to prevent encroaching upon the Funded Capital. But the response was not encouraging.

As a last resource, the Board of Directors decided to do away with the contract system and introduce direct purchase under the supervision of a Non-official Director. Thanks to their efforts

not only the expenditure has been reduced but also a sum of about Rs. 5,500 has been added to the Capital Account, within the last two years.

Dewan Bahadur P. Parankusam Naidu Garu, I.S.O., a non-official Director of this Choultry, who suggested this method of minimising the expenditure and who undertook to arrange for the supply of food stuffs etc., (after Rai Bahadur B. Mopurappah Garu) was able to effect a considerable reduction in the expenditure of the Choultry so much so that after meeting the cost of the improvements mentioned hereunder the sum of Rs. 5,500 referred to above, has been saved.

During the year under review the following are some of the improvements effected:—

(a) There was no out-let for the waste water from the latrines and bath rooms in the choultry compound and in consequence the water was stagnating inside which bred a lot of mosquitoes and severely affected the health of the inmates. But during the year a complete set of under ground and open drains have been built and connected with the main Corporation sewer.

(b) The compound wall of the Monegar Choultry was not high enough and as a result a good many thefts used to take place during the nights in the vegetable garden of the Choultry. The eastern compound wall has been raised by 4'—6" and there is no possibility for any body to climb the wall from that portion. It is proposed to raise the southern wall during the year out of the savings.

(c) 5 per cent of 1935 Bonds has been purchased for a sum of Rs. 2,979—14—0 and an annual income of Rs. 150 has been added to the total receipts.

In concluding this Administration Report, the Board of Directors feel thankful to the Corporation of Madras for generously contributing funds and hope that the Corporation may be pleased to grant for 1929—30 the original controbution of Rs. 1,500 which they were pleased to grant till about 2 years back so that the benefits of this choultry may be extended to many more deserving cases.

Lt. Col., I. M. S.,

Surgeon First District & Hon. Secretary & Treasurer,

Monegar Choultry.

APPENDIX IV.

THE MADRAS CORPORATION SCOUTERS AND GUIDERS CLUB.

The Boy Scout movement was started in the Corporation Schools as early as 1920 during the Presidentship of late Sir P. Theyagaroya Chetty Garu and the Commissionership of Sir Muhammad Habibullah Sahib Bahadur at the initiation of M.R.Ry. S. Subramanyam Chetty Garu, B.A., the then Manager of the Corporation. The object of the movement is to train boys and girls in the Corporation Schools in citizenship and to inculcate Social habits such as cleanliness of mind and body and to develop character through games and air life. The movement has made steady progress during these years. The Corporation Scouters and Guiders Club controls the movement, so far as the Corporation Schools are concerned.

The Corporation of Madras made a grant of Rs. 250 to the Club from the General fund and this enabled the Club to develop the Scout activities. A qualified Scout organising Secretary was appointed on 7—2—30 to train scouts in the Corporation Schools. At present there are 30 Scout troops and Wolf cub packs, which have more than 500 boys under them.

MADRAS CITY HEALTH AND BABY WEEK.

During the Health and Baby Week, the Scouts of the Corporation co-operated in doing health propaganda. The Club organised an Exhibition, where, besides Scout made articles. First Aid and Health charts were exhibited along with the girls section for which a gold medal was awarded. Scouts also took part in the Scout competitions, Sports and Ambulance and won prizes and medals.

WELCOME TO CHIEF SCOUT OF INDIA AND PROVINCIAL CHIEF SCOUTS.

On the occasion of the presentation of the Civic address by the Corporation of Madras, the Corporation Scouters presented a possee of welcome along with the Madras Scouts to the Chief Scout of India—His Excellancy Lord Irwin.

2. On the opening day of the Health Week, the Scouts and Blue Birds of the Corporation Schools presented a Possee of Welcome to Their Excellencies at the S.I.A.A. grounds, when Their Excel-

-lencies Sir George Stanely and Lady Beatrix Stanely were pleased to inspect the Scouts and the Blue-birds.

SERVICE RENDERED.

During the Masi Makham festival, the Scouters of the Corporation rendered service to the bathers at the sea beach at the various centres organised by the Health Department. Scouter Jagannatham who was on duty at the High Court Beach saved a boy from drowning at great personal risk.

A continuation course for the Scout Masters is being conducted by the Organising Secretary, besides his visits to troops and Packs daily to advise how to conduct them on proper lines. It is confidently hoped that the knowledge and experience of the Organising Secretary will ensure rapid progress being made in Scouting throughout the Corporation Schools.

THE GIRLS SECTION.

In May 1929, 10 Lady teachers were deputed to undergo training in Girl guiding in the Summer School, Ootacamund conducted under the auspices of the Y.M.C.A. As a result of it, 16 Flocks of Blue birds were raised in 16 Girls Schools and were registered by the association. Miss Margaret Swamikannu was appointed as the Guide Commissioner in charge of Corporation Girl Guides. In the course of the year 30 teachers were specially trained in Blue bird work by the Provincial trainer Miss Hillbrook. Another 10 Flocks will be raised in the coming year, thus raising the total number of Blue Birds to 400 girls. The Blue Birds took a prominent part in the annual rally along with the Scouts. The Blue Birds investiture ceremonies during the year added charm to the school work in the different girls schools under the Corporation.

SCOUTERS TRAINING CAMP.

With a view to give advanced training to Scout Masters, a training camp (Refreshers course) was held for 24 scouts masters at Red Hills from 14th to 18th March 1930. M.R.Ry. V.S. Rathnasabapathy, the Organising Secretary was in charge of the Camp. Their daily work was a regular programme of Scout activities from morning 5-30 to 10 p.m. including 3 hours of instruction on troop

management and Scouting methods and 2 hours of practical work in Scout craft, besides games, boating, spare time activities and Camp fires.

The Camp was visited by some of the Councillors and Officers of the Corporation. Such periodical camps are run to raise the standard of efficiency of the Scouters and to put the movement on a firmer basis. The success of the Scout movement has been ensured by the help rendered by E. Conran Smith Esq., Asst. Provincial Commissioner and the encouragement acorded by the Hon. Mr. A. Ramasami Mudaliar, the President of the Corporation, as well as the Councillors of the Corporation who have given their liberal support and by the hearty co-operation of the President of the Club, M.R.Ry. S. Subramanyam Chetty Garu, the Educational Officer M.R.Ry. G. Vandanam Garu and the Lady Commissioner, Miss Margaret Swamikannu.

Mr. Heeru Singh was an indefatigable Secretary throughout the year and has freely given his time and energy to the cause of Scouting.

OUR SCOUT LOCAL ASSOCIATION.

To put the movement in the Corporation Schools on a sound basis as an authorised body under the All India Boy Scout Association, arrangements are being made to form a local association for the Corporation area. This Association we hope will be able to spread its beneficient influence among the boys in all the schools under the Corporation in an ever increasing measure.

The Hindu Yuvaty Saranalayam,
No. 2 Mantapam Road, Kilpauk.
2—5—1930.

To

E. C. Smith, Esq., C.I.E., I.C.S.
Commissioner Corporation of Madras.
Madras.

Sir,

With reference to your letter G.D.C. No. 304 of 30 of 8th April 1930, herewith please find the above report as under:—

The Hindu Yuvaty Saranalayam started on the 6th May 1923 was lodged in Alangatha Pillai Street, Triplicane (House No.

1|10) and from there it was removed to No. 2 Mandapam Road, Kilpauk. There was but one girl in the Saranalayam in the days of its origin and gradually the number increased to 15 and then to 25. In the later year the premises was changed to Kilpauk and few more girls joined after this in the year 1926—27.

As mentioned already, the institute began without zut one girl and up to this day protection was given to 40 girls and 10 fallen women, 29 girls have been married one girl was sent home 10 women have entered service as school mistresses. There are 18 girls now in the Saranalayam and they are taught spining, sewing, embrodery work and knitting besides instruction in mother tongue. Hindi and English also are taught, instructions in music is already provided and we mean in the near future introducing painting also. In the mornings and evenings prayers are conducted and the girls have a common vegetarian meal.

I appeal to one and all to help this Saranalayam which is in a poor state. To those who are already helping the society I offer my heartfelt thanks.

In conclusion I appeal to the Corporation authorities and request them to kindly increase their charity-help to Rs. 30 a month and thus protect and feed at least 2 orphan girls with a donation of Rs. 300 a year exclusive of house rent etc.

APPENDIX IV.

REPORT OF THE WORKING OF THE MADRAS SOCIETY FOR THE PROTECTION OF CHILDREN DURING 1929—30.

The year opened with 67 boys and 36 girls making a total of 103, and ended with 65 boys and 25 girls making a total of 90.

During the year 42 boys and 14 girls were admitted newly.

The income from all sources was Rs. 19564—5—3 and the expenditure was Rs. 17883—11—4. Out of the total income Rs. 3534—10—1 was collected from the public, a fact which shows that the Society is being worked to the satisfaction of the public.

There was no outbreak of any contagious disease in the Home during the period under report. The average daily sick was 4.6 and 1.4, making a total of 6. Total number of children admitted in the Hospital for treatment was 39 boys and 10 girls.

The Society has a Certified School attached to it and all boys and girls receive instruction.

Honorary Secretary.

REVIEW OF THE WORK OF THE MADRAS PRESIDENCY DISCHARGED PRISONERS' AID SOCIETY, MADRAS FOR THE CALENDAR YEAR 1929.

The Madras Presidency Discharged Prisoners' Aid Society is a society registered under section 26 of the Indian Companies Act, 1913. It was started on the 15th February 1921 and has completed nine years of its existence. The management of the Society is vested in a Central Committee at Madras. There are now 24 District Committees functioning in the Presidency which in turn have established subcommittees. A new District Committee was started at Anantapur during the year.

APPENDIX IV.

Eight new members have joined the Society as ordinary members and the strength of the members at the end of the year was 196. Five persons were enrolled as Life members during the year, thus making a total of 42. His Excellency the Governor is the ex-officio Patron of the Society. The number of patrons is 8. The Hon'ble Diwan Bahadur Sir. M. Krishnan Nair is the President of the Society. Messrs. G. Narayanaswamy Chettiar and R. V. Krishna Ayyar continue to be the Honorary Secretaries.

Dewan Bahadur G. Narayanaswami Chetti Garu C.I.E. continues to be the Provincial Jail visitor of the Presidency jails. Mr. Chettiar visited at his own cost the jails and sub-jails, at Vellore, Trichinopoly, Bellary Cuddalore, Madura, Tanjore; Rajahmundry; Vizagapatam, Guntur, Cannanore, Mangalore; Nellore; Saidapet and Salem and the Senior Certified School at Chingleput and the junior certified schools at Rajahmundry and Ranipet. He addressed various meetings in the places he visited.

The Central Committee met 5 times during the year while the Executive Committee met 5 times.

The Total receipts of the Central Committee during the year amounted to Rs. 9,257—15—0 as against Rs. 12,347—15—11 of the previous year. The total expenditure of the Central Committee during the year was Rs. 8,776—5—3 as against Rs. 12,161—15—3. The amount spent by the Central committee on actual relief was Rs. 1412—8—0. The Government were pleased to contribute a grant of Rs. 5000 during the year towards the working of the Society.

The thanks of the Society are due to the various officers and employers of labour, chief among them being Messrs. E. C. Smith, Commissioner, Corporation of Madras D. Daniel, District Board engineer, Saidapet, the Director of Agriculture, Madras and the Chirman, Municipal Council, Salem.

During the year under review 752 persons were interviewed at the Penitentiary by Mr. Narayanaswami Chetty, one of the Honorary Secretaries and by the Agent of the Society. Out of this 752 persons interviemed at the Pententiary 128 courted the help of the Society and of these 94 were admitted into the Society's Home at Teynampet, while others were given substantial aids. The decrease in the number of admissions into the Home was due to careful selection.

APPENDIX IV.

The number of persons for whom the society found employment was 50, the nature of appointments obtained being such as appointment as peons or attenders or workmen under recognised authorities. Others were helped with tools, licenses and money to continue their accustomed callings or with passages to go to their native homes.

The Society also intersets itself in the after-care of discharged prisoners and has also appointed a paid after-care-officer in the person of Mr. V. G. Vasudeva Pillai, a municipal councillor of this place to watch and advise the ex-prisoners from relapsing into crime. The Society tenders its hearfelt thanks to the various gentlemen and public bodies who were generous and kind in supporting the work of the Society.

Honorary Secretary.

MATERNITY & CHILD WELFARE DIVISION, INDIAN RED CROSS SOCIETY.

This Division aims at rendering all possible help and guidance to poor mothers and children and creating as far as possible a mentality of cleanliness purity and sanitation in the minds of the ignorant.

This is done by means of Child Welfare Centres of which there are five in Madras and three on the outskirts, where poor and ill nourished children are fed on milk and conjee and all are given hot baths and minor ailments attended to.

Two visiting doctors are employed and one Health Visitor and the nurse in charge of such centre who is a trained midwife, attends any case to which she may be called. Talks and lantern lectures on health subjects are given frequently, posters and pamphlets distributed and advice given to the pregnant women.

The aim of the Division in short is to improve health, prevent disease and mitigate suffering.

APPENDIX IV.

THE TRAINING SCHOOL FOR HEALTH VISITORS.

This school was opened in Madras in 1929. Six students were trained and qualified as Health Visitors, and five are now working in good positions. A recognised Government diploma is issued to successful candidates.

THE MUSLIM ORPHANAGE,

53, Wallajah Road, Mount Road

To

The Commissioner,
Corporation of Madras.
Ripon Buildings, Madras.

Sir,

With reference to your letter of the 8th April last demanding a report on the working of the Anjuman-e-Himayath-e-Islam, I have the honour to submit the following report.

The Anjuman is run by a Managing Committee of 29 Members and office-bearers consisting of Government Officials and influential Merchants.

There were 9 meetings of the Managing Committee and about six General Body Meetings during last year. Sir Md. Ikbal, M.A. Ph. D., of Punjab and Moulvi Ahmed Saeed Saheb of Delhi had been invited to deliver lectures under the auspices of the Anjuman.

The Anjuman was of immense use in giving its suggestions to Haj Committee.

The Orphanage is growing in strength. During the last year the number of orphans went upto 51 as against 34 during the previous year. It is anticipated that more boys would be coming if arrangements for more accommodation are made.

The Anjuman takes complete charge of poor orphans, houses them, feeds and clothes them and trains them in several arts. Some are taught carpentry, some tailoring, and some attend secondary and elementary schools. Tutors are also employed to coach up boys out of school hours. The orphans are given decent dress and complete

hygeinic principles are observed in their boarding and lodging. It would not be out of place to say but for this institution several boys would have been left unsheltered and unbreaded.

The Anjuman is financed by the rates of the endowed properties which is supplemented by donations and subscriptions from the public and the Madras Corporation.

Requesting you to be kind enough to recommend the Council for an increased grant.

I have the honour to be,

Sir,

Your most obedient servant,

Haji Hakim Syed Magdoom Ashraff.

Honorary Secretary.

THE MADRAS TAMIL MISSION, ORPHAN HOME.

New Washermanpet, Madras.

The Madras Tamil Mission Orphanage Home is now situated in Alangam, New Washermanpet, Madras in an ideal place covering an extent of 6¼ acres of land with beautiful buildings. It was started in 1893 as a small place in a rented buildings at Vyasarpadi and has grown in extent and activity ever since.

OBJECTS.

The Home is intended for the Indian Orphans both parentless or fatherless or motherless and destitute children to be brought up in the recognised principles of a well regulated life.

STRENGTH.

At present there are 70 orphan resident inmates certified by the Collector of Madras as destitute children. There are also over 30 children who are day scholars. The Home has been a help to many children who need most help as the few following instances will show. On the day when King George V landed in Madras many years ago, a boy about 10 years old with bloated belly was found in

the streets of George Town in rags who was picked up by Miss Bergquist and taken to the Orphan Home where he was brought up and educated. He passed his VIII Standard and is now leading a good life as an employee at Tiruvottiyur Match Factory. He was Christened with the name of George to commemorate the visit of the King-Emperor.

A Korava lad of 5 years of age who was abandoned by the parents when he was suffering from small pox in the Infectious Diseases Hospital was admitted in the Home at the request of the Doctor of the said Hospital when he recovered, on the day when His Highness the Duke of Connaught landed in Madras. He is named Connaught. The lad has now passed his VII Standard. Another boy was picked up as a destitute in the streets of Yercaud Sheveroy Hills and was admitted in the Home. His sister also joined him. She has now grown up, studied up to VIII Standard and has a good hand in lace making. The boy was named Edward and the sister christened Victoria. Suffice it to say the Orphan Home was ever ready to rescue the perishing children and many of its children are now employed in Corporation Schools and Madras Tamil Mission Schools as teachers

TRAINING.

There is an Indian Christian Orphan Higher Elementary School attached to the Orphan Home which has a staff of 8 teachers and has produced excellent results in the School Final Examination (VIII Standard)—26 out of 28 in 1929 and 9 out of 10 in 1930. Miss Olang Ronning is in charge of the said Home and School now after Miss Bergquist left for Europe on furlough. The children are taught cleanliness of body and dress. The lessons in cooking and gardening are given the children by Miss Ronning and all the cooking and gardening of the Home are done by the children only. The children are given good apetising food with 3 rice meals and are most carefully attended to during the time of illness. Sick children are provided with all comfort and best and costly diet. Miss Ronning has a stock of medicines which are administered in the ordinary cases of sickness. In cases of severe illness they are looked after in General Hospital and Rainy Hospital.

APPENDIX IV.

INDUSTRIAL EDUCATION.

Lace work has been started in the School and is progressing well.

NEEDS.

There is much need for electric installation for the building in the establishment and for a good water supply. Boys and girls are sometimes over worked by being asked to carry water and there is much inconvenience for want of better lighting. It is hoped that funds will soon be found for removing the above defects.

FUNDS.

The balance sheet of the audited accounts which is attached will show that the Mission has spent nearly Rs. 2,500 for the past year in addition to the Government grant of Rs. 2,000 and Corporation grant of Rs. 600. It is hoped that the Corporation and the Government will increase their grants in consideration that the Home is increasing in its activities daily.

MADRAS TAMIL MISSION ORPHANAGE.

APPENDIX IV.

THE MADRAS SEVA SADAN.

Report for the year 1929--1930.

The Madras Seva Sadan has given Industrial and Literary training to 90 girls and young women in the year 1929—1930. Out of the ninty, nine were day pupils and nine attended the National Girls' High School at Mylapore. The rest were given Boarding, lodging and tuition at the Seva Sadan.

In the Industrial Section instruction was given in Weaving, Rattan work, Embroidery in silk and cotton, Jigna and Tambur work, Mat weaving, lace making, cutting and designing.

The literary section had three divisions namely, Tamil, Telugu and English. Tamil and Telugu were taught upto the 8th Standard and English upto the III Form.

Five Tamil girls and three Telugu girls came out successful in the 8th Standard examination held at the Sri Sarada Vidyalaya at Triplicane, in April 1930.

Four girls attended the Summer School of Indian Music, three in the Advanced and one in the Intermediate class. All the four have passed creditably, one winning distinction in vocal music. Three are qualified to teach Indian Music—Theory and Vocal.

Four girls have gone out as hand-work teachers to schools in Secunderabad, two are being trained as sick nurses at Dr. Ranga Chari's Hospital and nine are seeking admission into Training Schools for mistresses.

Out of 81 resident pupils 69 were orphans or destitutes. Hence, they were wholly or party supported by the Seva Sadan. The net cost of maintenance per month for the whole Institution was Rs. 1,300—1500. The chief sources of income were recurring and non-recurring Government and Corporation Grants and private donations and subscriptions, the fee income being negligible. The Industrial Department has given a special building grant of Rs. 25000 for the purchase of Shenstone Park at Harrington Road, Chetpet, as a permanent home for the Seva Sadan. The Corporation of Madras has been requested to give a special grant of Rs. 5000 towards the building fund as Rs. 10,000 more is needed to complete the purchase of the new premises.

APPENDIX IV.

Applications for admission are pouring in from all parts of the Presidency. In several cases admission has to be postponed, though the need is urgent, owing to lack of funds. There is plenty of scope for the realisation of the several schemes that are afoot for the further development of the Seva Sadan, in the spacious grounds of Shenstone Park, provided the necessary funds are fothcoming.

ANNUAL REPORT.

Of the Madras Provincial Council

Of the Boy Scouts Association in India

For the year ending 30th September 1929.

GENERAL.

From an active membership of 4402 in the first year of the amalgamated movement in the year 1921—22 to a membership of 13517 in the 8th year, 1928—29, is a record of achievement of which any Association may well be proud though no special stress is laid by the Boy Scouts Association merely upon numbers. But tested even by the rigid standard of pure organisation, efficiency and discipline, the Boy Scout Movement can well be said to be the foremost institution in this presidency, working for and among boys to train them in habits of self-reliance and service, so as to fit them, when they grow, to be efficient citizens of their motherland. The keen interest which the public men, both officials and non-officials, have been evincing in the movement, is a unique feature, which is the best guarantee for the permanence of the Organisation. This vast movement is worked primarily by private support, the grant from the Government being utilised entirely for the maintenance of the Headquarters training and organising staff.

FINANCE.

With the greater development of the movement in the districts it has been considered inadvisable to approach the districts for any regular contributions, towards the funds of the Provincial Council, for carrying on the work of organisation and training. The Provincial Commissioner and the Executive note with very great pleasure that each district council and local association has been trying to organise its own resources with the help of private phiilanthropy

and that it has been possible for such councils and associations to organise important functions like District Rallies and Conferences entirely with public support. It is estimated that, apart from money spent on individual Scout uniform and equipment, the public of this province would have spent on training and other camps, conferences and rallies a sum of not less than Rs. 20,000 during the year under report and it is certainly an unquestioned tribute to the popularity of the movement that such a large amount should have been spent from the public in furthering the cause of the movement.

In view of this extensive private support for the movement in the districts, the Provincial Headquarters has been dependent entirely upon the grant received from the Government. But with the greater demands made by a rapidly expanding movement, the amount which the Government has been granting year after year, namely, a sum of Rs. 10,000 is now found to be too inadequate.

PROVINCIAL CHIEF SCOUT.

His Excellency the Rt. Hon'ble Viscount Goschen, who was the Provincial Chief Scout retired in May 1929 and continued for a few months later to be the acting Chief Scout for India and Burma, During his 5 years of office in the Province His Excellency took the keenest possible interest in the progress of the Movement.

FUTURE OUT-LOOK.

The Boy Scout Movement has passed its first decade in this Province and has established itself on a firm basis. But the value of the movement cannot be judged merely by its numerical strength and it is up to every one of the 1300 and odd scouts of this Province to show what scouting means to him in real life. The future of the movement, as an active factor in the character building of the younger generation, depends a great deal upon the types of men who are coming forward to shoulder these responsibilities.

The Provincial Commissioner and the Provincial Executive wish to take this opportunity to appeal to all such men to come forward and volunteer their services, as there is no movement wherein they can better display their power of organisation and there is no better opportunity to render effective and abiding service to the cause

of national regeneration. The Boy Scout Movement, with its wonderful unifying influence, is the most powerful organisation working in the cause of national unity striving to remove the barriers of race, caste and community, which separate man from man and this consumation cannot be achieved with any large measure of success, unless it has the active co-operation and good-will of the best minds of the Country.

K. Sanjiva Kamath,
Hon. Provincial Secretary.

REPORT ON THE WORKING OF ST. MATTHIAH'S DAY SCHOOL, VEPERY, MADRAS.

For the year 1929—30

The number on the rolls is 91, viz., 58 boys and 33 girls. We feed and clothe 65 of this number free of cost. These are the deserving poor. Less than half the number of pupils pay a nominal fee, the highest amount paid being eight annas a month. All books and stationery are given to the pupils without cost. The attendance during the year under review has been good.

The present Staff is the best we have had for some years. There are four lady teachers and one Tamil Pandit. All the teachers are in possession of a Secondary Training Certificate, and have special certificates for needlework, Domestic Science and Drill. The staff has hitherto been poorly paid, but this year the salaries have been raised to the normal standard. With the aid received from the Corporation of Madras we were enabled to do this for this year. We hope also to purchase a piano and to effect other improvements.

The School has been inspected by Miss Park, the Domestic Sciences and needlework Inspectress, and the Inspector of European Schools also paid us an unofficial visit this year.
